Truespel Book Two: Phonetic Dictionary of USA English Thomas E. Zurinkas,2006-04-13 Truespel Book Two is a reference book for finding the traditional spelling of a word by looking up the phonetic spelling as written in truespel. It solves the problem of looking up words beginning with silent letters by looking up the sounds themselves. Truespel is the first “pronunciation guide spelling” system, based on USA English. It is designed to replace the pronunciation guides in our dictionaries with a new standard keyboard ready phonetic spelling. USA English is now respelled in truespel, allowing great new capabilities. Truespel Book One: Analysis of the Sounds (Phonemes) of USA English (Authorhouse.com) utilizes the database to show the frequency of phoneme usage and the frequency of the various ways of spelling the 40 phonemes of USA English. A converter from traditional spelling to truespel is located at <http://www.foreignword.com/dictionary/truespel/transpel.htm>. Tutorials on truespel can be found in Books One and Two and at truespel.com. A discussion group is at <http://groups.yahoo.com/group/truespel/>

The Purple Palace & Other Poems Shayna Klee,2021-04-02 The Purple Palace & other Poems is the debut Poetry collection by Artist Shayna Klee. The semi-autobiographical book is divided into two parts and takes place between two countries; Part I, is a cloud a living thing?, takes place during the Author's tumultueuse teen years with tropical Florida as a backdrop. Part II, Inside my Shell, explores themes of transformation as the Author creates a new life for herself in Paris, France. The poems in this collection explore the surreal rollercoaster of youth, the performance of identity, being an outsider and the tension between romantic idealism and the dystopic world in which the author finds herself. Her approach to her work as a visual artist is mirrored in her poetry style, which is accompanied by all original illustrations by the Author.

Ghosts and Other Spirits of the Dead Ruth Owen,2013-01-01 Could a spirit of the dead really come back to haunt the living? If tales of ghosts are just fictional stories, why do so many people report seeing these supernatural beings? What would it be like to be the restless spirit of someone who has died, and how can you tell if ghosts inhabit the house you live in? In Ghosts and Other Spirits of the Dead, children will read historical stories and modern-day accounts of ghostly encounters. Kids will get all the information they need to help them spot or sense the spirits of the dead and to protect themselves from being haunted by ghosts. Children will also investigate the truth behind ghost stories by first exploring the fears and superstitions of different cultures that might explain the origins of the stories, and then looking at the scientific facts that might explain the seemingly unexplainable. If you love a spine-chilling horror story but also want to investigate the truth behind these myths, this is the book for you!

Freeman's Fables. Lee Keith Freeman,2020-08-16 This collection of stories is for all ages, encompassing various times and places. The author has set in place a challenge to see if you know who, from within the stories, is actually the creator and storyteller. The reader is then encouraged to email the answer to the author. Come, let me weave for you a web of wisdom, morals, fables, and other sundry, cautionary tales, where every character has their own story within this veritable jackanory. Within is testament of tales; short tales, tall tales and those somewhere in-between, weaved with the wisdom diffused from petty crimes, witty rhymes, folklore and dreams, into a rhapsody of writing for the reader to relish. The characters tell tales that all ages will understand, about attitudes, behaviours and love for your neighbours; what's wrong and right and will give you insight into messages passed down since the inception of time, as well as those that are hidden between the lines. This menagerie of morals are infused with light-hearted anecdotes, quips and quick witted wits, being easy on the eye and can be read in quiet, or aloud, with the most eloquent of lips. And all I ask, dear reader, if you are able, Is to tell me who is the overall teller of these tales and fables? If you think you know who is the teller of these tales, Tell me, please, dear reader via email.
