Vinyl Moon Mahogany L. Browne,2022-01-11 A teen girl hiding the scars of a past relationship finds home and healing in the words of strong Black writers. A beautiful sophomore novel from a critically acclaimed author and poet that explores how words have the power to shape and uplift our world even in the midst of pain. A true embodiment of the term Black Girl Magic.” -Booklist When Darius told Angel he loved her, she believed him. But five weeks after the incident, Angel finds herself in Brooklyn, far from her family, from him, and from the California life she has known. Angel

feels out of sync with her new neighborhood. At school, she can't shake the feeling everyone knows what happened—and that it was her fault. The only place that makes sense is Ms. G's class. There, Angel's classmates share their own stories of pain, joy, and fortitude. And as Angel becomes immersed in her revolutionary literature course, the words from Black writers like Toni Morrison, James Baldwin, and Zora NEale Hurston speak to her and begin to heal the wounds of her past. This stunning novel weaves together prose, poems, and vignettes to tell the story of Angel, a young woman whose past was shaped by domestic violence but whose love of language and music and the gift of community grant her the chance to find herself again.

Love after the End Joshua Whitehead,2020-10-27 Lambda Literary Award winner This exciting and groundbreaking fiction anthology showcases a number of new and emerging 2SQ (Two-Spirit

Here, readers will discover bio-engineered AI rats, transplanted trees in space, the rise of a 2SQ resistance camp, a primer on how to survive Indigiqueerly, virtual reality applications, motherships at sea, and the very bending of space-time continuums queered through NDN time. *Love after the End* demonstrates the imaginatively queer Two-Spirit futurisms we have all been dreaming of since 1492. Contributors include Darcie Little Badger, Mari Kurisato, Kai Minosh Pyle, David Alexander Robertson, and jaye simpson.
