Restoring the Soul of Business Rishad Tobaccowala,2020-01-28 From old-fashioned bricks-and-mortars to cutting-edge startups, businesses are moving into uncharted territory as they determine how to move from an analog past to a digital future effectively. How can you make sure not to leave human instinct behind? Businesses are leaving behind traditional meetings in favor of virtual ones, transitioning from surveys and studies to analytics and algorithms. The startling and often unacknowledged truth is that?the promise of digital transformation can only be realized when we find a way to balance it with the promise of people.?In the end, it's the people that matter, and companies must never forget the soul that drives them. In *Restoring the Soul of Business*, business leader Rishad Tobaccowala?teaches you to: Understand how to unleash the significant benefit that can be realized by combining emotion and data, human and machine, analog and digital. Spot the warning signs of data-blinded companies: cold cultures with little human interaction, poor innovation stemming from discouraged employees who don't contribute ideas, and poor customer service due to automated, robotic processes. Explore how organizations of various sizes and from different industries have successfully reoriented their thinking on how to fuse technology and humanity. Gain skills to become an expert in connections critical to growth and success, including the connection between being creative and using technology. Everyone working in an organization will find penetrating observations and guidance about how and why establishing the proper balance between human intuition and creativity and data-driven insights can lead to increased revenue, profitability, retention—and even joy—in their careers and business. *Restoring the Soul of Business* provides practical tools and techniques that every organization can and should implement, and challenges you to move forward with the kind of balance that capitalizes transformation and produces one great success after another.

The Housewife Assassin's Antisocial Media Tips Josie Brown,2022-02-18 IN THE 21TH NOVEL OF THE HOUSEWIFE ASSASSIN SERIES: Donna and Jack are ready for their close-ups as fake-famous overnight sensations in order to expose who among several very popular social media influencers is passing U.S. state secrets to foreign agents.

Cultures in Conflict Martha R. Bireda,2010 The suspension and expulsion of ethnic minority students, especially African American males, remains a critical issue in schools today. This book addresses the root causes of racial disparity in discipline. Dr. Bireda shows how culturally conditioned beliefs and cultural misunderstanding negatively impact teacher-student relationships and interactions in the classroom.

Rust in Peace Dave Mustaine,2020-09-08 Get a behind-the-scenes look at the making of Megadeth's iconic record, *Rust in Peace*, from the band's lead vocalist and guitarist. When *Rust in Peace* was released in 1990, the future of Megadeth was uncertain. Fresh off their performance at the record-breaking Monsters of Rock festival, and with knockout new albums from Slayer, Anthrax, and Metallica dominating the charts, the pressure to produce a standout statement record was higher than ever. In *Rust in Peace: The Inside Story of the Megadeth Masterpiece*, the band's lead vocalist and

guitarist, Dave Mustaine, gives readers a never-before-seen glimpse into the artistry and insanity that went into making the band's most iconic record. He recounts the arduous task of hiring the band and supporting cast, of managing egos and extracurriculars during the album's ensuing success, and succumbing to the pressures of fame and fortune—which eventually forced the band to break up. And yet, Megadeth's demise was just the beginning; the birth pangs of the record were nothing compared to what came next. Alcohol, drugs, sex, money, power, property, prestige, the lies fed to the band by the industry—and the lies they told each other—threatened to eat away at the band's bond like rust, devouring it until only the music survived. Featuring a foreword by Slash

The Columbia Companion to American History on Film Peter C. Rollins, 2004-03-24 American history has always been an irresistible source of inspiration for filmmakers, and today, for good or ill, most Americans' sense of the past likely comes more from Hollywood than from the works of historians. In important films such as *The Birth of a Nation* (1915), *Roots* (1977), *Apocalypse Now* (1979), and *Saving Private Ryan* (1998), how much is entertainment and how much is rooted in historical fact? In *The Columbia Companion to American History on Film*, more than seventy scholars consider the gap between history and Hollywood. They examine how filmmakers have presented and interpreted the most important events, topics, eras, and figures in the American past, often comparing the film versions of events with the interpretations of the best historians who have explored the topic. Divided into eight broad categories—Eras; Wars and Other Major Events; Notable People; Groups; Institutions and Movements; Places; Themes and Topics; and Myths and Heroes—the volume features extensive cross-references, a filmography (of discussed and relevant films), notes, and a bibliography of selected historical works on each subject. *The Columbia Companion to American History on Film* is also an important resource for teachers, with extensive information for research or for course development appropriate for both high school and college students. Though each essay reflects the unique body of film and print works covering the subject at hand, every essay addresses several fundamental questions: What are the key films on this topic? What sources did the filmmaker use, and how did the film deviate (or remain true to) its sources? How have film interpretations of a particular historical topic changed, and what sorts of factors—technological, social, political, historiographical—have affected their evolution? Have filmmakers altered the historical record with a view to enhancing drama or to enhance the truth of their putative message?

Elvis Chris Miskiewicz, 2021-07-13 Legends have to start somewhere... Witness the King of Rock 'n' Roll's humble beginnings in Memphis as a young artist struggling to define his voice and break into the music industry. From the history-making Sun Studio to television sets across the nation, the trials and tribulations of Elvis Aaron Presley are explored in graphic detail by authors Chris Miskiewicz (*Grateful Dead: Origins*) and Marvel Comics artist Michael Shelfer.

Beyond Broadway Professor Stacy Wolf, 2019-11-15 The idea of American musical theatre often conjures up images of bright lights and big city, but its lifeblood is found in amateur productions at high schools, community theatres, afterschool programs, summer camps, and dinner theatres. In *Beyond Broadway*, author Stacy Wolf looks at the widespread presence and persistence of musical theatre in U.S. culture, and examines it as a social practice—a live, visceral experience of creating, watching, and listening. Why does local musical theatre flourish in America? Why do so many Americans continue to passionately engage in a century-old artistic practice that requires intense, person-to-person collaboration? And why do audiences still flock to musicals in their hometowns? Touring American elementary schools, a middle school performance festival, afterschool programs, high schools, summer camps, state park outdoor theatres, community theatres, and dinner theatres from California to Tennessee, Wolf illustrates musical theatre's abundance and longevity in the U.S. as a thriving social activity that touches millions of lives.

Cable Television Prime Time Programming, 1990-2010 Mitchell E. Shapiro, 2014-01-10 This reference work is an authoritative chronicle of prime time television programming on 20 major cable networks: A&E, ABC Family, AMC, BET, Bravo, Comedy Central, The Disney Channel, FX, GSN, HBO, Lifetime, MTV, Nickelodeon, Oxygen, Showtime, Spike, TBS, TNT, USA and VH1. These 20 represent the mass-oriented cable networks that have been most involved in airing original programming. From January 1990 through December 2010, a detailed listing for each network includes its prime time scheduling history as well as a brief description of each program and a brief "bio" of each network.

Justice and the Interstates Ryan Reft, Amanda Phillips de Lucas, Rebecca Retzlaff, 2023-01-31 Justice and the Interstates, edited by Ryan Reft, Amanda Phillips de Lucas, and Rebecca Retzlaff, examines the toll that the construction of the U.S. Interstate Highway System has taken on vulnerable communities over the past seven decades, details efforts to restore the same, often segregated communities, and makes recommendations for moving forward. Justice and the Interstates provides community advocates, transportation planners, engineers, historians, and policymakers with a concise but in-depth examination of the damages wrought by highway construction on the nation's communities of color--from West Baltimore to Birmingham to the San Gabriel Valley. The authors provide a way forward to both address this history and reconcile it with current practices.

Good Economics for Hard Times Abhijit V. Banerjee, Esther Duflo, 2019-11-12 The winners of the Nobel Prize show how economics, when done right, can help us solve the thorniest social and political problems of our day. Figuring out how to deal with today's critical economic problems is perhaps the great challenge of our time. Much greater than space travel or perhaps even the next revolutionary medical breakthrough, what is at stake is the whole idea of the good life as we have known it. Immigration and inequality, globalization and technological disruption, slowing growth and accelerating climate change--these are sources of great anxiety across the world, from New Delhi and Dakar to Paris and Washington, DC. The resources to address these challenges are there--what we lack are ideas that will help us jump the wall of disagreement and distrust that divides us. If we succeed, history will remember our era with gratitude; if we fail, the potential losses are incalculable. In this revolutionary book, renowned MIT economists Abhijit V. Banerjee and Esther Duflo take on this challenge, building on cutting-edge research in economics explained with lucidity and grace. Original, provocative, and urgent, Good Economics for Hard Times makes a persuasive case for an intelligent interventionism and a society built on compassion and respect. It is an extraordinary achievement, one that shines a light to help us appreciate and understand our precariously balanced world.

Alice + Freda Forever Alexis Coe, 2019-08-01 Alice + Freda Forever is a gut-wrenching story of love, death, and the dangers of intolerance.—Bustle In 1892, America was obsessed with a teenage murderess, but it wasn't her crime that shocked the nation—it was her motivation. Nineteen-year-old Alice Mitchell had planned to pass as a man in order to marry her seventeen-year-old fiancée Freda Ward, but when their love letters were discovered, they were forbidden from ever speaking again. Freda adjusted to this fate with an ease that stunned a heartbroken Alice. Her desperation grew with each unanswered letter—and her father's razor soon went missing. On January 25, Alice publicly slashed her ex-fiancée's throat. Her same-sex love was deemed insane by her father that very night, and medical experts agreed: This was a dangerous and incurable perversion. As the courtroom was expanded to accommodate national interest, Alice spent months in jail—including the night that three of her fellow prisoners were lynched (an event which captured the attention of journalist and civil rights activist Ida B. Wells). After a jury of the finest men in Memphis declared Alice insane, she was remanded to an asylum, where she died under mysterious circumstances just a few years later. Alice + Freda Forever recounts this tragic, real-life love story with over 100 illustrated love letters, maps, artifacts, historical documents, newspaper articles, courtroom proceedings, and intimate, domestic scenes.
