

Meets The President

David Priess

Arthur Meets the President Marc Brown,1996-04-01 Arthur's essay wins a contest and he has to read it to the President in a special ceremony at the White House.

Arthur Meets the President Marc T. Brown,2009-07-01 When Arthur wins a trip to Washington, D.C. for his essay, he learns about the White House, but worries that he'll forget his speech in front of the president.

Meet the President Michael Rajczak,2012-08-01 The US president has many names and many responsibilities. Readers learn about the president's powers and how they came to be. Through full-color photographs and interesting sidebars, readers are introduced to the office of the president with age-appropriate language and content. Fascinating fact boxes further engage readers with social studies information that complements the social studies curriculum.

Garfield Meets the Presidents ,2004 Little-known facts, colorful habits, and the favorite foods of each of the 43 men who were elected to be the President of the United States.

Arthur Meets the President Marc Tolon Brown,1991 Arthur's essay wins a contest and he has to read it to the President in a special ceremony at the White House.

Arthur Meets the President Marc Brown,1991

Meet the Next President Bill Sammon,2007-12-11 Barack Obama once came close to injecting heroin, but balked when a junkie pulled out the needle and rubber tubing. Obama and Mitt Romney are descended from polygamous great-grandfathers who had five wives apiece. Rudy Giuliani's first wife was his second cousin. Liberal Democrat Hillary Rodham Clinton was once a conservative Republican Goldwater Girl. Such are the plot twists in the remarkable saga of the 2008 presidential campaign, which is brimming with enough colorful characters to populate a Russian novel. On second thought, no novelist would dare invent such an audacious cast of characters in a single work of fiction. After all, who could be expected to believe in the existence of Fred Thompson, an actor who has grown tired of playing presidents on TV? Or John Edwards, a populist who pays \$400 for a haircut? Or John McCain, an aging war hero who can't stop alienating his own party? And yet one of these all-too-human mortals will soon become the most powerful person on the planet. The competition is fierce and the contest historic. For the first time in more than half a century, the field of White House hopefuls does not include an incumbent president or vice president. That means 2008 is a wide-open race on both sides of the political aisle. Bestselling author Bill Sammon, senior White House correspondent for the Washington Examiner, has conducted hours of exclusive interviews with the candidates and their most trusted advisers. Sammon, a political analyst for Fox News Channel, goes behind the scenes to answer the crucial questions: Who are these candidates? What do they stand for? How are they running their campaigns? Readers will come away with the knowledge to answer their own set of questions: Who can be trusted to prosecute the next phase of the war on terror? Who deserves the awesome power to appoint the next Supreme Court justices, whose momentous decisions will impact Americans for generations? Who can best guide the world's sole superpower into the second decade of the twenty-first century, when rogue regimes could alter the global balance of power with nuclear weapons? In short, who will be the 44th president of the United States?

Meet President Barack Obama Laine Falk,2009 Did you know that Barack Obama lived in Hawaii when he was a little boy? Now he is the 44th President of the United States. Book jacket.

Arthur's Underwear Marc Brown,2001-09-01 Arthur is having nightmares about showing up to school in his underwear! So he tries all sorts of tricks to stay awake. If he stops sleeping, the bad dreams will stop too... right?

DK Readers L2: What is the President's Job? Allison Singer,DK,2017-01-03 Find out what the president does as you learn about the executive branch of government and see what a day in the life of the commander in chief is really like. This leveled DK Reader will build reading skills while teaching exciting political vocabulary and showing how the leader of the United States helps decide the country's laws, what traditions the president takes part in, and how the POTUS meets with other countries to make sure there is peace and goodwill. Travel to Washington, DC, and take a sneak peek inside the Oval Office to see what it takes to be president in *What is the President's Job?* Perfect for 5–7 year olds beginning to read fluently with support, Level 2 titles contain carefully selected photographic images to complement the text, providing strong visual clues to build vocabulary and confidence. Additional information spreads are full of extra fun facts, developing the topics through a range of nonfiction presentation styles such as diagrams and activities.

Arthur and the Baby Marc Tolon Brown,2011-06-14 Arthur is not sure he is happy about the new baby in the family, but when his sister asks for his help in handling the baby, Arthur feels much better.

The President's Book of Secrets David Priess,2016-03-01 Every president has had a unique and complicated relationship with the intelligence community. While some have been coolly distant, even adversarial, others have found their intelligence agencies to be among the most valuable instruments of policy and power. Since John F. Kennedy's presidency, this relationship has been distilled into a personalized daily report: a short summary of what the intelligence apparatus considers the most crucial information for the president to know that day about global threats and opportunities. This top–secret document is known as the President's Daily Brief, or, within national security circles, simply “the Book.” Presidents have spent anywhere from a few moments (Richard Nixon) to a healthy part of their day (George W. Bush) consumed by its contents; some (Bill Clinton and George H. W. Bush) consider it far and away the most important document they saw on a regular basis while commander in chief. The details of most PDBs are highly classified, and will remain so for many years. But the process by which the intelligence community develops and presents the Book is a fascinating look into the operation of power at the highest levels. David Priess, a former intelligence officer and daily briefer, has interviewed every living president and vice president as well as more than one hundred others intimately involved with the production and delivery of the president's book of secrets. He offers an unprecedented window into the decision making of every president from Kennedy to Obama, with many character–rich stories revealed here for the first time.

Meet the Presidents Walter Eckman,2011 Get to know the Presidents of the United States, from George Washington to Barack Obama. Visit the only surviving residence of James Polk in Columbia, Tennessee, or the Lyndon Baines Johnson ranch near Johnson City, Texas. Divided into three regions, these presidential sites – from modest to lofty – reflect the private personalities, lifestyles, and economic status of our country's leaders, past and present. Through 418 images and engaging text, you'll go backstage at the Kennedy household, find out who had the first White House Christmas tree, and which President was a huge fan of jelly bean candies. Highlights of each administration and fascinating tidbits round out the information featured. This is a great keepsake for lovers of history and resource guide for touring the country in search of our Presidents.

The Word Collector Peter H. Reynolds,2018-01-30 From the beloved bestselling creator of *The Dot* and our own *Happy Dreamer* comes an inspiring story about the transformative and profound power of words. Some people collect stamps. Some people collect coins. Some people collect art. And Jerome? Jerome collected words . . . In this extraordinary new tale from Peter H. Reynolds, Jerome discovers the magic of the words

all around him -- short and sweet words, two-syllable treats, and multisyllable words that sound like little songs. Words that connect, transform, and empower. From the creator of *The Dot* and *Happy Dreamer* comes a celebration of finding your own words -- and the impact you can have when you share them with the world.

Meet the Presidents (ENHANCED eBook) Cindy Barden, 1996-03-01 Students will learn about the election process, fascinating facts about the men who held the office of President of the United States, as well as significant events during their lives and terms. Use this creative resource to support your lessons and bring these important historical figures to life. Barack Obama included.

Champ and Major: First Dogs Joy McCullough, 2021-01-19 A picture book about Champ and Major, President-elect Joe Biden's two adorable dogs! Major will be the first shelter dog in the White House, and Champ can't wait to show him around. Champ and Major's dad, Joe Biden, just got a really important job: He's going to be the new president of the United States! Champ is excited to go back to the White House-- he got to visit it when his dad was the vice president, before the family adopted Major, and he knows about all the important work that happens there. Major is going to be one of the first rescue dogs to live in the White House, and Champ can't wait to show his little brother around. Soon, Champ and Major will be in their new home, and they're going to bring a lot of fun with them!

Meet President Obama, 2009

The Promise Jonathan Alter, 2010-05-18 Barack Obama's inauguration as president on January 20, 2009, inspired the world. But the great promise of Change We Can Believe In was immediately tested by the threat of another Great Depression, a worsening war in Afghanistan, and an entrenched and deeply partisan system of business as usual in Washington. Despite all the coverage, the backstory of Obama's historic first year in office has until now remained a mystery. In *The Promise: President Obama, Year One*, Jonathan Alter, one of the country's most respected journalists and historians, uses his unique access to the White House to produce the first inside look at Obama's difficult debut. What happened in 2009 inside the Oval Office? What worked and what failed? What is the president really like on the job and off-hours, using what his best friend called a Rubik's Cube in his brain? These questions are answered here for the first time. We see how a surprisingly cunning Obama took effective charge in Washington several weeks before his election, made trillion-dollar decisions on the stimulus and budget before he was inaugurated, engineered colossally unpopular bailouts of the banking and auto sectors, and escalated a treacherous war not long after settling into office. *The Promise* is a fast-paced and incisive narrative of a young risk-taking president carving his own path amid sky-high expectations and surging joblessness. Alter reveals that it was Obama alone—feeling lucky—who insisted on pushing major health care reform over the objections of his vice president and top advisors, including his chief of staff, Rahm Emanuel, who admitted that I begged him not to do this. Alter takes the reader inside the room as Obama prevents a fistfight involving a congressman, coldly reprimands the military brass for insubordination, crashes the key meeting at the Copenhagen Climate Change conference, and realizes that a Senate candidate's gaffe about baseball in a Massachusetts special election will dash the big dream of his first year. In Alter's telling, the real Obama is an authentic, demanding, unsentimental, and sometimes overconfident leader. He adapted to the presidency with ease and put more points on the board than he is given credit for, but neglected to use his leverage over the banks and failed to connect well with an angry public. We see the famously calm president cursing leaks, playfully trash-talking his advisors, and joking about even the most taboo subjects, still intent on redeeming more of his promise as the problems mount. This brilliant blend of journalism and history offers the freshest reporting and most acute perspective on the biggest story of our time. It will

shape impressions of the Obama presidency and of the man himself for years to come.

Winston Meets the President Renna D. Ebron,2017-10-30 Winston votes his feelings, hopes, and dreams. These three pals will learn the purpose and importance of voting. They will be challenged to learn about each breed that is running for the worlds leader. They must make a decision to vote based on their feelings, hopes, and beliefs. Along the way, they also learn about how a bill becomes a law. You will never guess who is invited to the big White Dog House.

Barack Obama: First African American President Katie Kawa,2012-08-01 Barack Obama: First African American President is aligned to the Common Core State Standards for English/Language Arts, addressing Literacy.RI.1.8 and Literacy.L.1.2.
