Stay Positive Jon Gordon, Daniel

Decker, 2019-11-26 Fuel yourself and others with positive energy—inspirational quotes and encouraging messages to live by from bestselling author, Jon Gordon. Ever since he wrote the mega bestseller *The Energy Bus*, Jon Gordon has been sharing inspirational messages and encouragement via his talks, books, and social media posts. After many requests to create a collection of his quotes, Jon teamed up with his long-time friend, Daniel Decker, to create *Stay Positive*. *Stay Positive* is more than a book of positive quotes. This book is a resource you can turn to each day for encouragement to help you take on your daily challenges, pursue your goals and dreams, and create positive momentum in your life. The power of positive thoughts is not about being Pollyanna Positive; it's the real stuff that makes a proven difference in your perspective and life. After all, we don't give up because it's hard; we give up because we get discouraged. By fueling yourself with encouragement and positive energy, you'll have greater power to overcome negativity, neutralize the naysayers, and conquer adversity. *Stay Positive* is more than a phrase. It's an approach to life that says when you get knocked down, you'll get back up and find a way forward one faithful step and optimistic day at a time. Start your day with a message from the book, or pick it up anytime you need a mental boost. You can start from the beginning, or open the book to any page and find a message that speaks to you. However you decide to use *Stay Positive*, it's a

go-to resource for anyone wanting to inject a healthy dose of positivity into their life.

Creating Positive Ripples: 100 Messages of Encouragement Malcolm Varner, 2012-07-29 Creating Positive Ripples: 100 Messages of Encouragement is truly a source of personal inspiration. Life is hard sometimes, but that doesn't mean you have to give up, quit trying, or deny yourself the opportunity to get up and dust yourself off after falling down. Through the 100 positive messages that make up Creating Positive Ripples, you will be encouraged to reflect upon various lessons and wisdom inspired from the reality of life itself. No matter who you are, what you are dealing with, and what you may have done, each moment you live provides you with the opportunity to make improvements toward your ideal self. With a positive attitude and outlook your possibilities are as you live are truly endless. Written by writer and mental health advocate, Malcolm O. Varner, this books will hopefully motivate you to create your own positive ripples to make far reaching impacts in this great sea we call life.

77 Positive Poetic Gospel Messages Joseph Conboy, 2016-06-28 Reader's will experience a little taste of truth and Heaven when reading this book. The book was written by a clinically depressed person and started out as positive songs to help him and others get through rough times in life. The songs then turned into short messages and stories that he thought would be a helpful guide for everyone during these last days: to inspire, comfort, and make one aware of the world around them today. It serves as a tool to get people strong with the word when they need it the most. The works can engage people of all ages. Anyone can help change and inspire the world no matter their struggles, as struggles only truly do make us stronger. This book is intended to give a message for the day or week, and then bunches together and compiles scripture pertaining to that message. The word will keep you strong, while using different methods to get that word across to keep it fun and feeling new. No matter if one is a new or committed devout Christian; the book gives people the meat and cheese surrounded by the bread of life (Jesus Christ) to help one stay strong. The messages can be used for Gospel songs to help inspire and lift up as well. We all make mistakes, so we can learn firmly how to always overcome them, along with those bumps in the road. A poetry book with many metaphors that will make you want to take another look, as the writer shows how he

was once a part of sins hook, and still needs himself a daily look at the word during these perilous times. (2Timothy 3:1-2)

Positive Quotes for Every Day Patricia Lorenz,2010-01-01 Positive Quotes for Every Day contains an inspiring quote for each day of the year, and each quote is followed by a reflection and an action step to help keep the reader focused on the positive throughout the year. My Year of Rest and Relaxation Ottessa Moshfegh, 2019-06-25 Named a Best Book of the Year by The Washington Post, Time, NPR, Amazon, Vice, Bustle, The New York Times, The Guardian, Kirkus Reviews, Entertainment Weekly, The AV Club, & Audible A New York Times Bestseller "One of the most compelling protagonists modern fiction has offered in years: a loopy, quietly furious pillhead whose Ambien ramblings and Xanaxed b*tcherries somehow wend their way through sad and funny and strange toward something genuinely profound." – Entertainment Weekly "Darkly

hilarious . . . [Moshfegh's] the kind of provocateur who makes you laugh out loud while drawing blood." –Vogue From one of our boldest, most celebrated new literary voices, a novel about a young woman's efforts to duck the ills of the world by embarking on an extended hibernation with the help of one of the worst psychiatrists in the annals of literature and the battery of medicines she prescribes. Our narrator should be happy, shouldn't she? She's young, thin, pretty, a recent Columbia graduate, works an easy job at a hip art gallery, lives in an apartment on the Upper East Side of Manhattan paid for, like the rest of her needs, by her inheritance. But there is a dark and vacuous hole in her heart, and it isn't just the loss of her parents, or the way her Wall Street boyfriend treats her, or her sadomasochistic relationship with her best friend, Reva. It's the year 2000 in a city aglitter with wealth and possibility; what could be so terribly wrong? My Year of Rest and Relaxation is a powerful answer to that question. Through the story of a year spent under the influence of a truly mad combination of drugs designed to heal our heroine from her alienation from this world, Moshfegh shows us how reasonable, even necessary, alienation can be. Both tender and blackly funny, merciless and compassionate, it is a showcase for the gifts of one of our major writers working at the height of her powers.

I Am Not Your Perfect Mexican Daughter Erika L. Sánchez, 2017-10-17 National Book Award Finalist! Instant New York Times Bestseller! The Absolutely True Diary of a Part-Time Indian meets Jane the

Virgin in this poignant but often laugh-out-loud funny contemporary YA about losing a sister and finding yourself amid the pressures, expectations, and stereotypes of growing up in a Mexican-American home. Perfect Mexican daughters do not go away to college. And they do not move out of their parents' house after high school graduation. Perfect Mexican daughters never abandon their family. But Julia is not your perfect Mexican daughter. That was Olga's role. Then a tragic accident on the busiest street in Chicago leaves Olga dead and Julia left behind to reassemble the shattered pieces of her family. And no one seems to acknowledge that Julia is broken, too. Instead, her mother seems to channel her grief into pointing out every possible way Julia has failed. But it's not long before Julia discovers that Olga might not have been as perfect as everyone thought. With the help of her best friend Lorena, and her first love, first everything boyfriend Connor, Julia is determined to find out. Was Olga really what she seemed? Or was there more to her sister's story? And either way, how can Julia even attempt to live up to a seemingly impossible ideal? "Alive and crackling—a gritty tale wrapped in a page-turner. "—The New York Times "Unique and fresh." —Entertainment Weekly "A standout." —NPR

Applications of Nonverbal Behavioral Theories and Research Robert S. Feldman, 2014-02-25 This book is intended to accomplish several goals. First, it is designed to provide a broad overview of the major areas of application of theory and research relating to nonverbal behavior. Second, individual chapters emphasize how the applications

have been drawn from underlying theories and empirical bases, thereby making the link between theory, research, and applications apparent. Finally, the volume links individual chapter contributions, demonstrating how theoretical progress over the last few decades has led to important applied advances. The contributors to this book consider a wide variety of settings and topics. Their common thread, however, is a shared conviction that an understanding of nonverbal behavior can bring about an improvement in the human condition. Each of the authors has made suggestions regarding future directions for both research and practice -- and their ideas offer real promise.

Good Morning Message Peggy Edwards, 2010-08 This daily devotional book has been a God-led inspiration from its very start-up; from its original Bible verse and note of encouragement to some coworkers and family members to people around the world via my email network. Our God is so awesome! I've had people return emails to me or speak to me and ask, How did you know that I needed that today? or How did you know I was going through this? That is when I thankfully remind them that God inspired each and every one of these devotionals. I am just being faithful and following His directions. Now I'm led to put them into a year of daily devotions book to reach others. Occasionally, my emailed devotionals have colored photographs that I take as God inspired message for the day. Unfortunately, I couldn't include those in this book. I did include a photo in grayscale at the beginning of each month; the

cover photo is a God-blessed look at an Alaskan sunset. I am so thankful that God is working in my life. I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others. When you feel down, just start counting each of the blessings God has touched you with in your life; and you will feel His Presence and comfort to encourage you. We are never alone; He is just a prayer away; nothing is impossible for our God. He is not done with us yet. He is asking us to be obedient in our service to Him, and He will help us grow in our faith. Trust in Him, and you will be astounded at what He has in store for you.

Positive Thoughts for a Negative World Kenneth Allen Patrick, 2017-08-12 Thoughts, quotes and poems designed to stimulate positive thinking and create a desire to encourage and act to meet the needs of others.

I Know Why the Caged Bird Sings Maya Angelou, 2010-07-21 Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town,

Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

Good to Great Jim Collins, 2001-10-16 The Challenge Built to Last, the defining management study of the nineties, showed how great companies triumph over time and how long-term sustained performance can be engineered into the DNA of an enterprise from the very beginning. But what about the company that is not born with great DNA? How can good companies, mediocre companies, even bad companies achieve enduring greatness? The Study For years, this question preyed on the mind of Jim Collins. Are there companies that defy gravity and convert long-term mediocrity or worse into long-term superiority? And if so, what are the universal distinguishing characteristics that cause a company to go from good to great? The Standards Using tough benchmarks, Collins and his

research team identified a set of elite companies that made the leap to great results and sustained those results for at least fifteen years. How great? After the leap, the good-to-great companies generated cumulative stock returns that beat the general stock market by an average of seven times in fifteen years, better than twice the results delivered by a composite index of the world's greatest companies, including Coca-Cola, Intel, General Electric, and Merck. The Comparisons The research team contrasted the good-to-great companies with a carefully selected set of comparison companies that failed to make the leap from good to great. What was different? Why did one set of companies become truly great performers while the other set remained only good? Over five years, the team analyzed the histories of all twenty-eight companies in the study. After sifting through mountains of data and thousands of pages of interviews, Collins and his crew discovered the key determinants of greatness -- why some companies make the leap and others don't. The Findings The findings of the Good to Great study will surprise many readers and shed light on virtually every area of management strategy and practice. The findings include: Level 5 Leaders: The research team was shocked to discover the type of leadership required to achieve greatness. The Hedgehog Concept (Simplicity within the Three Circles): To go from good to great requires transcending the curse of competence. A Culture of Discipline: When you combine a culture of discipline with an ethic of entrepreneurship, you get the magical alchemy of great results.

Technology Accelerators: Good-to-great companies think differently about the role of technology. The Flywheel and the Doom Loop: Those who launch radical change programs and wrenching restructurings will almost certainly fail to make the leap. "Some of the key concepts discerned in the study," comments Jim Collins, fly in the face of our modern business culture and will, quite frankly, upset some people." Perhaps, but who can afford to ignore these findings?
