Metropolitan Museum of Art (New York, N.Y.)

From the Mixed-Up Files of Mrs. Basil E. Frankweiler E.L. Konigsburg,2010-12-21 Now available in a deluxe keepsake edition! A Time Best YA Book of All Time (2021) Run away to the Metropolitan Museum of Art with E. L. Konigsburg's beloved classic and Newbery Medal-winning novel From the Mixed-Up Files of Mrs. Basil E. Frankweiler. When Claudia decided to run away, she planned very carefully. She would be gone just long enough to teach her parents a lesson in Claudia appreciation. And she would go in comfort-she would live at the Metropolitan Museum of Art. She saved her money, and she invited her brother Jamie to go, mostly because he was a miser and would have money. Claudia was a good organizer and Jamie had some ideas, too; so the two took up residence at the museum right on schedule. But once the fun of settling in was over, Claudia had two unexpected problems: She felt just the same, and she wanted to feel different; and she found a statue at the Museum so beautiful she could not go home until she had discovered its maker, a question that baffled the experts, too. The former owner of the statue was Mrs. Basil E. Frankweiler. Without her-well, without her, Claudia might never have found a way to go home.

Making The Met, 1870-2020 Andrea Bayer,Laura D. Corey,2020-03-23 Published to celebrate The Metropolitan Museum of Art's 150th anniversary, Making The Met, 1870-2020 examines the institution's evolution from an idea-that art can inspire anyone who has access to it-to one of the most beloved global collections in the world. Focusing on key transformational moments, this richly illustrated book provides insight into the visionary figures and events that led The Met in new directions. Among the many topics explored are the impact of momentous acquisitions, the central importance of education and accessibility, the collaboration that resulted from international excavations, the Museum's role in preserving cultural heritage, and its interaction with contemporary art and artists. Complementing this fascinating history are more than two hundred works that changed the very way we look at art, as well as rarely seen archival and behind-the-scenes images. In the final chapter, Met Director Max Hollein offers a meditation on evolving approaches to collecting art from around the world, strategies for reaching new and diverse audiences, and the role of museums today.

A Connoisseur's Guide to the Met Paul Magriel,John T. Spike,1987 Describes the background of some of the most striking paintings, sculpture, furniture, and primitive art in the museum

High Style Metropolitan Museum of Art (New York, N.Y.),Jan Glier Reeder,2010 Published in conjunction with an exhibition on view at the Metropolitan Museum of Art, New York, May 5-Aug. 15, 2010, and at the Brooklyn Museum, May 7-Aug. 1, 2010.

In America: A Lexicon of Fashion Andrew Bolton,Amanda Garfinkel,Jessica Regan,Stephanie Kramer,2022-05-02 A new glossary of American fashion explores the expressive qualities of works by pioneering designers, who established the nation's style, and the up-and-coming designers shaping its future. In America: A Lexicon of Fashion presents a modern vocabulary of American dress that emphasizes emotions while not discounting the simple, practical, and egalitarian character that has traditionally separated American ready-to-wear from European haute couture. Stunning new photography showcases over 100 garments from the 1940s to the present that offer a timely new perspective on the diverse and multifaceted nature of American fashion. The catalogue features works that display qualities such as belonging, comfort, desire, exuberance, fellowship, joy, nostalgia, optimism, reverence, spontaneity, strength, and sweetness by well-known designers and emerging creatives, including: Gilbert Adrian Geoffrey Beene Thom Browne Bonnie Cashin Willy Chavarria Olivia Cheng Telfar Clemens Oscar de la Renta Colm Dillane Perry Ellis Tremaine Emory Tom Ford Rudi Gernreich Halston Elizabeth Hawes Carolina Herrera Conner Ives Charles James Kerby Jean-Raymond Donna Karan Calvin Klein Michael Kors Ralph Lauren Vera Maxwell Claire McCardell Norman Norell Heron Preston Christopher John Rogers Raul Solís Hillary Taymour Diane von Furstenberg Vera Wang

Outlander Diana Gabaldon,2004-10-26 #1 NEW YORK TIMES BESTSELLER • NOW A STARZ ORIGINAL SERIES Unrivaled storytelling. Unforgettable characters. Rich historical detail. These are the hallmarks of Diana Gabaldon's work. Her New York Times bestselling Outlander novels have earned the praise of critics and captured the hearts of millions of fans. Here is the story that started it all, introducing two remarkable characters, Claire Beauchamp Randall and Jamie Fraser, in a spellbinding novel of passion and history that combines exhilarating adventure with a love story for the ages. One of the top ten best-loved novels in America, as seen on PBS's The Great American Read! Scottish Highlands, 1945. Claire Randall, a former British combat nurse, is just back from the war and reunited with her husband on a second honeymoon when she walks through a standing stone in one of the ancient circles that dot the British Isles. Suddenly she is a Sassenach-an "outlander"-in a Scotland torn by war and raiding clans in the year of Our Lord . . . 1743. Claire is catapulted into the intrigues of a world that threatens her life, and may shatter her heart. Marooned amid danger, passion, and violence, Claire learns her only chance of safety lies in Jamie Fraser, a gallant young Scots warrior. What begins in compulsion becomes urgent need, and Claire finds herself torn between two very different men, in two irreconcilable lives. This eBook includes the full text of the novel plus the following additional content: • An excerpt from Diana Gabaldon's Dragonfly in Amber, the second novel in the Outlander series • An interview with Diana Gabaldon • An Outlander reader's guide Praise for Outlander "Marvelous and fantastic adventures, romance, sex . . . perfect escape reading."-San Francisco Chronicle "History comes deliciously alive on the page."-New York Daily News

Geddy Lee's Big Beautiful Book of Bass Geddy Lee,2018-12-18 It's not surprising that sooner or later I'd dive down the proverbial rabbit hole into the world of vintage bass guitars.-Geddy Lee From Rush frontman Geddy Lee's personal collection of vintage electric bass guitars, dating from the 1950s to the 1980s, comes the definitive volume on the subject. Geddy's love of the bass has been nurtured over a lifetime spent in the limelight as one of the world's premier rock bassists. For the past seven years, he's dedicated himself to studying the history of the instrument that's been so essential to his career, collecting hundreds of basses from around the globe. Written with arts journalist Daniel Richler, gorgeously photographed in breathtaking detail by Richard Sibbald, and with insight from Geddy's trusted bass tech and curator, John Skully McIntosh, Geddy Lee's Big Beautiful Book of Bass profiles over 250 classic basses from Geddy's extensive collection. Representing every tone in the bass palette, every nuance of the rock and roll genre as well as blues, jazz, pop, and country, this one-of-a-kind collection features so-called beauty queens-pristine instruments never lifted from their cases-as well as road warriors-well-worn, sweat-soaked basses that proudly show their age and use. Complete with personal commentary from Geddy that showcases his knowledge both as a musician and an aficionado, this luxuriously produced volume is a revelatory look at the heavy hitters in the world of bass-Fender, Gibson/Epiphone, Rickenbacker, Höfner, Ampeg-and lesser known but influential global luthiers such as Antonio Wandr Pioli, Dan Armstrong, and Tony Zemaitis. The book also features interviews with John Paul Jones (Led Zeppelin); Adam Clayton (U2); Robert Trujillo (Metallica); Jeff Tweedy (Wilco); Bill Wyman (The Rolling Stones); Les Claypool (Primus); Bob Daisley (Rainbow); Fender expert and owner of the legendary Gibson Explorer, Bass Ken Collins; veteran guitar tech for The Who, Alan Rogan; plus comments from many other great players across three decades of rock and roll. Written in Geddy's singular voice, this book reveals the stories, songs, and history behind the instruments of his inimitable collection. Complete with an index and a graphically designed timeline of the history of the bass, as well as an up-close look at Geddy's basses on Rush's final R40 Tour, his stage and recording gear from 1968 to 2017, and forewords by author and respected vintage expert, Terry Foster, and Rush band member, Alex Lifeson, Geddy Lee's Big Beautiful Book of Bass is the ultimate compendium for the consummate collector, musician, Rush fan, and anyone who loves the bass guitar.

Museum Innovation Haitham Eid,Melissa Forstrom,2021-07-18 Museum Innovation encourages museums to critically reflect upon current practices and adopt new approaches to their civic responsibilities. Arguing that museums have a moral duty to perform, the book shows how social innovation can make them more equitable, relevant and impactful institutions. Including contributions from a diverse group of international scholars, practitioners and researchers, the book investigates the innovative approaches museums are taking to address contemporary social issues. The volume focuses on the concept of social innovation and individual chapters address a range of crucial issues, such as climate change; the COVID-19 pandemic; diversity and inclusion; the travel ban; and the repatriation of museum collections. Exploring the impact that organizational structures have on museums' aspirations to act as agents for social change, the book also unpacks how museums can establish sustainable relationships with minority communities. Proposing steps that museums can take to affirm their relevance as viable community partners, the book breaks down silos and connects ideas across different areas of museum work. Museum Innovation explores the role of contemporary museums in society. It is essential reading for academics, students and practitioners working in the museum and heritage studies field. The book's interdisciplinary nature makes it also an interesting read for those working in business studies, digital humanities, visual culture, arts administration and political science fields.

Travel ,1928

Access, Diversity, Equity and Inclusion in Cultural Organizations Antonio C. Cuyler,2020-09-30 Analyzing the lack of diversity among opera executives, this book examines the careers of executive opera managers of color in the U.S. By interrogating the impact of race on arts managers' careers, the author contemplates how opera might attract and retain more racially diverse arts managers to ensure its future. With a focus on the U.S., research is contextualized via qualitative data to explore, enhance, and institutionalize access, diversity, equity, and inclusion (ADEI) in the opera industry. In a revealing series of expert-conducted interviews, the author poses illuminating questions, such as: what if an inability to recruit and retain diverse executives is the primary source of opera's challenges? if more racially diverse opera executives existed, would the art form persist in struggling to find its place in contemporary society? from where will the next generation of diverse opera managers emerge? As the magnitude of the global diversity problem grows within the creative and cultural industries, this book serves as a guide for Arts Management practitioners and students who may view their class, different ability, ethnicity, gender, race, or sexual orientation as a liability in their pursuit of executive careers.

Welcoming Museum Visitors with Unapparent Disabilities Beth Redmond-Jones,2024-05-07 Welcoming Museum Visitors with Unapparent Disabilities exploreshow international cultural organizations (i.e. museums, aquariums, art centers) serve individuals with mental health and neurodiverse challenges. Opening chapters present the status of mental health in society and the need for inclusive design. Organized by unapparent disability, the book includes: a medical definition of the condition as defined by the International Statistical Classification of Diseases and Related Health Problems 11th Revision (ICD-11) by the World Health Organization; a brief introduction to that condition; personal accounts of the condition and challenges faced when visiting a museum, exhibition, and/or participating in a program; and, global case studies which describe how the hidden disability was supported/addressed and lessons learned.

Opera for the People Katherine K. Preston,2017 Opera for the People is an in-depth examination of a forgotten chapter in American social and cultural history: the love affair that middle-class Americans had with continental opera (translated into English) in the 1870s, 1880s, and 1890s. Author Katherine Preston reveals how-contrary to the existing historiography on the American musical culture of this period-English-language opera not only flourished in the United States during this time, but found its success significantly bolstered by the support of women impresarios, prima-donnas, managers, and philanthropists who provided financial backing to opera companies. This rich and compelling study details the lives and professional activities of several important players in American postbellum opera, including manager Effie Ober, philanthropist Jeannette Thurber, and performers/artistic directors Caroline Richings, Euphrosyne Parepa-Rosa, Clara Louise Kellogg, and the people's prima donna Emma Abbott. Drawing from an impressive range of primary sources, including contemporaneous music and theater periodicals, playbills, memoirs, librettos, scores, and reviews and commentary on the performances in digitized newspapers, Preston tells the story of how these and other women influenced the activities of some of the more than one hundred opera companies touring the United States during the second half of the 19th century, performing opera in English for a diverse range of audiences. Countering a pervasive and misguided historical understanding of opera reception in the United States-unduly influenced by modern attitudes about the genre as elite, exclusive, expensive, and of interest only to a niche market-Opera for the People demonstrates the important (and hitherto unsuspected) place of opera in the rich cornucopia of late-century American musical theatre, which would eventually lead to the emergence of American musical comedy.

The Dashiell Hammett Tour Don Herron,1991 In this expanded and revised edition, Don Herron's Dashiell Hammett Tour guides you over the fog-shrouded hills stalked by Sam Spade, the Continental Op, and other legendary characters created by San Francisco's most renowned mystery writer. See every place Hammett is known to have lived in the City and the majority of locales from his master mystery, The Maltese Falcon. Prowl the back alleys where the Op fought hard-boiled criminals with a blazing .38. Shadow Sam Spade in his quest for the fabulous figurine of a mysterious black bird. See the dead-end alley where Spade's partner, Miles Archer was done in by Brigid O'Shaughnessy. A consise biography introduces the tour, and an annotated bibliography provides further information about Hammett and his works. Maps are included for self-guided tours by foot or machine.

Molto Agitato Johanna Fiedler,2003-09-09 If the opera world is full of "intrigue, double meanings, and devious dramatics," then no place exemplifies this more than the world-famous Metropolitan Opera, where politics, ambition, and oversized egos have traditionally taken center stage along with some of the world's richest music. Drawing on her fifteen years as its press representative, Johanna Fiedler explodes the traditional secrecy that surrounds the Met in this wonderfully entertaining account of its tumultuous history. Fiedler chronicles the Met's early days as a home for legends like Toscanini, Mahler, and Caruso, and gives a fascinating account of the middle years when haughty blue-bloods battled stubborn administrators for control of a company that would emerge as America's premiere opera house. She takes us behind the grand gold-curtain stage in more recent years as well, showing how musical superstars like Luciano Pavarotti, Plácido Domingo, and Kathleen Battle have electrified performances and scandalized the public. But most revelatory are Fiedler's portrayals of James Levine and Joseph Volpe and their practically parallel ascendancies-Levine rising from prodigy to artistic director, Volpe advancing from stagehand to general manager-and their once strained relationship. Weaving together the personal, economic, and artistic struggles that characterize the Met's long and vibrant history, Molto Agitato is a must-read saga of power, wealth, and, above all, great music.

Grand Opera Charles Affron,Mirella Jona Affron,2014-09-22 The Metropolitan has stood among the grandest of opera companies since its birth in 1883. Tracing the offstage/onstage workings of this famed New York institution, Charles Affron and Mirella Jona Affron tell how the Met became and remains a powerful actor on the global cultural scene. In this first new history of the company in thirty years, each of the chronologically sequenced chapters surveys a composer or a slice of the

repertoire and brings to life dominant personalities and memorable performances of the time. From the opening night Faust to the recent controversial production of Wagner’s Ring, Grand Opera is a remarkable account of management and audience response to the push and pull of tradition and reinvention. Spanning the decades between the Gilded Age and the age of new media, this story of the Met concludes by tipping its hat to the hugely successful Live in HD simulcasts and other twenty-first-century innovations. Grand Opera’s appeal extends far beyond the large circle of opera enthusiasts. Drawing on unpublished documents from the Metropolitan Opera Archives, reviews, recordings, and much more, this richly detailed book looks at the Met in the broad context of national and international issues and events.

Guillaume Tell ... Edited by B. Tours, and translated ... by N. Macfarren. [Vocal score.] Gioacchino Rossini,1874

The Practice of Graduate Research in Hospitality and Tourism Kaye Sung Chon,2014-06-23 Improve your hospitality and tourism research abilities with this impressive collection of research methods! The Practice of Graduate Research in Hospitality and Tourism assists you in gaining insight into different facets of research design, conceptual development, research methods, and conclusions drawn from research in hospitality and tourism. As a professional, researcher, or graduate student in the hospitality and tourism field, you will benefit from this collection of chapters that represent examples of research trials conducted by graduate students in hospitality and tourism and are selected on the basis of the originality of the students’concepts, research methods, and interest of the work to graduate students. This informative volume will provide you and your students with up-to-date and effective ideas for researching topics within the field of hospitality. The Practice of Graduate Research in Hospitality and Tourism is an excellent supplemental textbook for research methods classes in graduate hospitality and tourism programs. The wide variety of chapters will stimulate discussions on research in hospitality and tourism from conceptual, secondary data, and primary data approaches. Some of the research articles you will explore in The Practice of Graduate Research in Hospitality and Tourism are based on different statistical techniques, research designs, and trends of subjects. Topics include: selecting service-oriented employees based on person-organization fit measuring the effectiveness of advertising on the Internet examining factors that affect food expenditures of U.S. tourists when they are away from home explaining the competitive structure of Japanese travelers’overseas destination plans determining the motivational needs of managers in the on-site foodservice segment providing adequate education on HIV and AIDS in the workplace for hospitality managers identifying influential variables of employee turnover in the food and beverage industry The Practice of Graduate Research in Hospitality and Tourism serves as an important forum for initiating research and new ideas internationally. The carefully selected chapters of this essential text will provide you and your students with suggestions that will improve research competency as well as hospitality services to patrons.

Director of the Tours Fred Colvin,2011-03-01 The State of Alaska is endlessly in the national news--whether the news be political, adventurous, or simply a report on odd occurrences (of which our state seems to have an abundance). Director of the Tours is an attempt by the author to report on both humorous and touching stories relating to the more than one million visitors whom choose to visit Alaska aboard cruise ships each summer. Thirty-five stories concern the author’s interactions in unique situations during his ten years of leading guests on mostly five and six day land tours. These tours stretch from Seward, in South Central Alaska to the Alaska interior city of Fairbanks. Another 11 stories relate to events occurring in winter, when we tour directors are encouraged to jump on board any cruise ship (space available), anywhere in the world--and get a feel for what our guests get to experience on these luxury liners. The author hopes you will enjoy these stories.

Unveiling the Magic of Words: A Review of **"Met Tours"**

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Enter the realm of **"Met Tours,"** a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book is central themes, examine its distinctive writing style, and assess its profound affect the souls of its readers.
