**Cockroach Nation** Matt Pelfrey,2008 Synopsis: A yuppie ad-exec, Hank, finds himself lost in a dark alley where he undergoes a transformation to homelessness and insanity. He is in the longest, dirtiest alley in the city where he meets the resident of the underbelly of a world that is rocketing towards chaos. There's Boone, a self-styled leader who has adopted guerilla warfare tactics to survive in this world. His sidekick Cockroach Boy is an eerie Kafkaesque part roach like humanoid scampers on all fours, and talks in clicks, hisses, whistles and grunts. And the Trash King, a mythic being who spouts philosophical observations warning that trash will outlive us all. The wrapper outlasts the burger - the bottle outlasts the wine - the can outlasts the Coke... Cast Size: 8 Males, 4 Females

**Redneck Nation** Michael Graham,2009-11-29 A wicked concoction of down-home hilarity and scathing political satire is served up in this provocative and entertaining look at the South's pervasive influence on America from one of the nation's funniest political observers.

The Principal Navigations, Voyages, Traffiques and Discoveries of the English Nation, Made by Sea Or Ouerland, to the Remote and Farthest Distant Quarters of the Earth, at Any Time Within the Compasse of These 1600 Yeres Richard Hakluyt,1599

**Ghettonation** Cora Daniels,2008-09-09 From the Introduction: ghet-to n. (Merriam-Webster dictionary) Italian, from Venetian dialect ghèto island where Jews were forced to live; literally, foundry (located on the island), from ghetàr, to cast; from Latin jactare to throw 1: a quarter of a city in which Jews were formerly required to live 2: a quarter of a city in which members of a minority group live, especially because of social, legal, or economic pressure 3a: an isolated group a geriatric ighetto/i" bb: ghet-to adj. (twenty-first-century everyday parlance) 1a: behavior that makes you want to say "Huh?" b: actions that seem to go against basic home training and common sense 2: used to describe something with inferior status or limited opportunity. Usually used with "so." That's so ighetto/i" ; He's so ighetto/i" brb3: As current and all-consuming as "ghetto" is in these days of gold teeth, weaves (blond and red), Pepsi-filled baby bottles, and babymamas, ghetto has a long history. The original ghetto was in the Jewish quarter of Venice, a Catholic city. Before it became the Jewish quarter, this area contained an iron foundry or ghèto, hence the name. These days, ghetto no longer refers to where you live, but to how you live. It is a mindset, and not limited to a class or a race. Some things are worth repeating: ghetto is not limited to a class or a race. Ghetto is found in the heart of the nation's inner cities as well as the heart of the nation's most cherished suburbs; among those too young to understand (we hope) and those old enough to know better; in little white houses, and all the way to the White House; in corporate corridors, Ivy League havens, and, of course, Hollywood. More devastating, ghetto is also packaged in the form of music, TV, books, and movies, and then sold around the world. Bottom line: ghetto is contagious, and no one is immune, no matter how much we like to suck our teeth and shake our heads at what we think is only happening someplace else... From an award-winning journalist and cultural commentator comes a provocative examination of the impact of "ghetto" mores, attitudes, and lifestyles on urban communities and American culture in general. Cora Daniels takes on one of the most explosive issues in our country today in this thoughtful critique of America's embrace of a ghetto persona that demeans women, devalues education, celebrates the worst African American stereotypes, and contributes to the destruction of civil peace. Her investigation exposes the central role of corporate America in exploiting the idea of ghetto-ness as a hip cultural idiom, despite its disturbing ramifications, as a means of making money. She showcases Black rappers raised in privileged families who have taken on the ghetto persona and sold millions of albums, and non-Black celebrities, such as Paris Hilton, who have adopted ghetto attitudes and styles in pursuit of attention and notoriety. She explores, as well, her own relationship to the ghetto and the ways in which she is both part of and outside the Ghettonation. Infused with humor and entertaining asides—including lists of events and people that the author nominates for the Ghetto Hall of Fame, and a short section written entirely in ghetto slang—Ghettonation is a timely and engrossing report on a controversial social phenomenon. Like Bill Cosby's infamous, much-discussed comments about the problems within the Black community today, it is sure to trigger widespread interest and heated debate.

**Nation Conscious Rap** Joseph D. Eure,James G. Spady,1991

**Building the American Nation** Jerome R. Reich,Edward L. Biller,1971

**Stupid White Men** Michael Moore,2004-05-11 In the winter of 2002, Stupid White Men took America -- and the world -- by storm. Tired and skeptical of George W. Bush's high approval ating, frightened by the implications of the Enron scandal -- and generally just looking for a voice of honest dissent in the thick atmosphere of jingoism that followed 9/11 -- book buyers from coast to coast swiftly embraced Michael Moore's in-your-face anti-Bush-era manifesto, making it one of the bestselling nonfiction books of the year. With an unerring eye for greed, hypocrisy, and corruption, Michael Moore takes on the whole ugly mess of America at the dawn of the twenty-first century. Whether he's demanding U.N. action to overthrow the Bush Family Junta or calling on African Americans to place whites only signs over the entrances of unfriendly businesses, Stupid White Men is a pitch-perfect skewering of our culture of Malfeasance and Mediocrity.

**Mackinac Island Nation** Erik Deckers,2023-03-11 His wife wants to be Queen of Mackinac Island, Canada is conspiring against him, Russia is invading, and North Korea is looking to buy real estate for all the wrong reasons: where does Pete even begin? After finding a 200-year old treaty, the residents of Mackinac Island discover that they're going to be ejected from the union unless they reverse the process in two weeks. Except Congress has other priorities-hearings to hold, speeches to spew, Presidents to elect-and the process to repatriate the island will take at least two years. Enter Pete Bidwell, the reluctant President of Mackinac Island, who only

wants to keep everyone happy and return them to America's warm embrace, even if America is treating them like something on the bottom of their shoe. If that wasn't enough of a hot mess, the Russians are colluding against them and Canada is secretly conspiring- and canoodling-with Pete's wife Lucy, who wants the island to remain independent. Not to mention North Korea wants to hide a couple of nuclear weapons on the island. Two years is going to be an eternity when the whole world wants to screw you over.

**Once Proud Nation** Lynn Keith Fallis,2012-03-01 When reality finally strikes, and freedom is only a memory. When this 'Once Proud Nation' resembles East Germany after World War Two, desperate, angry people find themselves caught up in a life and death struggle to restore America.

Ghettonation Cora Daniels,2007 Offers a provocative study of the influence of ghetto attitudes, lifestyles, and mores on urban communities and American culture and critiques this persona and its attitudes towards women, education, and African-Americans.

**Stupid White Men** Michael Moore,1987 This social critic shares his views of the political, social, financial, and physical complexities of the twenty-first century, from the explosion of the tech-stock bubble to Bush's scorched-earth environmental policies.

**THE LAST YEAR OF MALCOLM X** GEORGE BREITMAN,1967  
Nation's World Zacorra Night,2010-09-01 Nation Williams grew up learning all the rules to the game from the best sources possible. Her family! Growing up in Chicago Nation had the best of everything, her mother and uncle made sure of that. Uncle Petey is one of the best pimps Chicago has to offer, and mom? **The Chained Adept (1-2)** Karen Myers,2018-01-08 Books 1-2 of The Chained Adept. 1: The Chained Adept. MEET A POWERFUL WIZARD WITH UNANSWERED QUESTION--AND AN UNBREAKABLE CHIN AROUND HER NECK. Have you ever wondered how you might rise to a dangerous situation and become the hero that was needed? The wizard Penrys has barely gained her footing in the country where she was found three years ago, chained around the neck and wiped of all knowledge. And now, an ill-planned experiment has sent her a quarter of the way around her world. One magic working has called to another and landed Penrys in the middle of an ugly war between neighboring countries, half a world away. No one has any reason to trust her amid rumors of wizards where they don't belong. And she fears to let them know just what she can do--especially since she can't explain herself to them and she doesn't know everything about herself either. Penrys has her own problems, and she doesn't have any place in this conflict. But they need her, whether they realize it or not. And so she's determined to try and lend a hand, if she can. Whatever it takes. And once she discovers there's another chained adept, even stronger than she is, she's hooked. Friend or foe, she has questions for him -- oh, yes, she does. All she wants is a firm foundation for the rest of her life, with a side helping of retribution, and if she has to fix things along the way, well, so be it. 2: Mistress of Animals. AN ERRANT CHILD WITH DISASTROUS POWERS AND NO ONE TO STAND IN HER WAY. Penrys, the wizard with a chain and an unknown past, is drafted to find out what has happened to an entire clan of the nomadic Zannib. Nothing but their empty tents remain, abandoned on the autumn steppe with their herds. This wasn't a detour she'd planned on making, but there's little choice. Winter is coming, and hundreds are missing. The locals don't trust her, but that's nothing new. The question is, can she trust herself, when she discovers what her life might have been? Assuming, of course, that the price of so many dead was worth paying for it.
