Get the Guy Matthew Hussey,2013-04-09 Most dating books tell you what NOT to do. Here's a book dedicated to telling you what you CAN do. In his book, Get the Guy, Matthew Hussey—relationship expert, matchmaker, and star of the reality show Ready for Love—reveals the secrets of the male mind and the fundamentals of dating and mating for a proven, revolutionary approach to help women to find lasting love. Matthew Hussey has coached thousands of high-powered CEOs, showing them how to develop confidence and build relationships that translate into professional success. Many of Matthew’s male clients pressed him for advice on how to apply his winning strategies not to just get the job, but how to get the girl. As his reputation grew, Hussey was approached by more and more women, eager to hear what he had learned about the male perspective on love and romance. From landing a first date to establishing emotional intimacy, playful flirtation to red-hot bedroom tips, Matthew’s insightfulness, irreverence, and warmth makes Get the Guy: Learn Secrets of the Male Mind to Find the Man You Want and the Love You Deserve a one-of-a-kind relationship guide and the handbook for every woman who wants to get the guy she’s been waiting for.

Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

What Women Want--What Men Want John Marshall Townsend,1998-04-23 Following the work of E. O. Wilson, Desmond Morris, and David Buss, What Women Want--What Men Want offers compelling new evidence about the real reasons behind men's and women's differing sexual psychologies and sheds new light on what men and women look for in a mate, the predicament of marriage in the modern world, the relation between sex and emotion, and many other hotly debated questions. Drawing upon 2000 questionnaires and 200 intimate interviews that show how our sexual psychologies affect everyday decisions, John Townsend argues against the prevailing ideologically correct belief that differences in sexual behavior are culturally constructed. Townsend shows there are deep-seated desires inherited from our evolutionary past that guide our actions. In a fascinating series of experiments, men and women were asked to indicate preferences for potential mates based on their attractiveness and apparent economic status. Women overwhelmingly preferred expensively dressed men to more attractive but apparently less successful men, and men were clearly inclined to choose more attractive women regardless of their professional status. Townsend's studies also indicate that men are predisposed to value casual sex, whereas women cannot easily separate sexual relations from the need for emotional attachment and economic security. Indeed, wherever men possess sexual alternatives to marriage, and women possess economic alternatives, divorce rates will be high. In the concluding chapter, Townsend draws upon the advice of couples who have maintained their marriages over the years to suggest ways to survive our evolutionary predicament. Lucidly and accessibly written, What Women Want--What Men Want shows us why we are the way we are and brings new clarity to one of the most intractable debates of our time.

Quirkyalone Sasha Cagen,2006-01-03 quirkyalone (kwur.kee.uh.lohn) n. adj. A person who enjoys being single (but is not opposed to being in a relationship) and generally prefers to be alone rather than date for the sake of being in a couple. How to Date in a Post-Dating World Diane Mapes,2011-01-04 Taking up where Emily Post and Miss Manners left off, Diane Mapes counsels the dating-distressed on today's new rules of courtship. This smart, savvy etiquette guide addresses both nuts-and-bolts questions (Who asks? Who pays? Who makes the first call? Who brings out the condoms?) as well as the more puzzling aspects of modern romance (Do I really need to tell my new girlfriend that I had her investigated?). Advice, behavioral examples, and dating horror stories are gleaned from a number of sources, including singles, psychologists, scholars, authors, etiquette experts, relationship coaches, and the most well-mannered people on earth, Southern women and gay men. From how to avoid dating a serial killer to what to do at a snuggle part, How to Date provides single men and women, gay and straight, with a step-by-step road map for navigating today's romantic quicksand with humor, grace, and aplomb.

Cues Vanessa Van Edwards,2022-03-01 Wall Street Journal bestseller! For anyone who wants to be heard at work, earn that overdue promotion, or win more clients, deals, and projects, the bestselling author of Captivate, Vanessa Van Edwards, shares her advanced guide to improving professional relationships through the power of cues. What makes someone charismatic? Why do some captivate a room, while others have trouble managing a small meeting? What makes some ideas spread, while other good ones fall by the wayside? If you have ever been interrupted in meetings, overlooked for career opportunities or had your ideas ignored, your cues may be the problem – and the solution. Cues – the tiny signals we send to others 24/7 through our body language, facial expressions, word choice, and vocal inflection – have a massive impact on how we, and our ideas, come across. Our cues can either enhance our message or undermine it. In this entertaining and accessible guide to the hidden language of cues, Vanessa Van Edwards teaches you how to convey power, trust, leadership, likeability, and charisma in every interaction. You'll learn: • Which body language cues assert, "I'm a leader, and here's why you should join me." • Which vocal cues make you sound more confident • Which verbal cues to use in your résumé, branding, and emails to increase trust (and generate excitement about interacting with you.) • Which visual cues you are sending in your profile pictures, clothing, and professional brand. Whether you're pitching an investment, negotiating a job offer, or having a tough conversation with a colleague, cues can help you improve your relationships, express empathy, and create meaningful connections with lasting impact. This is an indispensable guide for entrepreneurs, team leaders, young professionals, and anyone who wants to be more influential.

How to Date Men When You Hate Men Blythe Roberson,2019-01-08 From New Yorker and Onion writer and comedian Blythe Roberson, How to Date Men When You Hate Men is a comedy philosophy book aimed at interrogating what it means to date men within the trappings of modern society. Blythe Roberson's sharp observational humor is met by her open-hearted willingness to revel in the ugliest warts and shimmering highs of choosing to live our lives amongst other humans. She collects her crushes like ill cared-for pets, skewers her own suspect decisions, and assures readers that any date you can mess up, she can top tenfold. And really, was that date even a date in the first place? With sections like Real Interviews With Men About Whether Or Not It Was A Date; Good Flirts That Work; Bad Flirts That Do Not Work; and Definitive Proof That Tom Hanks Is The Villain Of You've Got Mail, How to Date Men When You Hate Men is a one stop shop for dating advice when you love men but don't like them. With biting wit, Roberson explores the dynamics of heterosexual dating in the age of #MeToo – The New York Times

Flirt for Fun & Meet the One Tracey Steinberg,2014-03-31 In this fun and easy-to-read book, Dateologist Tracey Steinberg reveals how to easily figure out who is and isn't worthy of your precious time, how to attract the best person for you, how to flirt effortlessly, where to go to find high-quality singles, and how to keep your hot date desperate for more, more, more! As countless delighted clients and her own loving husband can attest, Tracey knows exactly how to help you create a loving relationship and have tons of fun along the way!

The Guyde Howie Reith,2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the law of attraction. You won't be reading anecdotes telling you about my successes or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I – Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II – Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III – Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV – Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and ghosting. You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

How to Be Alone Lane Moore,2018-11-06 The former Sex & Relationships Editor for Cosmopolitan and host of the wildly popular comedy show Tinder Live with Lane Moore presents her poignant, funny, and deeply moving first book. Lane Moore is a rare performer who is as impressive onstage—whether hosting her iconic show Tinder Live or being the enigmatic front woman of It Was Romance—as she is on the page, as both a former writer for The Onion and an award-winning sex and relationships editor for

Cosmopolitan. But her story has had its obstacles, including being her own parent, living in her car as a teenager, and moving to New York City to pursue her dreams. Through it all, she looked to movies, TV, and music as the family and support systems she never had. From spending the holidays alone to having better “stranger luck” than with those closest to her to feeling like the last hopeless romantic on earth, Lane reveals her powerful and entertaining journey in all its candor, anxiety, and ultimate acceptance—with humor always her bolstering force and greatest gift. How to Be Alone is a must-read for anyone whose childhood still feels unresolved, who spends more time pretending to have friends online than feeling close to anyone in real life, who tries to have genuine, deep conversations in a roomful of people who would rather you not. Above all, it’s a book for anyone who desperately wants to feel less alone and a little more connected through reading her words.

The Game Neil Strauss, 2012-05-01 Hidden somewhere, in nearly every major city in the world, is an underground seduction lair. And in these lairs, men trade the most devastatingly effective techniques ever invented to charm women. This is not fiction. These men really exist. They live together in houses known as Projects. And Neil Strauss, the bestselling author and journalist, spent two years living among them, using the pseudonym Style to protect his real-life identity. The result is one of the most explosive and controversial books of the last decade—guaranteed to change the lives of men and transform the way women understand the opposite sex forever. On his journey from AFC (average frustrated chump) to PUA (pick-up artist) to PUG (pick-up guru), Strauss not only shares scores of original seduction techniques but also has unforgettable encounters with the likes of Tom Cruise, Britney Spears, Paris Hilton, Heidi Fleiss, and Courtney Love. And then things really start to get strange—and passions lead to betrayals lead to violence. The Game is the story of one man's transformation from frog to prince to prisoner in the most unforgettable book of this generation.

Tinder Nightmares Unspirational, 2017-01-21 “Will have you in hysterics over truly epic Tinder fails . . . it captures real life conversations potential couples have exchanged over the app.” –Spy Tinder Nightmares is a hilarious look at some of the most epic fails of the often racy, always ridiculous, “romantic” exchanges on Tinder. The Instagram account of the same name has skyrocketed to popularity for its captivating—and sometimes titillating—ability to capture the real-life conversations between people who are looking to connect with that special someone. Tinder Nightmares is organized by theme, with chapters such as Bad English, Broetry, Strange Requests, Sneak Attacks, and more. This book explores everything from pickup lines to breakups, and all the moments that come in between. It’s the perfect gift for anyone who has ever suffered through online dating. Praise for the Tinder Nightmares Instagram account “Taking submissions from womankind worldwide, the account posts the funniest and most tragic lines, which serve to make us simultaneously jubilant with comfort that others out there are enduring the same terror, and weepy at our complete loss of faith in humanity.” –Cosmopolitan “So, for anyone who has ever had a nightmarish experience on Tinder, Tinder Nightmares is here to remind you that you’re not alone. Because when life gives you innocuously bizarre Tinder messages, make jokes.” –HuffPost

Date-onomics Jon Birger, 2015-08-25 It’s not that he’s just not that into you—it’s that there aren’t enough of him. And the numbers prove it. Using a combination of demographics, statistics, game theory, and number-crunching, Date-onomics tells what every single, college-educated, heterosexual, looking-for-a-partner woman needs to know: The “man deficit” is real. It’s a fascinating, if sobering read, with two critical takeaways: One, it’s not you. Two, knowledge is power, so here’s what to do about it. The shortage of college-educated men is not just a big-city phenomenon frustrating women in New York and L.A. Among young college grads, there are four eligible women for every three men nationwide. This unequal ratio explains not only why it’s so hard to find a date, but a host of social issues, from the college hookup culture to the reason Salt Lake City is becoming the breast implant capital of America. Then there’s the math that says that a woman’s good looks can keep men from approaching her—particularly if they feel the odds aren’t in their favor. Fortunately, there are also solutions: what college to attend (any with strong sciences or math), where to hang out (in New York, try a fireman’s bar), where to live (Colorado, Seattle, “Man” Jose), and why never to shy away from giving an ultimatum.

Online Dating is NOT for Losers! Social Natural, How To Quickly And Easily Meet 1,000 Women In A Week At Once? Are you too busy in your life to date women? Are you tired of the bar and nightclub scene, always spending huge amount of money on drinks only to go home with nothing but blue balls? Or you're just so caught up with work that meeting women normally just don't work out for you? STOP what you're doing now! Online Dating is your solution. You may have done it, and it didn't work out for you... Or you have thought about trying online dating but don't want to seem desperate, as all your guy friends might make fun of you, having this stigma that it's probably for losers and creepy guys, with their hairline nearly balding, with their waist pushing out right from under them and wearing their thick glasses, sitting behind the computer in a dark corner, watching porno all day. But, the fact is, statistically more single people are using online dating more than ever, and you are

more likely to easily find that quality person in your life to settle down with faster through online dating, instead of hoping to randomly bump into her one day in the real world and that things will work out. Plus, let you in on a dark secret...just because a woman is online, she is only looking to settle down. Women are just like guys; they are horny and want to get laid! Simply put, online dating is NOT for losers! Those who say it is, just don't know how to do it and are just not getting any action, or never even done it and don't realize the full power of it. You can meet more women online in a lifetime than you do offline. That's the beauty and ease of online dating. However, don't think due to the convenience of online dating, that it's easy. You have to play your cards right. Here are some things you must know: * How to approach online dating depending on what you want to get out of it, a relationship or just hooking up? * How to set up the perfect profile so women will automatically either fall in love or get wet? * How to prepare yourself in this virtual world to avoid some of the drawbacks associated with online dating, such as fakers, scammers, unmet expectations, etc.? * How to use social media for online dating and not be a creep, as the most common mistake guys do that ruin any chance whatsoever? * What are the BEST dating sites, FREE and PAID, for you, based on your end-goal so you don't waste time and valuable money on the wrong sites? ...and other stuffs. Learn how to do all those and much more within Online Dating is NOT for Losers! There is that one woman who want to spend her life with you, or women who want to hookup with you. Instead of waiting for them to drop into your lap, you're taking action of finding them online. Your woman is out there now. Find her before somebody else steals her away from you online.
