**The Rational Male** - Rollo Tomassi,2017-07-25 Building once more on the core works of The Rational Male by Rollo Tomassi, Positive Masculinity is the newest supplemental reading in the series designed to give men, not a prescription, but actionable information to build better lives for themselves based on realistic and objective intersexual dynamics between men and women. Rational and pragmatic, the book outlines four key themes: Red Pill Parenting, The Feminine Nature, Social Imperatives and Positive Masculinity. Free of the pop-psychology pablum about parenting today, Red Pill Parenting is primarily aimed at the fathers (and fathers-to-be) who wanted more in depth information about raising their sons and daughters in a Red Pill aware context. While not an instruction manual, it will give men some insight into how to develop a parenting style based on Red Pill principles as well as what they can expect their kids to encounter from a feminine-primary social order determined to 'educate' them. The Feminine Nature is a collection of essays, revised and curated, that specifically address the most predictable aspects of the female psyche. It outlines and explores both the evolutionary and socialized reasons for women's most common behaviors and their motives, and how men can build this awareness into a more efficient way of interacting with them. Social Imperatives details how the female psyche extrapolates into western (and westernizing) cultural narratives, social dictates and legal and political legislation. This is the Feminine Imperative writ large and this section explores how feminism, women's sexual strategy and primary life goals have molded our society into what we

take for granted today. Also detailed is the 'women's empowerment' narrative, and the rise of a blank-slate egalitarian equalism masking as a form of female supremacism that has fundamentally altered western cultures. The last section, Positive Masculinity, is comprised of essays, reformed and expanded upon, that will give men a better idea of how to define masculinity for themselves from a conventional and rational perspective. In an era when popular culture seeks to dismiss, ridicule, shame and obscure masculinity, this section and this book is intended to raise men's awareness of how fluid redefinitions of masculinity have been deliberately used to disempower and feminize men by a feminine-primary social order. This book is the third in of series complements to The Rational Male, the fifteen-year core writing of author/blogger Rollo Tomassi from [therationalmale.com](http://therationalmale.com). Rollo Tomassi is one of the most prominent voices in the globally growing, male-focused online consortium known as the Manosphere as well as one of the 'Godfathers' of intersexual Red Pill awareness.

**Matchmaking a Billionaire** Angela Denise, 2022-04-25 He's everyone's dream man but hers. Bryn I used to believe in what we do at Mayberry Matchmakers, but now? Love is just another four-letter word. Too bad my grandmother hasn't gotten the memo. When tech billionaire Rory Byrne approaches us, wanting to develop the matchmaking app my sister and I dreamed up (and Nana shot down), she jumps at the chance. My grandmother is nothing if not opportunistic. Of course, there's a catch. She'll only do it if Rory lets us matchmake him the old-fashioned way. He's going to say no. Please God, let him say no. The last thing I want to do is matchmake an entitled rich jerk...especially one who looks like sin and talks a good game. \*\*\* Rory I've screwed up in love a few times, but I never screw up in business. Mayberry Matchmakers has the idea for something amazing, and I have the money and the experience to make it come to life. I should deny Nana Mayberry's condition. If I let them matchmake me, it'll be all over the news, and making headlines has never interested me...especially not after the personal betrayal that nearly broke me. But I'm having trouble caring about what I should do, because Bryn Mayberry is smart, snarky, and not the slightest bit impressed with me. Actually, this may be Mayberry Matchmakers' easiest job yet.

How to Date a Millionaire Mariah Beck-Johnson, 2017-08-20 Finding your Millionaire Dating love is relatively the easy part. The hard part is building up a good relationship and keeping the romance burning. The way to a man's heart is through their stomach. Yes, this is true. Thus, cooking and serving a delicious meal would show your new lover that you care about them and that you are also creative and capable. Definitely a keeper. Cooking for someone is a good way to say I care for you without needing to say the words out loud. Millionaires are quite an attraction to women considering that they offer financial security. This is something many women wish to enjoy. These financially accomplished people can however be hard to meet considering that they are forever immersed in their businesses, moving from one meeting to another or running personal errands in personalized ways. This makes it harder for ordinary people to meet up with them. However, as exciting and as romantic dating a millionaire may sound, a lot of things might go wrong. Would your food come out edible? How would you know? Are you sure that the food you prepared is something that they like or can eat? It's no secret that wealth is an important factor for many people when it comes to finding a new partner. If you have always wanted to date a millionaire; you are certainly not alone. After all, what woman would not want to be pampered and showered with lavish and expensive gifts week after week, or even for a lifetime. And so many more...

Dr. Thomas J. Stanley also builds on his research from *The Millionaire Next Door* and takes us further into the psyche of the American millionaire. Stanley focuses in on the top one percent of households in America and tells us the motor behind the engine; what makes them tick. His findings on how these families reached such financial success are based on in-depth surveys and interviews with more than thirteen hundred millionaires. “A very good book that deserves to be well read.” —The Wall Street Journal “Worth every cent . . . It’s an inspiration for anyone who has ever been told that he wasn’t smart enough or good enough.” —Associated Press “A high IQ isn’t necessarily an indicator of financial success . . . The Missing Cryptoqueen Jamie Bartlett,2022-06-28 175 countries, four billion dollars, one scam: the thrilling rise and fall of the biggest cryptocurrency con in history and the woman behind it all In 2016, on stage at Wembley Arena in front of thousands of adoring fans, Dr. Ruja Ignatova promised her followers a financial revolution. The future, she said, belonged to cryptocurrencies such as Bitcoin. And the Oxford-educated, self-styled cryptoqueen vowed that she had invented the Bitcoin Killer. OneCoin would not only earn its investors untold fortunes; it would change the world. By March 2017, more than \$4 billion had been invested in OneCoin in countries all around the world. But by October 2017, Ruja Ignatova had disappeared, and it slowly became clear that her revolutionary cryptocurrency was not all it seemed. Fortune was left asking, "Is OneCoin the biggest financial fraud in history?" In *The Missing Cryptoqueen*, acclaimed tech journalist Jamie Bartlett tells the story he began in his smash hit BBC podcast, entering the murky worlds of little-regulated cryptocurrencies and multilevel marketing schemes. Through a globe-crossing investigation into the criminal underworlds, corrupt governments, and the super-rich, he reveals a very modern tale of intrigue, techno-hype and herd madness that allowed OneCoin to become a million-person pyramid scheme—where, at the top, investors were making millions and, at the bottom, people were putting their livelihoods at risk. It's the inside story of the smartest and biggest scam of the 21st Century—and the genius behind it, who is still on the run.

*Matchbook* Samantha Daniels, 2009-10-30 Fans of Sex and the City and Bridget Jones's Diary, and anyone who loves to date vicariously, will fall in love with Matchbook. In this irresistible read, America's hippest Matchmaker borrows from her real-life experiences to create an urban love story about searching for The One. When people learn what Samantha Daniels does for a living, they have to know more: How did she become a Match-maker? How many matches have led to marriage? How does it work? Who's her craziest client? And most of all, how can a Matchmaker be single? Samantha Daniels is unlike any Matchmaker you've ever heard of. Young, ambitious, and, yes, single, she's the founder of Samantha's Table, an introduction service that caters to singles in New York and Los Angeles who are ready to invest seriously in the task of finding The One. After handpicking their matches, Daniels works with her clients as their cheerleader, part-time therapist, dating coach, voice of reason, and closest confidante as she helps them down the road to happily ever after. Readers learn how Daniels started her Matchmaking business (How much do you charge for finding the love of someone's life? How do you screen out the Undatables?) and get to know the colorful cast of characters whom she fondly refers to as her Desperados. There's Mr. Cheapskate, Miss Manhunt, and Looks Good from Afar Guy. There's the 39-year-old female corporate exec who wants a husband yesterday; there's the guy who will only date women worthy of Brad Pitt; there's the gazillionaire who offers a \$60,000 bonus if Samantha can find him a supermodel wife; there's the very well endowed woman who's having trouble finding men attracted to her mind; and a host of others. Will Samantha be able to make them a match? And more importantly, will this Matchmaker find herself a match? You would think that meeting hundreds of single men would make dating a snap, but not even a Matchmaker can avoid the pitfalls of single life. Readers are introduced to another lively cast of characters -- the men that Daniels herself dates. Readers meet the many Not for Me Guys and a few Maybe for Me Guys, to see that even a celebrated Matchmaker can be a Desperado herself. Throughout the book, Daniels also offers real dating advice (such as the most common first-date mistakes and tried-and-true conversation topics) and secrets of the trade (why September is the best month for Matchmaking). Like a real-life episode of The Bachelor, Matchbook is a wild ride through the flirty, unpredictable world of urban dating, with a wise and witty guide at the helm. For those who love romance and anyone looking for love, Matchbook is a perfect match.
