Nathaniel Parker Willis

Maniac Magee Jerry Spinelli, 2014-01-28 A Newbery Medal winning modern classic about a racially divided small town and a boy who runs. Jeffrey Lionel Maniac Magee might have lived a normal life if a freak accident hadn't made him an orphan. After living with his unhappy and uptight aunt and uncle for eight years, he decides to run--and not just run away, but run. This is where the myth of Maniac Magee begins, as he changes the lives of a racially divided small town with his amazing and legendary feats.

A Mania of Love J N Pratley, 2015-11-30 Plato proclaims two kinds of mania: one arising from disease, the other from love. Clarence, a bipolar classics professor, conjoins them while on sabbatical on the mystical Greek island of Hydra. His love affair with a seductive French waitress becomes pathological when she threatens with blackmail the professor's marriage with his beloved wife. To escape her clutches, he resorts to a violent solution, justified on the ancient beliefs of the poet Archilochus and of death-life transformations by Asklepios, the father of psychiatry. The method is macabre, worthy of a Euripides tragedy, but Clarence, because of his mental condition and classical idealism, represses all memory of his heinous deed. It remains for the inspector from Athens to determine whether Clarence has moral justification or whether he has to pay for his infidelity.

Dead on the Dance Floor Heather Graham,Debra

Webb,2018-02-01 Get swept up in this fun and fast-paced classic romantic suspense from New York Times bestselling author Heather Graham. Accomplished dancer Lara Trudeau drops dead of a heart attack brought on by a lethal combination of booze and pills. To former private investigator Quinn O'Casey, it's a simple case of death by misadventure. But when his brother Doug, a Miami-Dade patrolman, asks for help, he can't refuse. Especially when he learns that Lara and Doug—a student at the Moonlight Sonata dance studio where Lara occasionally taught—were having an affair. And despite Quinn's lack of interest in the case and even less in dancing, experience has taught him not to count on the obvious when it comes to murder. Going undercover as a dance student, Quinn meets studio manager Shannon Mackay, a beautiful, graceful woman who has left world-class competition to teach. He also uncovers some disturbing facts. Everyone there had a reason to hate Lara Trudeau, a woman as ruthless as she was... Originally published in 2004

Mein Kampf Adolf Hitler,2024-02-26 Madman, tyrant,

animal—history has given Adolf Hitler many names. In Mein Kampf (My Struggle), often called the Nazi bible, Hitler describes his life, frustrations, ideals, and dreams. Born to an impoverished couple in a small town in Austria, the young Adolf grew up with the

fervent desire to become a painter. The death of his parents and outright rejection from art schools in Vienna forced him into underpaid work as a laborer. During the First World War, Hitler served in the infantry and was decorated for bravery. After the war, he became actively involved with socialist political groups and quickly rose to power, establishing himself as Chairman of the National Socialist German Worker's party. In 1924, Hitler led a coalition of nationalist groups in a bid to overthrow the Bavarian government in Munich. The infamous Munich Beer-hall putsch was unsuccessful, and Hitler was arrested. During the nine months he was in prison, an embittered and frustrated Hitler dictated a personal manifesto to his loyal follower Rudolph Hess. He vented his sentiments against communism and the Jewish people in this document, which was to become *Mein Kampf*, the controversial book that is seen as the blue-print for Hitler's political and military campaign. In *Mein Kampf*, Hitler describes his strategy for rebuilding Germany and conquering Europe. It is a glimpse into the mind of a man who destabilized world peace and pursued the genocide now known as the Holocaust.

Projections The Projections S. E. Porter, 2024-02-13 S. E. Porter, critically-acclaimed YA author of *Vassa in the Night*, bursts onto the adult fantasy scene with her adult novel that is sure to appeal to fans of Jeff VanderMeer and China Mieville. Love may last a lifetime, but in this dark historical fantasy, the bitterness of rejection endures for centuries. As a young woman seeks vengeance on the obsessed sorcerer who murdered her because he could not have her, her murderer sends projections of himself out into the world to seek out and seduce women who will return the love she denied—or suffer mortal consequence. A lush, gothic journey across worlds full of strange characters and even stranger magic. Sarah Porter's adult debut explores misogyny and the soul-corrupting power of unrequited love through an enchanted lens of violence and revenge. Also by Sarah Porter: *Vassa in the Night* *When I Cast Your Shadow* *Never-Contented Things* *At the*
