The Mighty Mastiff of the Mayflower Peter Arenstam, 2012
In the fall of 1620, Pilgrims aboard the Mayflower sailed across the ocean from Plymouth, England, to start a new life in what became Plymouth, Massachusetts. They brought along lots of supplies and animals too, including a

mighty mastiff. Based on the real dog that braved the Atlantic with the first settlers comes the story of Grace, who bonds with a young boy along the adventurous journey. The Mighty Mastiff of the Mayflower presents a fresh--and furry--view of one of the most famous American stories, as author Peter Arenstam and illustrator Karen Busch Holman tell of Grace's struggles with new surroundings and the home she left behind

A Dog Story: the Life of a Mighty Beast and a Best Friend Jim Rodgers, 2012-12-10 My name is Jim Rodgers, and I have had a very interesting life. My wife left me with two small children (one who had been devastated by spinal meningitis) to go to California and chase a life of drugs and alcohol. I was forced to pick up the pieces and raise my children alone, which I did for 10 years before remarrying. In spite of being a single dad and a full-time high school English teacher with two kids, I felt like my family was incomplete, and I decided my kids needed a big dog, and so I bought Conan, a huge Bullmastiff, when he was four weeks old. After a near-death struggle with e-coli, Conan would change our lives in ways I could never have imagined during his 12 years with us, and my book tells how that happened. More than that, it tells the story of a single father and former college All-American football player trying to raise his kids (and 2 dogs and even a rescued cat) alone while teaching high school English full time. I think it's a story that many people would relate to, including pet owners, single parents, people with families, teachers, teens, and anyone who has faced adversity in life. I wrote the book as a tribute of sorts to my dog, but it's really the story of how pets can complete a family, even one that's been devastated.

Call Me Babagbose Damola Taiwo, 2013-05-23 My new book tells us how the animal affects one's nature (atmospheric condition). These animals are the termites, insects, bees, ants, spiders, etc. The actual name I used for my main character is known as Baba Bose. However, I decided to combine the words together and I added the letter 'G' to the name to make it more unique. It's a great native African name if not changed or combined. It's a masculine name: Baba. Baba means 'father' or a 'big man' (Baba O). Bose is a feminine name. For example: Baba Bose (The Father of 'Bose'). However, it varies on how it is used. ABOUT THE CHARACTER: Babagbose has that characteristics of having pride and appreciation towards whatever comes around him. Although, he went through so many consequences and that made him stronger to withstand what was around him. However, he wasn't able to face everything that he encountered. He was getting familiar with the creative environment.
