DOCAZON H&P Notebook (Paperback) Dave Muhuri,2018-01-05 Just launched! Updated and perfected with feedbacks from medical students, resident physicians and medical directors, DOCAZON H&P Notebook is the industry standard and a must-have for every medical student, resident, young doctor, physician assistant, nurse practitioner, nurses, and clinicians when seeing patients....Each sheet equals one patient! Now you can rip out a sheet without having to

worry about ripping out another patient's information. Helpful prompts without the distraction: we gray-scaled all our prompts and kept our lines thin so you can write over them as needed without feeling guilty! . . . More spaces to write notes: we have provided you with extra spaces on both sides of the sheet for all your extra notes. Now you can elaborate on your positive ROS and positive physical exam findings with detailed notes in tons of extra space. Our H&P provides space for a complete demographic data collection including sex, dob, ethnicity; identification data including name, contact, MRN, and room #. Easily id your patient from the back of the sheet with a handy extra name field. . . . Our H&P is all inclusive and detailed. Now you can take a full female hx with OB/GYN section built right into the H&P or you can use it as an extra note space for your male patients. Popular pneumonics like OPQRST, LMP RTV CS PAPS, and SIGECAPS are built right into the H&P. Popular lab orders including CBC and CMP are also built in with extra space for other labs, radiology reports, and ekg readings. Our PE section comes with detailed organ-specific exam guideline that is normal. You can check the boxes that were normal or circle the ones that were abnormal from the specific exams that were conducted. We have also included the anatomy man in the PE section so you can easily highlight the area of concern! . . . Besides serving its usual purpose of being the best H&P notebook out there for every clinician, this notebook can also be used to collect and standardize patient information for primary and advanced research, clinical projects, or neighborhood surveillance.
