

Mermaid

Enid C. King, Hans Christian Andersen

The Little Mermaid Eric Braun, 2020 A choose-your-own-adventure in which the reader can proceed as a singer with a band, a gardener for the rich and famous, or a friend to a mermaid in a modern version of the classic fairy tale. Includes a history of *The Little Mermaid*.

The Mermaid's Quest J. D. Manders, 2015-11-13 When their father comes back from war, Sarah and Lily visit the beach on vacation with their family. Soon they find themselves in a new magical adventure. Following a mermaid past the tide, they enter the beautiful ocean realm of the merpeople. There they learn that a Sand Wizard has moved into the sandcastle they built! Enlisted to help the mermaids fight this new evil, Sarah and Lily go on an underwater adventure that takes them through the Bermuda Triangle, across Atlantis, and down the great Abyss to the bottom of the sea. As a hurricane threatens to wash them away, Sarah and Lily must navigate the sandcastle and finally face the terrible Sand Wizard before they fall asleep. Written by a deployed U.S. Soldier to connect with his children, the story is a sequel to *The Fairy Child*.

The Mermaid's Mirror L. K. Madigan, 2017-01-18 Lena has lived her whole life near the beach – walking for miles up and down the shore and breathing the salty air, swimming in the cold water, and watching the surfers rule the waves – the problem is, she's spent her whole life just watching. As her sixteenth birthday approaches, Lena vows she will no longer watch from the

sand: she will learn to surf. But her father – a former surfer himself – refuses to allow her to take lessons. After a near drowning in his past, he can't bear to let Lena take up the risky sport. Yet something lures Lena to the water ... an ancient, powerful magic. One morning Lena catches sight of this magic: a beautiful woman – with a silvery tail. Nothing will keep Lena from seeking the mermaid, not even the dangerous waves at Magic Crescent Cove. And soon ... what she sees in the mermaid's mirror will change her life ...

Mermaid Carolyn Turgeon, 2011-03-01 A surprising take on Hans Christian Anderson's classic tale, *Mermaid* is the story of two women with everything to lose. Princess Margrethe has been hidden away while her kingdom is at war. One gloomy, windswept morning as she stands in a convent garden overlooking the icy sea, she witnesses a miracle: a glittering mermaid emerging from the waves, a nearly drowned man in her arms. By the time Margrethe reaches the shore, the mermaid has disappeared into the sea. As Margrethe nurses the handsome stranger back to health, she learns that not only is he a prince, he is also the son of her father's greatest rival. Sure that the mermaid brought this man to her for a reason, Margrethe devises a plan to bring peace to her kingdom. Meanwhile, the mermaid princess Lenia longs to return to the human man she carried to safety. She is willing to trade her home, her voice, and even her health for legs and the chance to win his heart... Beautifully written and compulsively readable, *Mermaid* will make you think twice about the fairytale you heard as a child, keeping you in suspense until the very

last page.

The Little Mermaid Enid C. King,Hans Christian Andersen,1981-01-06 The classic tale of The Little Mermaid.

How to Catch a Mermaid Adam Wallace,2018-07-17 An enchanting mermaid tale from the New York Times and USA Today bestselling How to Catch series, the perfect Easter basket stuffer for kids! Many claim to have caught a mermaid, but can YOU? Perfect for mermaid lovers, summer reading, and gifts for kids ages 4-10, this funny mermaid picture book offers an irresistible under-the-sea adventure that parents, educators, and children will love! Brimming with fun STEAM-based traps, clever rhymes, and plenty of laughs to share in at-home and classroom read alouds, this magical story makes a perfect stocking stuffer and birthday, Easter, or back to school gift for kids and mermaid lovers alike! How do you catch a mermaid? You must be very clever. With mirrors, crowns, and pearls galore, this quest can't last forever! Also in the How to Catch Series: How to Catch a Unicorn How to Catch a Yeti How to Catch a Dinosaur How to Catch a Dragon How to Catch a Monster and more!

The Mermaid Moon Briony May Smith,2022-10-04 In this magical picture book perfect for all young mermaid lovers, two best friends--one who lives on land, the other in the water--share an exciting adventure on the night of the Mermaid Moon: the one time each year mermaids can leave the sea. Once, there were two best friends. One was from the sea, a mermaid named Merrin, and one was from the land, a human named Molly. Of course Merrin has never been to

Molly's house; how can she visit when she must stay underwater? But then comes the night of the Mermaid Moon, when sea creatures can fly through the air! And this year, Merrin is finally old enough to join in. Together she and Molly visit the Mermaid Moon festival, eat ice cream, and ride on a swing in Molly's backyard. But when it is time for Merrin to leave--the moon is sinking toward the sea--she is unable to get down from a tree the girls have climbed. And if she doesn't get back home before the moon sets, the Mermaid Moon magic will disappear from the earth forever. Here is a delightful and dramatic picture book that makes every girl's dream of being friends with a mermaid come true!

The Magical Mermaid and the Moon Angiah Harris, 2020-10-27 No matter how dark it may seem, light finds a way to shine through, the mermaid king tells his daughter, and as she explores his undersea kingdom, she never doubts his words. In the days before the moon and tides exist, the kingdom is at peace. Singing fills the streets, and the subjects thrive under the reign of their king, queen, and princess. Then a shocking betrayal robs the kingdom of light, silences all singing, and plunges the mermaid princess into grief and despair. As her world falls apart, she faces questions she never expected to ask. Can she alone sing loudly enough to defeat fear? What light could shine brightly enough to overcome the darkness? Two unexpected encounters teach her surprising lessons about love, hope, and forgiveness. Along her journey toward freedom for herself and her people the truth becomes clear: if her

kingdom will ever be restored to its former glory, the entire world will have to change.

The Little Mermaid J. M. Farkas, 2021-08-31 A blackout poetry version of the classic fairy tale The Little Mermaid, offering a new, spare, and lovely tale of empowerment, body acceptance, and knowing where you belong You know the story of the Little Mermaid—the girl who traded her tail for legs, her beloved sea for sand, to land the prince. Or do you? In this refreshingly subversive blackout poetry version of the classic fairy tale, a new and empowering message emerges from the depths: our girl pines for land and that prince, but this daughter of water discovers she loves the sea and her body—mermaid tail and all—more.

Scaled for Success Philip Hayward, 2018-07-26 “This wonderful book asks us to consider the mermaid . . . across regions, nations, diasporas, and contemporary socio-cultural configurations.” —Paige West, Claire Tow Professor of Anthropology, Barnard College, Columbia University Emerging from the confluence of Greco-Roman mythology and regional folklore, the mermaid has been an enduring motif in Western culture since the medieval period. It has also been disseminated more widely, initially through Western trade and colonization and, more recently, through the increasing globalization of media products and outlets. Scaled for Success offers the first detailed overview of the mermaid’s dispersal outside Europe. Complementing previous studies of the interrelationship between the mermaid and Mami Wata spirit in

West Africa, this volume addresses the mermaid's presence in a range of Middle Eastern, Asian, Australian, Latin American and North American contexts. Individual chapters identify the manner in which the mermaid has been variously syncretized and/or resignified in contexts as diverse as Indian public statuary, Thai cinema and Coney Islands annual Mermaid Parade. Rather than lingering as a relic of a bygone age, the mermaid emerges as a versatile, dynamic and, above all, polyvalent figure. Her prominence exemplifies the manner in which contemporary media-lore has extended the currency of established folkloric figures in new and often surprising ways. Analyzing aspects of religious symbolism, visual art, literature and contemporary popular culture, this copiously illustrated volume profiles an intriguing and highly diverse phenomenon. "No matter the reader's background (literature, folklore, media or cultural studies, and beyond), there is no denying that this work will be a valuable addition to the library of anyone fascinated with mermaids." –Western Folklore

Julián Is a Mermaid Jessica Love, 2019-06-18 In an exuberant picture book, a glimpse of costumed mermaids leaves one boy flooded with wonder and ready to dazzle the world. While riding the subway home from the pool with his abuela one day, Julián notices three women spectacularly dressed up. Their hair billows in brilliant hues, their dresses end in fishtails, and their joy fills the train car. When Julián gets home, daydreaming of the magic he's seen, all he can think about is dressing up just like the ladies in his own

fabulous mermaid costume: a butter-yellow curtain for his tail, the fronds of a potted fern for his headdress. But what will Abuela think about the mess he makes – and even more importantly, what will she think about how Julián sees himself? Mesmerizing and full of heart, Jessica Love's author-illustrator debut is a jubilant picture of self-love and a radiant celebration of individuality.

To Catch a Mermaid Suzanne Selfors, 2009-02-01 Boom Broom doesn't think his life could get any worse. Ever since his mother was swept away by a twister, his family has gone crazy. They refuse to leave the house and Boom and his sister Mertyle are looked after by Halvor, the Viking descendant who rents the room over their garage. When Boom finds a baby mermaid who seems to grant unlimited wishes, he thinks his luck has turned around. That is, until his sister is hit by the curse of the merfolk. Now Boom and his best friend Winger must find a way to return the merbaby to its mother and save Mertyle before it is too late.

Third Grade Mermaid Peter Raymundo, 2017-01-31 For fans of The Dork Diaries comes a new and heavily illustrated chapter book series about a fiery third grade mermaid who thinks she wants to be where the shimmery Sirens are! Cora is a small mermaid with a BIG personality. But like so many mermaids in the third grade, she is struggling to truly be herself. She wants to be like the Singing Sirens, the most glamorous swim team in the sea. Unfortunately, an annoying road--er, seablock--keep getting in her way. When Cora fails her

spelling test, her coach says she can't be on the team unless she gets an A on the next one! Can Cora conquer her spelling test, make the swim team, AND stay true to herself at the same time?

Mermaid Reef (Secret Kingdom #4) Rosie Banks, 2014-07-29 Enter a magical world full of friendship and fun! Ellie, Summer, and Jasmine are diving into a magical adventure deep beneath the sea! When Queen Malice hides one of her awful thunderbolts on Mermaid Reef, it threatens to ruin the Sound of the Sea competition. Can the girls save the competition and the famous Wishing Pearl before it's too late?

Operation Mermaid: The Project Kraken Incident Joseph McGarry, 2015-12-28 It is May 2026 when a strange anomaly transforms thousands of women around the world into mermaids. As Homeland Security agents begin investigating, they record their observations in a classified United States government report. There is no question that Operation Mermaid, originally founded in 1949, is back in full swing. Days later as several mermaids practice swimming in the open water, one finds a relic inside a shipwreck. Inside are plans for an abandoned Cold War era weapon known as Project Kraken. As a scientist's true identity is revealed, a Second Transformation rocks the world, increasing the size and scope of the mermaid population once again. As relationships change between mermaids, sirens, and the government, only time will tell if a worldwide disaster has been averted. In this intriguing science fiction tale, the lives of newly-initiated mermaids are intertwined with a failed Cold War

project, leaving government agents to solve a complex puzzle.

Soraya and the Mermaid Salima Alikhan, 2021-04-06 It's not easy being the weirdest kid in fourth grade. Soraya finds her escape reading comic books about a space superhero who saves the day. But everything changes when Soraya's class goes on a field trip to an aquarium. Is that really a mermaid in the big tank, talking to Soraya and asking for her help? Can Soraya rise to the occasion and save the day like her superhero idol?

The Mermaid's Tale D.G. Valdron, 2016 THE MERMAID'S TALE In a city of majesty and brutality, of warring races and fragile alliances, a sacred Mermaid has been brutally murdered. An abomination, a soulless Orc is summoned to hunt the killer. As the world around the Orc drifts into war and madness, her search for justice leads her on a journey to discover redemption and even beauty in the midst of chaos. He said the Arukh only had one word. It was their word for rage and for pain, for fighting and dying. It was a word spoken in sorrow and anger. It was the word they said to a world that didn't want them, that had no place for them. It was loneliness and defiance and in the end it was sorrow and surrender. 'Arrah' he told me, it was all the words the Arukh needed. "This book is violent and brutal and haunting and beautiful. If I could give this a sixth star, I would - Michael R. Fletcher, Author of Beyond Redemption D.G. Valdron is an utterly fearless writer. Frankly, I think he's one of the most original writers available today. -- Amazing Stories Online "The Mermaid's Tale is a fable of personhood wrapped

in a murder mystery framed by a fantasy setting, peopled by familiar races that are presented in subtly original ways.” – Melanie Martila “I absolutely loved this book; it's already one I know I'll remember for a long time. I would never have thought a book about an orc would be one of the best existential works I've ever read.” - - Julia Pike-kelly

The Little Mermaid Hans Christian Andersen, 2019-12-27 At the bottom of the ocean lived the sea king, his old mother and his six daughters. They lived in a beautiful castle, surrounded by a big garden, of which each daughter took care of a small corner. The little mermaid, the youngest and most beautiful of the princesses, liked nothing more than stories of men and in her garden she had a marble statue of a handsome youth, which had sunk below down after a shipwreck. On the day of their fifteenth birthday, the young mermaids had the right to swim to the surface to see the world above and the little mermaid listened with pleasure to the stories her sisters told when they came back from these visits. She waited impatiently for her turn to come. Hans Christian Andersen (1805-1875) was a Danish author, poet and artist. Celebrated for children's literature, his most cherished fairy tales include The Emperor's New Clothes, The Little Mermaid, The Nightingale, The Steadfast Tin Soldier, The Snow Queen, The Ugly Duckling and The Little Match Girl. His books have been translated into every living language, and today there is no child or adult that has not met Andersen's whimsical characters. His fairy tales have been adapted to stage and screen countless times, most notably by

Disney with the animated films The Little Mermaid in 1989 and Frozen, which is loosely based on The Snow Queen, in 2013. Thanks to Andersen's contribution to children's literature, his birth date, April 2, is celebrated as International Children's Book Day.

The Mermaid and the Golden Comb Alastair Macleod, 2018-04-13 There is, they say, a mermaid in all women. Others say mermaids are the creation of the mind of men. But that is for others to debate. Mermaids have existed now in fable and legend for millenia, but there likely was a time when mermaids did not have a golden comb nor a mirror; they made do, as many women do today, with what was around them. Not all Rock Trolls are bad - this short story reminds us that the mountains we love need us. Heather Blether - a story of that mysterious island of the Fin Folk

Silent Mermaid: a Retelling of the Little Mermaid Brittany Fichter, 2017-04-04 How does a silent mermaid win a war of song? How does she break the siren song of another that holds her beloved captive? After being touched by the sun at birth, Princess Arianna has grown up imprisoned between two worlds, neither fully mermaid nor fully human. Her life is one of solitude and dreams. But when she loses her family and her kingdom in a war between man and merfolk, she is forced to flee into the arms of the very people who want nothing to do with her kind. Her only hope of protection lies in the penniless prince that she once saved and his two boisterous nieces. Prince Michael is at his wit's end. After the great maritime war, he

must clean up the pieces of neglect, folly, and evil that his grandfather has left behind. With his people starving and his treasury nearly empty, the familiar girl from the past that falls piteously at his feet cannot be afforded his attention. He has only the resources and time for the barest of good deeds to pay back that which she gave him. But the more Michael begins to hear the girl beneath her silence, the more he realizes she just might be the distraction he cannot survive without. Buy Silent Mermaid to escape into the world of the Classical Kingdoms Collection, a set of fairy tale retellings for grownups who still believe in sacrifice, true love, and the magic of happily-ever-afters. Silent Mermaid is fifth in the Classical Kingdoms Collection but can be read as a stand-alone book.

This book delves into Mermaid. Mermaid is a crucial topic that must be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Mermaid, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to Mermaid
- Chapter 2: Essential Elements of Mermaid
- Chapter 3: Mermaid in Everyday Life

- Chapter 4: Mermaid in Specific Contexts
 - Chapter 5: Conclusion
2. In chapter 1, the author will provide an overview of Mermaid. This chapter will explore what Mermaid is, why Mermaid is vital, and how to effectively learn about Mermaid.
 3. In chapter 2, the author will delve into the foundational concepts of Mermaid. The second chapter will elucidate the essential principles that must be understood to grasp Mermaid in its entirety.
 4. In chapter 3, this book will examine the practical applications of Mermaid in daily life. This chapter will showcase real-world examples of how Mermaid can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of Mermaid in specific contexts. The fourth chapter will explore how Mermaid is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, the author will draw a conclusion about Mermaid. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Mermaid.
