While going in depth on his ever-evolving predictive formula, Lunardi compares great teams from different eras with intriguing results, talks to the biggest names in college basketball about their perception of Bracketology (both good and bad), and looks ahead to the future of the sport and how Bracketology will help shape the conversation. **Breaking Cardinal Rules** Katina Powell , Dick Cady, 2015-10-02 An expose of sexual recruiting tactics from the journal pages of an escort queen. Breaking Cardinal Rules is an exposé by escort Katina Powell based on her experiences providing sexual services for the basketball program at the University of Louisville. It is written with Pulitzer Prize-winning investigative journalist Dick Cady. Powell has filled five journals with details of her escort escapades, sexual encounters and her activities at the University of Louisville. Most of the U of L services she provided took place in the men's dormitory where most of the basketball players reside. Her main contact and the man with the money—the school's former director of basketball operations and former graduate assistant, Andre McGee—kept Powell and her girls busy from 2010 to 2014. Powell does not present a sympathetic character. Her life is

full of contradictions. She has no remorse over the choices she has made. Her story is true in all its graphic detail. If you think you've heard seamy tales about recruiting before, wait till you get a load of this. The Louisville high command has vowed to take the matter very seriously. It should. -Mike Lopresti, retired USA Today sports columnist
