Summary of Jami Attenberg's I Came All This Way to Meet You Everest Media,2022-06-06T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 I have always had an attraction to the absence of something, whether it was sadness or something else. I was a tomboy as a child, until I wasn't. There was no bridge to the other side. #2 When I was twelve, I went to the mall with my mother to get makeup applied to my face. I was terrified of the idea, but my mother insisted that I do it. The experience taught me the joys of reading and creativity, as well as the importance of education and believing in myself. #3 I have only ever loved one type of makeup: lipstick. I love the bright colors, wild, hysterical pinks that turn a dull outfit up, poke a hole in a gray day, or sultry reds that stain my lips for hours. #4 I am a great dinner guest, because I appreciate food deeply. I never learned how to cook, but I am a superior diner. I will always appreciate food that has been prepared with love.

I Know a Man; You Need to Meet Him! Jesus Jay,2005-04 This is a book about a very unusual woman who met the healing Jesus and was transformed forever to touch lives around the world. Her name is Evangelist Deloris Scott, affectionately known as DD, which stands for Double Dose of the Holy Ghost, or Devil Driver. It signifies the awesome anointing on her life. She is endowed with a healing, teaching, and preaching anointing, which combined with her awesome gift to minister through gospel music, commands the very manifest presence of God within minutes of taking a microphone to minister anytime, anywhere. Evangelist DD's glorious voice, a gift which resulted from a miraculous healing from cancer of the vocal cords, has brought many weary and lost souls to Christ. Love, extended unconditionally, is one truth that transforms, and Evangelist DD has mastered it. The exemplary life she lives is a living testimony of this life-transforming principle. All who yearn to know and live the God kind of love (Agape Love) will be blessed by this humble exposition about a life touched by the master.

What exactly happens during embalming? What kind of post-death restoration is needed for second-degree burn victims? What are the little-known facts surrounding suicide in Singapore? Angjolie offers the insider's view on these and other aspects of an industry usually shrouded in mystery, and reflects on how her perceptions of death, and life, have changed since she chose this extraordinary profession.

I Will Meet You on the Other Side Thami Nodwele,2014-06-26 This book is about my life from the time I was born and how I was born, my upbringing, and the number of different kinds of experiences I had while growing. I have decided to base the story in this book on the time when I did not know the Lord up to the time I was saved. I have been encouraged to do so because I felt I experienced quite a lot of weird situations, more than some people do. I think it is best to let others know how some other individuals experience life so that they can learn something out of their not-so-good stories. There were situations I came across, bad or good, which built and changed my character as a person for the better. I became stronger and wiser through hardship and through training I received in different aspects of life. It was not an easy path for me, but I do not have much regrets of how I was raised because even if I did, I cannot change my past. I can only learn from it and be of help to others where I can. In everything I have said in this book, the best thing that happened to me and I am proud of was my salvation. I do not take my salvation lightly; I am very grateful that I am saved. If I could, I would persuade and preach to every individual I come across up to the ends of the earth that they can accept Jesus Christ as their personal Savior. Because hell is real and heaven is real, and irrespective of the two, one cannot befriend his Father's enemy. One needs to love and be obedient to his Father.

I'll Meet You There Heather Demetrios,2015-02-03 If seventeen-year-old Skylar Evans were a typical Creek View girl, her future would involve a double-wide trailer, a baby on her hip, and the graveyard shift at Taco Bell. But after graduation, the only thing standing between straightedge Skylar and art school are three minimum-wage months of summer. Skylar can taste the freedom—that is, until her mother loses her job and everything starts coming apart. Torn between her dreams and the people she loves, Skylar realizes everything she's ever worked for is on the line. Nineteen-year-old Josh Mitchell had a different ticket out of Creek View: the Marines. But after his leg is blown off in Afghanistan, he returns home, a shell of the cocksure boy he used to be. What brings Skylar and Josh together is working at the Paradise—a quirky motel off California's dusty Highway 99. Despite their differences, their shared isolation turns into an unexpected friendship and soon, something deeper.
