News International and phone-hacking Great Britain: Parliament: House of Commons: Culture, Media and Sport Committee,2012-04-27 This report concentrates on the issue of whether witnesses have previously misled a select committee of the House of Commons over the extent and knowledge of phone-hacking. The Committee concludes that several individuals misled the Committee in 2009 and more recently, and that the News of the World and News International corporately misled the Committee about the true nature and extent of the internal investigations they carried out into phone-hacking, made statements that were not fully truthful, and withheld documents. The companies' directors - including Rupert Murdoch and James Murdoch - should be prepared to take responsibility for these failings. The Committee reports its findings for the House of Commons to decide whether a contempt has been committed and, if so, what punishment should be imposed.

Childhood Sweethearts PT 2 Jacob Spears,2016-03-30 Hustler duo China and Smooth have been inseparable since they were kids. The hood-smart childhood sweethearts would later go on to become hood-rich and grow into one of the most powerful tandems on the streets. A definite force to be reckoned with, it was only a matter of time before the pair who came into their own almost effortlessly would draw the ire and attention of some of the underworlds most dangerous power-players. Which is when China caught a case. Now she's locked up, sentenced to 3 years behind bars. Smooth uses this opportunity to reclaim his throne on the streets. Hoping to give his true love something to come back to. But in the back of his mind she's all he can think about... and that just might be the opening his enemies need to put him down once, and for all.
