Memory Games Jack Botermans,Heleen Tichler,2007-04 It's possible to train your brain, give your memory a quick pick-me-up, and alleviate the effects of aging. The mind deteriorates when it's not kept active, but this attractively illustrated workout--complete with exercises, tests, and tips--helps keep those mental muscles sharp. Each game focuses on a particular skill: language, spatial recognition, concentration, logic, structure, associative thinking, general knowledge, and more. Put seven mixed-up letters in the right order to create the correct word. Pick out the pair of planes that do not fit into a square. Try to remember the pattern in which eight roses are laid out--then turn the page and find the ninth rose that has been added. Not only are these drills memory-boosting, they're fun!

Find the Missing Things Kid's Memory Exercise Picture Game Book Adam Santon,2021-02-19 Find the Missing Things Kid's Memory Exercise Picture Game Book contains a very interesting way of developing your child's word learning and thinking ability through memory exercise games. There are pictures of 15 rooms. Every room contains various objects, starting from bedroom materials to toys and many others. From every room, there will be 1 to 3 things missings; For instance, in Room A, there are 3 scenarios: A1, A2, and A3. A1 means in room A, only 1 thing is missing; A2 means in room A, 2 things are missing and A3 means in room A, 3 things are missing. For detail, please refer to How to use this book. Your child will see the picture of a room with all the objects at first and then she has to find out the missing objects! For a little child, it is exciting and challenging. The pictures are very clear and most of the things are sight words, common objects - we see and use around us. Children have a list of words on every page! The words are from the pictures. Therefore, learning words and getting familiar with things are easy and interesting too. Finding the missing things give them a boost up of using the little brains and their memory. We strongly recommend that at first, read the How to Use This Book. You can find detailed clear instructions. Grown-ups can read and understand it by themselves. And yes, the answer key is provided!

30 Days to a More Powerful Memory Gini Graham Scott,2014-04-27 Everyone wants a better memory-and in today's information-filled, multitasking age, having a good memory is more important than ever. 30 DAYS TO A MORE POWERFUL MEMORY is designed to help anyone improve his or her memory. Besides drawing on the latest findings from brain and consciousness researchers, psychologists, and others about what works and why, it includes a variety of hands-on techniques and exercises, such as memory-building games and mental-imaging techniques. While some chapters deal with basic ways of preparing your mind and body to remember more, such as improving your overall health and well-being, the main focus is on the techniques you can use day to day to improve your memory. Plus it includes chapters on creating systems so you have memory triggers or you can reduce what you have to remember, so you can concentrate on remembering what's most important to you. It suggests committing a 30-day period to working with these techniques, while readers can select the chapters that most interest them. This 30-day period is a time to hone new memory skills and make them a regular part of one's life. The book also includes a few introductory chapters that describe how the brain works and the different types of memory that create a memory system. While the focus is on using these memory skills for work and professional development, readers can use these skills in their personal life, too. This completed book features these chapters: 1. How Your Memory Works 2. How Your Long-Term Memory Works 3. How Good Is Your Memory? 4. Creating a Memory Journal 5. Pay Attention!!! 6. Improving Your Health and Your Memory 7.
