LCA of an ecolabeled notebook : consideration of social and environmental impacts along the entire life cycle Andreas Ciroth,Juliane Franze,2011 This study investigates social and environmental impacts caused by an ecolabeled notebook along its entire life cycle. In order to analyse the divers effects of the laptop, a social life cycle assessment and an environmental life cycle assessment were performed in parallel. Both assessments together provide a holistic overview of positive and negative impacts in regard to social and environmental sustainability.This book contains the complete final report written by GreenDeltaTC on behalf of the Belgian Federal Public Planning Service Sustainable Development. It comprises the methodological background, the social inventory, process modifications with regard to the environmental inventory, and detailed results of the impact assessment phase. Further, a newly developed social impact assessment method is presented and applied. In addition, recommendations on company and policy level were derived.

Writing the Laboratory Notebook Howard M. Kanare,1985 Describes in general how scientists can use handwritten research notebooks as a tool to record their research in progress, and in particular the legal protocols for industrial scientists to handwrite their research in progress so they can establish priority of invention in case a patent suit arises.

Relationship Grit Jon Gordon,Kathryn Gordon,2020-09-01 Great relationships don't happen by accident—they take commitment, hard work, and grit Bestselling author Jon Gordon is back with another life-affirming book. This time, he teams up with Kathryn Gordon, his wife of 23 years, for a look at what it takes to build strong relationships. In Relationship Grit, the Gordons reveal what brought them together, what kept them together through difficult times, and what continues to sustain their love and passion for one another to this day. They candidly share their mistakes, decisions that almost destroyed their marriage, and successes so you can learn from their experiences and make your relationship stronger. If you're a fan of Jon Gordon's work, you will enjoy learning about the man behind the message, as he and Kathryn share the intimate details of their life together. The direct, transparent, and personal style will draw you in and help you see that, if you are dealing with a challenge in your life and relationship, you are not alone. Working, writing, and raising children hasn't always been easy for the Gordons, but by committing to one another and embracing the principles of G. R. I. T., they emerged from their darkest moments and built a deep and lasting love. In Relationship Grit, they speak candidly about what they have learned and how you can develop the grit to build beautiful relationships. Discover—in their own words—what Jon and Kathryn have learned about staying together during their 23-year marriage Learn the four principles of G. R. I. T. that you can embrace today to build the high quality relationships you want and deserve Find the strength you need to confront your past, overcome your flaws, and change for the better to improve you and your relationship. Embrace the Gordons' practical advice including 22 quick tips for a great relationship—11 from Kathryn and 11 from Jon—and start making your relationship the best it can be Relationships—particularly marriages—are about imperfect people coming together to work on their individual flaws and emerge stronger together. Relationship Grit will inspire and motivate you to engage in this remarkable and rewarding process.

Popular Science ,1945-08 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Ethics in Psychology and the Mental Health Professions Gerald P. Koocher,Patricia Keith-Spiegel,2016 Revised edition of the authors' Ethics in psychology and the mental health professions, 2008.

My Christmas Wish Jeannie Moon,2021-11-03 It's Christmastime in Compass Cove and love is in the air... With her well-connected Long Island family, an exciting job as a London art dealer, and a brilliant, attentive boyfriend, Natalie Miller's life was golden. Until it wasn't. No one knows about the anxiety that drives her, the loyalty forcing her to make impossible choices, or the secrets consuming her. Now back in Compass Cove, Natalie is fielding questions from her family about what brought her home and longs for the life—and the love—she left

behind. University professor and aristocrat James Phillips prides himself on understanding people, so it mystifies him when the love of his life leaves London—and him—without explanation. When an opportunity to work at a small college in Natalie's backyard arises, James jumps at the chance to move across the pond, willing to do whatever it takes to win back the heart of the woman he loves. Can the magic of Compass Cove at the most wonderful time of the year help James and Natalie find their way back to each other?

Physics of Light and Optics (Black & White) Michael Ware, Justin Peatross, 2020

SysML Distilled Lenny Delligatti, 2014 SysML Distilled is a go-to reference for everyone who wants to start creating accurate and useful system models with SysML. Drawing on his pioneering experience creating models for Lockheed Martin and NASA, Lenny Delligatti illuminates SysML's core components, and shows how to use them even under tight deadlines and other constraints. The reader needn't know all of SysML to create effective models: SysML Distilled quickly teaches what does need to be known, and helps deepen the reader's knowledge incrementally as the need arises.

Epiphany Jones Michael Grothaus, 2016-05-01 ****LONGLISTED for the CWA John Creasey NEW BLOOD Dagger****

****LoveReading BOOK of the MONTH**** 'Gloriously funny but dark as hell, you will laugh and recoil in equal measure' Sunday Express 'By turns comic and shocking, an extraordinary debut from a striking new voice' Michael Marshall Smith 'Complex, inventive and a genuine shocker, this is the very opposite of a comfort read' Guardian

Jerry has a traumatic past that leaves him subject to psychotic hallucinations and depressive episodes. When he stands accused of stealing a priceless Van Gogh painting, he goes underground, where he develops an unwilling relationship with a woman who believes that the voices she hears are from God. Involuntarily entangled in the illicit world of sex-trafficking amongst the Hollywood elite, and on a mission to find redemption for a haunting series of events from the past, Jerry is thrust into a genuinely shocking and outrageously funny quest to uncover the truth and atone for historical sins. A complex, page-turning psychological thriller, riddled with twists and turns, Epiphany Jones is also a superb dark comedy with a powerful emotional core. You'll laugh when you know you shouldn't, be moved when you least expect it and, most importantly, never look at Hollywood, celebrity or sex in the same way again. This is an extraordinary debut from a fresh, exceptional new talent.

'One of the 25 Most Irresistible Hollywood Novels' Entertainment Weekly 'Engrossing ... a captivating story that manages to be funny, sinister and surprising' New York Daily News 'A thrilling and highly original debut that cuts to the dark heart of celebrity and pornography. Michael Grothaus is one to watch' Eva Dolan 'Startling, inventive, funny and disturbing, compelling and oddly beautiful – Epiphany Jones is a novel that marks the arrival of a truly talented writer' Kevin Wignall 'A scabrously funny and thrillingly original book about atoning for past sins and indiscretions' David F. Ross 'The emotional range is astounding – Grothaus is an exceptional talent' J M Hewitt 'A truly impressive debut by a London-based American journalist who has investigated both Hollywood and the sex trade and uses his research to best effect in a twisting tale at the same time realistically gripping and sardonic ... Grothaus writes with a delicate fluency that contrasts with the depravity of his subject matter. Humour and emotions: what more could you ask for in a thriller?' Maxim Jakubowski, LoveReading 'A real seat-of-the-pants read, and utterly uncompromising. It's graphic, visceral, mordantly funny, thought-provoking and at times profoundly moving. It's not for all, but it was certainly all for this one. I absolutely loved it' Raven Crime Reads

Acceptance Emi Nietfeld, 2023-08-01 "Nietfeld's gifts for capturing the fury of living at the mercy of bad circumstances, for critiquing the hero's journey even while she tells it, make Acceptance a remarkable memoir." –The New York Times Book Review A hard-hitting and hilarious memoir of ambition, desperation, and the dark side of grit Growing up in a house filled with dirty feather boas and fearless mice, Emi Nietfeld dreams of escaping to the Ivy League. Emi's single mom believes in her, but can't stop hoarding—catapulting Emi into the underworld of troubled teen treatment, foster care, and homelessness. When her shot arrives to trade sleeping in her car for the hallowed halls of an elite college, Emi must decide: How far will she go to market herself as a perfect "overcomer" when her problems are far from over? And what will it cost to maintain that illusion at Harvard and into adulthood? From journalist, mental health advocate, and software engineer Emi Nietfeld, this searing coming-of-age story is both a chronicle of the American Dream and an indictment of it. Exposing the price of trading a troubled past for the promise of a bright future, Nietfeld explores whether any amount of success can make trauma worth it. With a ribbon of dark humor, Acceptance challenges our ideas of what it means to overcome—and live on your own terms.

ESG and Responsible Institutional Investing Around the World: A Critical Review Pedro Matos, 2020-05-29 This survey examines the vibrant academic literature on environmental, social, and governance (ESG) investing. While there is no consensus on the exact list of ESG issues, responsible investors increasingly assess stocks in their portfolios based on nonfinancial data on environmental impact (e.g., carbon emissions), social impact (e.g., employee satisfaction), and governance attributes (e.g., board structure). The objective is to reduce exposure to investments that pose greater ESG risks or to influence companies to become more sustainable. One active area of research at present involves assessing portfolio risk exposure to climate change. This literature review focuses on institutional investors, which have grown in importance such that they have now become the largest holders of shares in public companies globally. Historically, institutional investors tended to concentrate their ESG efforts mostly on corporate governance (the "G" in ESG). These efforts included seeking to eliminate provisions that restrict shareholder rights and enhance managerial power, such as staggered boards, supermajority rules, golden parachutes, and poison pills. Highlights from this section: · There is no consensus on the exact list of ESG issues and their materiality. · The ESG issue that gets the most attention from institutional investors is climate change, in particular their portfolio companies' exposure to carbon risk and "stranded assets." · Investors should be positioning themselves for increased regulation, with the regulatory agenda being more ambitious in the European Union than in the United States. Readers might come away from this survey skeptical about the potential for ESG investing to affect positive change. I prefer to characterize the current state of the literature as having a "healthy dose of skepticism," with much more remaining to be explored. Here, I hope the reader comes away with a call to action. For the industry practitioner, I believe that the investment industry should strive to achieve positive societal goals. CFA Institute provides an exemplary case in its Future of Finance series (www.cfainstitute.org/research/future-finance). For the academic community, I suggest we ramp up research aimed at tackling some of the open questions around the pressing societal goals of ESG investing. I am optimistic that practitioners and academics will identify meaningful ways to better harness the power of global financial markets for addressing the pressing ESG issues facing our society.

Paper Towns John Green, 2013 Quentin Jacobson has spent a lifetime loving Margo Roth Spiegelman from afar. So when she cracks open a window and climbs into his life - dressed like a ninja and summoning him for an ingenious campaign of revenge - he follows. After their all-nighter ends, Q arrives at school to discover that Margo has disappeared.
