

Metro Paris Subway

Susan L. Plotkin

Metro Stop Paris Gregor Dallas,2009-05-26 A history of Paris in twelve métro stops. Métro Stop Paris recounts the extraordinary and colorful history of the City of Light, by way of twelve Métro stops-a voyage across both space and time. At each stop a Parisian building, or street, or tomb or landmark sparks a story that holds particular significance for that area of the city. Dallas takes us to the jazz cellars and literary cafés of Montparnasse and Saint-Germain-des-Prés; the catacombs at Hell's Gate; and the Opéra during the days of Claude Debussy. A darker side of Paris emerges at the Trocadéro stop and a charitable side at the Gare du Nord, which highlights the work of Saint Vincent de Paul. Finally, our journey ends at Père-Lachaise cemetery with the little-known story of Oscar Wilde's curious involvement in the Dreyfus affair, one of France's greatest legal scandals. From Hell (the Denfert-Rochereau stop on the south side of the city) to Heaven (the Gare du Nord at the north end of Paris), Métro Stop Paris carries readers on a journey of the heart and mind. Métro Stop Paris is a thinker's guide to Paris made up of slices of life, little vignettes drawn from Paris's two thousand years of history. Taken separately, these are charming historic tales about a city known and loved by many, but read as a whole Métro Stop Paris goes straight to the heart of what is quintessentially Parisian.

Paris Underground Mark Ovenden,2009 'The Paris Métro is one of the most iconic transit systems in the world. Its classic art nouveau entrances, art deco candelabra, white-tiled stations and idiosyncratic maps are almost as recognizable city landmarks as the Tour Eiffel, Arc de Triomphe or the Louvre.' - MARK OVENDEN, from the Introduction Illustrated with more than 1,000 full-color maps, diagrams and photographs of the iconic Paris subway system PARIS UNDERGROUND is the essential graphic history of the magnificent Métro. PRAISE FOR Transit Maps of the World 'More than impressive. Ovenden does what no other design history book has ever done.' - The New York Times 'The perfect book . . . for urban transit freaks and fans.' - USA Today

Art in Motion Anaël Pigeat,2022-03 A rich history and moving look at the accessible, immersive art embedded in the Paris subway system Submarine wall decorations, a ceramic declaration of human rights, a stained-glass red hen, a mosaic mouth, a Murano glass aedicule. The walls of the Paris Métro, adorned with works by French and foreign artists, have punctuated the underground travels of Parisians and tourists for over a century. In 1900, architect Hector Guimard created the subway entrances. His Art Nouveau style works embrace the notion of free art-accessible to all, flowing with movement, surprising, and ambitious. Today's subway system still champions this immersive cultural experience and artistic openness as evidenced by the 20 or so creations selected for Art in Motion. With concise and well-researched texts, Anaël Pigeat, introducing us to the artists and giving them a voice, explains their creative process, paying tribute to the work of the many craftsmen and craftswomen and their innovations, while highlighting the numerous constraints entailed by the subway environment. With a contemporary perspective by photographer Philippe Garcia, the book captures the works in their environment, then moves closer to show us the material and the artistic gestures. Each creation carries its own story and its own relationship to the underground: offering a reinterpretation of existing works or taking us down memory lane, they lead us into a dream-like world or fit in the framework of an international exchange, these works shine on and imperceptibly change our travels.

Discover Paris by Metro Anne-Claire Ruel,Aurélie Clair,Catherine Taret,2012 A unique guide to the legendary Paris Métro that reveals, line by line, station by station, what to see and do to discover Paris like a Parisian.

In the Metro Marc Augé,2002 Tourists climb the Eiffel Tower to see Paris. Parisians know that to really see the city you must descend into the metro. In this revelatory book, Marc Auge takes readers below Paris in a work that is both an ethnography of the city and a personal narrative. Guiding us through history, memory, and physical space, Auge juxtaposes the romance of the metro with the reality of multiethnic urban France. His work is part autobiography, with impressions from a lifetime riding the trains; part meditation on self and memory reflected in the people and places underneath Paris; part analysis of a place where the third world and the first world meet, where remnants of cultures move and press together; and part a reflection on anthropology in an era of globalization and urban development. Although he is a pillar of French thought, In the Metro is Auge's first major critical and creative work translated into English. It shows him to be firmly rooted in a tradition of literary ethnography that reaches back to Claude Levi-Strauss and Michel de Certeau, but also engaged in current theoretical debates in literary and cultural studies. In Auge's idiosyncratic and innovative approach, the act of observing the quotidian is elevated to an art. The writer and his history become part of the field he observes, and anthropology interacts with a site -- urban life -- usually reserved for sociology and cultural studies. Throughout, Auge reveals a passion for his milieu, seeing the metro as a place rich with history and literature -- an eclectic egalitarian society.

Paris by Metro Arnold Delaney,2006-04-01 'Not only travelers but Parisians will have the Paris Metro explained by perusing this book in ways they never have before. An absolutely essential guide to really knowing Paris.' observes Robert Cole, author of A Traveller's History of Paris. What was the original name of the Place de la Concorde? Why was the Tuileries palace so called and when was it destroyed? Who built the Palais Royal? Find the answers to these questions and many others in this fascinating new book, which gives you the history behind the names of all the Metro stations in Paris. Arnold Delaney's text is full of illuminating insights into hidden corners of the history of the world's most elegant city. Take Le Kremlin - Bicetre, an intriguing example of how, over many centuries, names evolve and become corrupted: ...known for its Bicetre Hospital, parts of which date back to the seventeenth century. The town's website explains that the Kremlin portion of the name is due to the fact that after Napoleon's retreat from Moscow in 1812 a hospice for his soldiers was set up in the town and the local pub was called Le Sergent du Kremlin. Bicetre came about because at the end of the thirteenth century Jean de Pontoise the Bishop of Winchester owned land here. The locals had difficulty pronouncing Winchester which became Vincestre and evolved to become Bicetre. The text is complemented by colour photography especially commissioned for the book, which takes a slightly idiosyncratic look at the city as well as giving a taste of the quintessential design and feel of the Metro system.

Metronome Lorànt Deutsch,Emmanuel Haymann,2013-12-03 A historian and lifelong Francophile takes readers on a fascinating journey through the ages, revealing a rarely seen Paris, as he, using 21 stops of the subway system as focal points, reveals the often violent events that shaped one of the world's most romanticized city. 50,000 first printing.

Transit Maps of the World Mark Ovenden,2015-11-03 A completely updated and expanded edition of the cult bestseller, featuring subway, light rail, and streetcar maps from New York to Nizhny Novgorod. Transit Maps of the World is the first and only comprehensive collection of historical and current maps of every rapid-transit system

on earth. In glorious, colorful graphics, Mark Ovenden traces the cartographic history of mass transit—including rare and historic maps, diagrams, and photographs, some available for the first time since their original publication. Now expanded with thirty-six more pages, 250 city maps revised from previous editions, and listings given from almost a thousand systems in total, this is the graphic designer's new bible, the transport enthusiast's dream collection, and a coffee-table essential for everyone who's ever traveled in a city.

The Paris Metro Susan L. Plotkin, 2000 "The metro may be a mere hundred years old but it tells a tale of France twenty times as long. The story begins in the fifth century BC when wild Celtic tribes roamed the countryside of Gaul. Then Julius Caesar imposed a Roman rule that lasted five hundred years and forced the Celts to settle down. All that seems like only yesterday to a Frenchman because those Celts and Romans are close friends to every reader of the French comic book series Asterix. Asterix and his fellow Celts live quite happily in a small, fortified enclave in Brittany in northwestern France. Their idyllic, primitive existence is occasionally intruded upon by those nasty Roman conquerors, but the Celts always manage to get the best of the Romans despite great odds... "Alésia - (Métro Line 4). The Battle of Alésia (52 BC) is the oldest event commemorated in the Paris Metro. The Celtic warrior Vercingétorix managed to unite competing tribes against the Romans in one last attempt to save Gallic independence. It was not an easy task. It was difficult to live with, let alone lead, these autonomous, quarrelsome groups. Vercingétorix planned to wage hit-and-run guerrilla warfare- to starve the Romans into defeat by destroying the crops in their path as they penetrated deeper into Gaul in pursuit of the pesky Celts. In the town of Bourges the local population refused to allow the destruction of their wheat - a fatal mistake. Caesar descended on the town and confiscated it for his hungry troops. With renewed energy the Romans gave chase. The Celts retreated to a high plateau called Alésia, where they were quickly surrounded by Caesar's forces. "The table was now turned. Caesar built a fortification around Alésia, twelve and a half miles in circumference. It consisted of a double row of spikes, one facing inward and the other outward, which prevented both escape and the re-provisioning of the rebels. The Celts had only a month's worth of provisions but somehow they held out for two by which time the men were famished and exhausted. Vercingétorix surrendered. Few lives had been lost in battle but countless numbers died of starvation. Vercingétorix was imprisoned in Rome where six years later when he was all but forgotten Caesar had him strangled to death... "Both the Celts who lost and the Romans who won have contributed much to French culture, so it's a tricky thing for the French to say whether Alésia was a victory or a defeat. One thing is clear: in real life, the Celts did not always win. "In the end, it was most likely the mountains of horse manure that gave birth to the Paris Metro. During the last quarter of the 19th century, Paris did not lack the means of transport. What it patently lacked was a transportation system. There were competing omnibus lines, trams, trains and private conveyances, all overlapping, most taking roundabout routes throughout the city, hindering one another and certainly hindering business. "Forty lines of horse-drawn omnibuses traversed Paris in 1870 and ten thousand horses were required to pull them. The maintenance of the horses ate up fifty percent of the entire company budget. Each omnibus held about 20 passengers, half of them riding on top of the carriage. By the turn of the century the omnibuses carried as many as forty people each, still with many sitting on the carriage roof. The roads were made of cobblestones or wood planks or sometimes just hardened mud; there were no shock absorbers on the carriages; and the stench from the horse manure was overwhelming. One hundred million passengers used the omnibuses that year, probably half of them holding perfumed handkerchiefs to their noses to ward off the stench."

Metro / New York / London / Paris ,2022-03-28 Subways are a greatequalizer that supersede social barriers separating people in theaboveground city. In his microcosmic portrayalsof everyday human dramas and performances, renowned photographer Herb Robinson profoundly capturesthe interconnection and alienation of human beings underground and onthe move. Readers experience the excitement and extraordinary diversityof three celebrated metropolises in motion. METRO / New York / London / Paris tells a global-local story of immigrants and natives, showing how ourworlds are linked and enriched through our common humanity. Innovative concepts and design by Eve Sandler transport viewers forward in this subterraneanworld. Woventhroughout, commentary by Lady Gaga,James Baldwin, King George VI, Coco Chanel, and others imparts historicalcontext, insider insights, and humor. METRO provides many meaningfulwindows into the character of each city and its inhabitants, whileilluminating modern issues of identity, equality, and the humancondition.

Paris Underground Tamara Hovey, 1991-01-01 Photographs, prints, and text depict the construction of the Paris subway.

Rick Steves' Paris Rick Steves, Steve Smith, Gene Openshaw, 2006-09-28 Who but Rick Steves can tell travelers how to take self-guided walking tours along the Champs-Élysées and through the Marais? America's number one authority on travel to Europe, Rick's time-tested recommendations for safe and enjoyable travel in Europe have been used by millions of Americans in search of their own unique European travel experience.

Metro Maps of the World Mark Ovenden, London Transport Museum, 2005

Paris Metro Photo , 2016 From Brassa to William Klein: a luxurious homage to the world's most iconic subway At over 300 pages and with around 250 images, this delightful volume looks at the close relationship between photography and the heyday of the Paris metro, covering over a century of photographic documents. The major figures of photography all snapped the Paris metro, from the humanists--Doisneau, Henri Cartier-Bresson, Brassa , Boubat, Izis, Kollar, Ronis and more--to photojournalists such as Robert Capa, William Klein and Van der Keuken, in addition to the scores of photojournalists who passed through the city. In 1900, as the first metro rolled from west to east across Paris, from Porte Maillot to Porte de Vincennes, photography had already been around for half a century. Turn-of-the-century technological advances had created smaller, lighter cameras--the first Kodaks--which introduced the practice to a wider market. As Parisians fell in love with their new mode of transport, photography became a more widespread pastime. All genres and photographic practices are represented in this overview, from photojournalism to photo stories, street photography, fashion photography, architectural photography and industrial photography. The resulting volume is a magnificent and charming hybrid: a history of the fascinating development of the Paris metro--long a cultural symbol of France, Art Nouveau and urban technological innovation--in all its diversity, alongside a history of photography in Paris from the early 20th century to the present.

The Girl Who Reads on the Métro Christine Féret-Fleury, 2019-10-08 “With a cast of characters reminiscent of the French film *Amélie*, Féret-Fleury creates a world that is delightful and enchanting...Light and sweet as a bonbon, this little confection of a book is delicious.” –Kirkus Reviews For fans of *Amélie* and *The Little Paris Bookshop*, a modern fairytale about a French woman whose life is turned upside down when she meets a reclusive bookseller and his young daughter. Juliette leads a perfectly ordinary life in Paris, working a slow office job, dating a string of not-quite-right men, and fighting off melancholy. The only bright spots in her day are her métro rides across the city and the stories she dreams up about the strangers reading books across from her: the old lady, the math student, the amateur ornithologist, the woman in love, the girl who always tears up at page 247. One morning, avoiding the office for as long as she can, Juliette finds herself on a new block, in front of a rusty gate wedged open with a book. Unable to resist, Juliette walks through, into the bizarre and enchanting lives of Soliman and his young daughter, Zaide. Before she realizes entirely what is happening, Juliette agrees to become a passeur, Soliman’s name for the booksellers he hires to take stacks of used books out of his store and into the world, using their imagination and intuition to match books with readers. Suddenly, Juliette’s daydreaming becomes her reality, and when Soliman asks her to move in to their store to take care of Zaide while he goes away, she has to decide if she is ready to throw herself headfirst into this new life. Big-hearted, funny, and gloriously zany, *The Girl Who Reads on the Métro* is a delayed coming-of-age story about a young woman who dares to change her life, and a celebration of the power of books to unite us all.

Paris Métro Style in Map and Station Design Mark Ovenden, 2008 From the author of international best-seller *Metro* maps of the world comes a work so thorough, it is both a gripping read and a thing of beauty. With lush photos and hundreds of beautiful, rare and unusual maps, some seen for the first time since their original publication, this book is a must-have for lovers of Paris, design students, transit fans and cartophiles.

Streetwise Paris Metro Map Michelin, 2018-02-15 REVISED 2018 *Streetwise Paris Metro Map* is a laminated Paris Metro Map which conveniently folds to a pocket & wallet size metro map for travel. Coverage includes: Paris Metro Map with RER Paris Metro index Dimensions: 2.8 x 5 folded, 5 x 8.5 unfolded The *STREETWISE Paris Metro Map* puts the entire Paris, France metro and RER system into the palm of your hand. Travel around Paris quickly and inexpensively on one of the world's greatest subway systems. The front of the map has the entire system neatly diagrammed and color coded so you can easily spot either where you are or where you're going. All stations are indexed on the reverse side so you can quickly look up and find your desired station location. Folded into thirds and then in half, the map is not larger than a credit card so it's conveniently sized to fit in your pants pocket or purse. This metro map of Paris is also laminated for durability and accordion folding for effortless use. To enhance your visit to Paris, check out the Michelin Green Guide Paris which details sites and attractions using the famed Michelin star-rating system so you can prioritize your trip based on your time and interest. For a selection of the best restaurants and hotels, buy the red MICHELIN Guide Main Cities of Europe or MICHELIN Guide Paris ses environs (French only). To plan your trip to and from Paris, use Michelin France Map No. 721.

Me Talk Pretty One Day David Sedaris, 2009-05-04 A new collection from David Sedaris is cause for jubilation. His recent move to Paris has inspired hilarious pieces, including *Me Talk Pretty One Day*, about his attempts to learn French. His family is another inspiration. *You Cant Kill the Rooster* is a portrait of his brother who talks incessant hip-hop slang to his bewildered father. And no one hones a finer fury in response to such modern annoyances as restaurant meals presented in ludicrous towers and cashiers with 6-inch fingernails. Compared by *The New Yorker* to Twain and Hawthorne, Sedaris has become one of our best-loved authors. Sedaris is an amazing reader whose appearances draw hundreds, and his performances including a jaw-dropping impression of Billie Holiday singing *I wish I were an Oscar Meyer weiner* are unforgettable. Sedaris's essays on living in Paris are some of the funniest he's ever written. At last, someone even meaner than the French! The sort of blithely sophisticated, loopy humour that might have resulted if Dorothy Parker and James Thurber had had a love child. *Entertainment Weekly* on *Barrel Fever* Sidesplitting Not one of the essays in this new collection failed to crack me up; frequently I was helpless. *The New York Times Book Review* on *Naked*

Rick Steves Pocket London Rick Steves, Gene Openshaw, 2017-06-13 Rick Steves Pocket guidebooks truly are a tour guide in your pocket. This colorful, compact 220-page book includes Rick's advice for prioritizing your time, whether you're spending 1 or 7 days in a city. Everything a busy traveler needs is easy to access: a neighborhood overview, city walks and tours, sights, handy food and accommodations charts, an appendix packed with information on trip planning and practicalities, and a fold-out city map. Included in *Rick Steves Pocket London: Sights*: the National Portrait Gallery, Courtauld Gallery, Tate Britain, Tate Modern, Victoria and Albert Museum, and the Bankside Walk Walks and Tours: the Westminster Walk, Westminster Abbey Tour, National Gallery Tour, West End Walk, British Museum Tour, British Library Tour, The City Walk, St. Paul's Cathedral Tour, and Tower of London Tour

Soviet Metro Stations Owen Hatherley, 2019 Following his bestselling quest for Soviet Bus Stops, Canadian photographer Christopher Herwig has completed a subterranean expedition photographing the stations of each Metro network of the former USSR. From extreme marble and chandelier opulence to brutal futuristic minimalist glory, *Soviet Metro Stations* documents this wealth of diverse architecture.

Metro Paris Subway Introduction

In today's digital age, the availability of Metro Paris Subway books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Metro Paris Subway books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Metro Paris Subway books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Metro Paris Subway versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Metro Paris Subway books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the

content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Metro Paris Subway books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Metro Paris Subway books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Metro Paris Subway books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Metro Paris Subway books and manuals for download and embark on your journey of knowledge?

FAQs About Metro Paris Subway Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Metro Paris Subway is one of the best book in our library for free trial. We provide copy of Metro Paris Subway in digital format, so the resources that you find are reliable. There are also many Ebooks of

related with Metro Paris Subway. Where to download Metro Paris Subway online for free? Are you looking for Metro Paris Subway PDF? This is definitely going to save you time and cash in something you should think about.
