Body Lines Jillian Bartlett, Cathi Joseph, 1991 An anthology of women's responses to the body, containing critical, literary and anecdotal contributions in the form of poetry, short stories, drama, essays, photographs and drawings. Bodies are considered in a physical and conceptual sense, both individually and in relation to others. Includes biographical notes on all 55 contributors.

Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Baghead Jarrett J. Krosoczka, 2012-11-28 From the author of National Book Award finalist *Hey, Kiddo*. From the author of *Good Night, Monkey Boy*, the hilarious tale of a haircut gone awry! One day Josh had a big, brown bag idea: to wear a paper bag over his head. He thought it was a good idea. His mother did not. Neither did his bus driver, his teacher, or his soccer coach. What could Josh possibly be hiding? A surprise ending will keep kids giggling—and from taking haircuts into their own hands!

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Sissy Dreams: From Boyfriend to Girlfriend Paul Zante, Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

Overcoming School Refusal Joanne Garfi, 2018-01-31 School refusal affects up to 5% of children and is a complex and stressful issue for the child,

their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. *Overcoming School Refusal* helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

Warhol-isms Andy Warhol, 2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—"In the future, everyone will be world-famous for 15 minutes." *Warhol-isms* separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well. I went to [a psychiatrist] once, and he never called me back. They always say that time changes things, but you actually have to change them yourself. I've never met a person I couldn't call a beauty. New things are always better than old things. I'm still a commercial artist. I was always a commercial artist.

Beat the Crowd Kenneth L. Fisher, Elisabeth Dellinger, 2015-03-30 Train your brain to be a real contrarian and outsmart the crowd *Beat the Crowd* is the real contrarian's guide to investing, with comprehensive explanations of how a true contrarian investor thinks and acts – and why it works more often than not. Bestselling author Ken Fisher breaks down the myths and cuts through the noise to present a clear, unvarnished view of timeless market realities, and the ways in which a contrarian approach to investing will outsmart the herd. In true Ken Fisher style, the book explains why the crowd often goes astray—and how you can stay on track. Contrarians understand how headlines really affect the market and which noise and fads they should tune out. *Beat the Crowd* is a primer to the contrarian strategy, teaching readers simple tricks to think differently and get it right more often than not. Discover the limits of forecasting and how far ahead you should look Learn why political controversy matter less the louder it gets Resurrect long-forgotten, timeless tricks and truths in markets Find out how the contrarian approach makes you right more often than wrong A successful investment strategy requires information, preparation, a little bit of brainpower, and a larger bit of luck. Pursuit of the mythical perfect strategy frequently lands folks in a cacophony of talking heads and twenty-four hour noise, but *Beat the Crowd* cuts through the mental clutter and collects the pristine pieces of actual value into a tactical approach based on going against the grain.

A People's History of the Vampire Uprising Raymond A. Villareal, 2018-06-05 In this ambitious and wildly original debut -- part social-political satire, part international mystery -- a new virus turns people into something a bit more than human, upending society as we know it. This panoramic fictional oral history begins with one small mystery: the body of a young woman found in an Arizona border town, presumed to be an illegal immigrant, disappears from the town morgue. To the young CDC investigator called in to consult with the local police, it's an impossibility that threatens her understanding of medicine. Then, more bodies, dead from an inexplicable disease that solidified their blood, are brought to the morgue, only to also vanish. Soon, the U.S. government -- and eventually biomedical researchers, disgruntled lawmakers, and even an insurgent faction of the

Catholic Church -- must come to terms with what they're too late to stop: an epidemic of vampirism that will sweep first the United States, and then the world. With heightened strength and beauty and a steady diet of fresh blood, these changed people, or Gloamings, rapidly rise to prominence in all aspects of modern society. Soon people are beginning to be re-created, willingly accepting the risk of death if their bodies can't handle the transformation. As new communities of Gloamings arise, society is divided, and popular Gloaming sites come under threat from a secret terrorist organization. But when a charismatic and wealthy businessman, recently turned, runs for political office -- well, all hell breaks loose. Told from the perspective of key players, including a cynical FBI agent, an audacious campaign manager, and a war veteran turned nurse turned secret operative, *A People's History of the Vampire Uprising* is an exhilarating, genre-bending debut that is as addictive as the power it describes.

The Berenstain Bears' Baby Easter Bunny Jan Berenstain, Mike Berenstain, 2008-01-22 Join the Berenstain Bears on their latest lift-the-flap adventure! On Easter morning, the cubs find the best surprise of all in their Easter basket: a tiny baby bunny. When the Bear family goes on an Easter egg hunt, the bunny has an idea of its own. It wants to find other Easter babies! Join Brother, Sister, and the baby Easter bunny as they explore flower patches, leafy bushes, and even Farmer Ben's chicken coop in search of spring babies. Flaps on each page open to reveal a different animal family hiding underneath!

Tropical Plant Science G. K. Berrie, A. Berrie, J. M. O. Eze, 1987

Good News for Children, Sheri Dunham Haan, 1974-12-01 A simplified retelling of stories from the Bible.

The Sixth Station Linda Stasi, 2013-12-01 Some say Demiel ben Yusef is the world's most dangerous terrorist, personally responsible for bombings and riots that have claimed the lives of thousands. Others insist he is a man of peace, a miracle worker, and possibly even the Son of God. His trial in New York City for crimes against humanity attracts scores of protestors, as well as media and religious leaders from around the world. Cynical reporter Alessandra Russo heads to the UN hoping for a piece of the action, but soon becomes entangled in controversy and suspicion when ben Yusef singles her out for attention among all other reporters. As Alessandra begins digging into ben Yusef's past, she is already in more danger than she knows—and when she is falsely accused of murder during her investigation, she is forced to flee New York. On the run from unknown enemies, Alessandra finds herself on the trail of a global conspiracy and a story that could shake the world to its foundations. Is Demiel ben Yusef the Second Coming or the Antichrist? The truth may lie in the secret history of the Holy Family, a group of Templars who defied the church, and a mysterious relic stained with the sacred blood of Christ Himself.
