Estie the Mensch Jane Kohuth,2011-08-23 Estie does not always like people. So when her grandmother reminds her to be a mensch, she'd rather not. She'd rather be a dog. Or a turtle. Or a seagull. Being a monkey can even make another kid laugh! But it can also make another kid cry, and that's when Estie and her grandmother find out what a mensch Estie can really be.

The First Conspiracy Brad Meltzer,Josh Mensch,2019-01-08 Taking place during the most critical period of our nation's birth, *The First Conspiracy* tells a remarkable and previously untold piece of American history that not only reveals George Washington's character, but also illuminates the origins of America's counterintelligence movement that led to the modern day CIA. In 1776, an elite group of soldiers were handpicked to serve as George Washington's bodyguards. Washington trusted them; relied on them. But unbeknownst to Washington, some of them were part of a treasonous plan. In the months leading up to the Revolutionary War, these traitorous soldiers, along with the Governor of New York, William Tryon, and Mayor David Mathews, launched a deadly plot against the most important member of the military: George Washington himself. This is the story of the secret plot and how it was revealed. It is a story of leaders, liars, counterfeiters, and jailhouse confessors. It also shows just how hard the battle was for George Washington and how close America was to losing the Revolutionary War. In this historical page-turner, New York Times bestselling author Brad Meltzer teams up with American history writer and documentary television producer, Josh Mensch to unravel the shocking true story behind what has previously been a footnote in the pages of history. Drawing on extensive research, Meltzer and Mensch capture in riveting detail how George Washington not only defeated the most powerful military force in the world, but also uncovered the secret plot against him in the tumultuous days leading up to July 4, 1776. Praise for *The First Conspiracy*: This is American history at its finest, a gripping story of spies, killers, counterfeiters, traitors?and a mysterious prostitute who may or may not have even existed. Anyone with an interest in American history will love this book. —Douglas Preston, #1 bestselling author of *The Lost City of the Monkey God* "A wonderful book about leadership?and it shows why George Washington and his moral lessons are just as vital today. What a book. You'll love it." —President George H.W. Bush "This is an important book: a fascinating largely unknown chapter of our hazardous beginning, a reminder of why counterintelligence matters, and a great read." —President Bill Clinton

Mensch Jonathan Harding,2019-06-08 WHAT SETS MODERN GERMAN COACHING APART?Germany has a reputation for being one of the best places for young footballers of all nationalities to develop, but what about those in the dugout? Speaking to different coaches and members of staff across the country, Mensch outlines attributes that modern German coaching embraces to succeed.From the practical aspects on the training ground to the collective strength of the coaching community, some of the smartest minds in the game take you closer to understanding the human aspects required to nurture young professionals. Germany's model is not perfect and constantly evolving so there's also a look at what should be the next step for Germany's coaching after a disastrous 2018 World Cup.As English players look to Germany to further their own careers, Mensch looks at what the wider football world can learn from a country and a coaching culture so clearly in love with the beautiful game.

A Kid's Mensch Handbook Scott Blumenthal,Behrman House,2004 Bring Jewish values to life with an engaging blend of mitzvot, middot, and timeless Jewish wisdom. The Book Rescuer Sue Macy,2019-10-01 Recipient of a Sydney Taylor Book Award for Younger Readers An ALA Notable Book A Bank Street Best Book of the Year "Text and illustration meld beautifully." —The New York Times "Stunning." —Kirkus Reviews (starred review) "Inspired...[a] journalistic, propulsive narrative." —Publishers Weekly (starred review) "The story comes alive through the bold acrylic and gouache art." —Booklist (starred review) From New York Times Best Illustrated Book artist Stacy Innerst and author Sue Macy comes a story of one man's heroic effort to save the world's Yiddish books in their Sydney Taylor Book Award-winning masterpiece. Over the last forty years, Aaron Lansky has jumped into dumpsters, rummaged around musty basements, and crawled through cramped attics. He did all of this in pursuit of a particular kind of treasure, and he's found plenty. Lansky's treasure was any book written Yiddish, the language of generations of European Jews. When he started looking for Yiddish books, experts estimated there might be about 70,000 still in existence. Since then, the MacArthur Genius Grant recipient has collected close to 1.5 million books, and he's finding more every day. Told in a folkloric voice reminiscent of Patricia Polacco, this story celebrates the power of an individual to preserve history and culture, while exploring timely themes of identity and immigration.

Raising Your Child to be a Mensch Neil Kurshan,1987

Mamaleh Knows Best Marjorie Ingall,2016-08-30 We all know the stereotype of the Jewish mother: Hectoring, guilt-inducing, clingy as a limpet. In *Mamaleh Knows Best*, Tablet Magazine columnist Marjorie Ingall smashes this tired trope with a hammer. Blending personal anecdotes, humor,

historical texts, and scientific research, Ingall shares Jewish secrets for raising self-sufficient, ethical, and accomplished children. She offers abundant examples showing how Jewish mothers have nurtured their children’s independence, fostered discipline, urged a healthy distrust of authority, consciously cultivated geekiness and kindness, stressed education, and maintained a sense of humor. These time-tested strategies have proven successful in a wide variety of settings and fields over the vast span of history. But you don't have to be Jewish to cultivate the same qualities in your own children. Ingall will make you think, she will make you laugh, and she will make you a better parent. You might not produce a Nobel Prize winner (or hey, you might), but you'll definitely get a great human being.

In the Shadow of Genius ,2018-11-20 Named a Gift Book for the Discerning New Yorker by The New York Times In the Shadow of Genius is the newest book by photographer and author Barbara Mensch. The author combines her striking photographs with a powerful first-person narrative. She takes the reader on a unique journey by recalling her experiences living alongside the bridge for more than 30 years, and then by tracing her own curious path to understand the brilliant minds and remarkable lives of those who built it: John, Washington, and Emily Roebling. Many of Mensch’s photographs were inspired by her visits to the Roebling archives housed at Rutgers University, where she pieced together through notebooks, diaries, letters, and drawings the seminal locations and events that affected their lives. Following in their footsteps, Mensch traveled to Mühlhausen, Germany, the birthplace of John Roebling; to Saxonburg, Pennsylvania, where Roebling established a utopian community in 1831; to Roebling aqueducts and bridges in Pennsylvania, Ohio, and New York; and to the Civil War battlefield in Gettysburg, Pennsylvania, where Washington Roebling, the son of the famous engineer, valiantly served as a Union soldier. The book begins and ends with Mensch’s unique photographs of the Brooklyn Bridge, including never-before-seen images captured deep within the structure. The book creatively fuses contemporary photography with the historical record, giving the reader a new perspective on contemplating the masterwork. Fernanda Perrone, Curator of Special Collections and the Roebling Family Archive at Rutgers University, has contributed a Foreword.

Like thousands of other Jewish families, Bert, his mother and father were all arrested and taken away. His parents were deported to a concentration camp and Bert was conscripted as a slave laborer, forced to work in a weapons factory building machine guns for the German Wehrmacht.
