The Growth Spiral Hans Christoph Binswanger,2012-12-14 This book develops a new theory of the modern economy. Conventional economic theory is (still) based on an essentially static notion of equilibrium. In contrast, this book offers an analysis of the economic process based on a truly dynamic approach. It understands modern economic activity as manifesting itself in a growth spiral. There are two main drivers of the dynamics of this spiral: steady money creation in the banking system, on the one hand; and the continuous inflow of energy and raw materials through the exploitation of natural resources, on the other. Both driving forces are generally neglected by the conventional theory. Understanding their role is absolutely essential for preventing our economy from being more and more exposed to financial and ecological crises. This book offers important insights about the functioning of the modern economy and addresses the specialist as well as the interested lay reader.

**Summary of Vicki Robin & Joe Dominguez's Your Money or Your Life** Milkyway Media,2023-08-02 Buy now to get the main key ideas from Vicki Robin & Joe Dominguez's Your Money or Your Life Sustainability activists Vicki Robin and Joe Dominguez present a nine-step program to achieve financial freedom in the revised edition of Your Money or Your Life (2018, originally published in 1992). You will learn to see money as life energy that can be used to prosper not only financially but also on personal and societal levels. The goal is to reach a point where you have enough money to live a peaceful and joyful life, instead of perpetually working toward an indeterminate financial target and wasting your life trying to achieve it.

*Financial Management of Libraries and Information Centers* Robert H. Burger,2016-08-22 Covering everything from auditing and budgeting to contracts, revenue and expenditures, forecasting, and ethics in financial management, this book addresses the full spectrum of topics and skills needed by today's library managers. Many library managers learn financial management on the job, within the framework of a specific organization. The sink or swim method of skill acquisition can be effective, but it is inefficient, stressful, and typically leaves one lacking in foundational concepts and principles. This book provides a logical, organized way for library school students, librarians, and others such as library board members to gain the specific knowledge critical to the financial management of libraries and information centers. This book covers the full spectrum of topics and skills needed by today's managers—from the basics of budgeting, accounting, and financial statements to audits, forecasting, risk management, and revenue sources. There are even chapters on ethical considerations and advocacy. The skills readers will learn from this guide are of critical importance in this era of financial constraints and accountability at every level of the organization. Students in management and financial management courses and practicing library managers seeking to

improve their financial management skills will find this book an essential tool for success.

**How to Create an Income for Life** Margaret Lomas,2012-01-27 Margaret Lomas stormed onto the investment scene in mid-2001. Her first book, **How to Make Your Money Last as Long as You Do**, quickly sold out and reprinted twice within the first eight months of being on sale. Investors clamoured to attend speaking engagements and she was swiftly picked up by two radio stations for regular finance talk-back segments. Margaret's key to long-term wealth creation is a unique approach she and her husband have followed themselves, with proven success, for years. These pages are not full of hyped-up theory and get-rich-quick promises, but contain a step-by-step, easy-to-follow positive cash flow investment strategy that almost anyone can adopt to create an income for life. Chapters offer useful information on: Safely investing in positive cash flow property Taking advantage of home equity and hedging against the usual pitfalls of investing in property Employing a specific borrowing strategy which eliminates debt quickly The questions to ask when researching your market Following strict, unemotional guidelines for investment property selection.

UNSCRIPTED - The Great Rat Race Escape MJ DeMarco,2021-06-29 **Has Your Life Been Conscripted by an Economic Religion? Learn How to Free Yourself and Your Life Through the Power of Fastlane Entrepreneurship** By all appearances, Jeff and Samantha Trotman are living the American Dream. But behind the white picket fence, they endure an American Nightmare. With little time for each other, a pile of debt, and Ferrari taste on a Ford budget, the ruse of affluence is killing them. Two respectable jobs and a lovely suburban house paint a pretty picture, but behind the ink is a broken marriage rife with meaningless work and dead dreams. And now, with an unplanned pregnancy, they're facing a mid-life crisis twenty years early. With little time and looming bankruptcy, the Trotmans are forced to face the red-pill truth they long denied: They were alive, but they weren't living. Determined to resurrect their life and their marriage, the Trotmans plot a rat-race escape-only to find themselves more thickly in it. As tensions rise and hope fades, follow along step-by-step as the Trotmans pivot to a new strategy and a new career: starting a business as entrepreneurs. While they navigate their journey, you'll learn 120 wealth-building strategies and principles that your mainstream financial guru won't dare reveal-actionable concepts that will help you profit your way into the Unscripted 1%, an emerging economic class of entrepreneurs who enjoy a lifetime of freedom emancipated from miserly living and Wall Street's save, pray, and wait paradigm. Discover how one family

escapes the rat-race grind and wins a lifetime of financial freedom, leaving behind the tyranny of meaningless jobs and mediocre living- and how you can too. Here is just a little of what you will learn: The Bad Math Principle: Why most people will never escape the rat-race, much less earn financial freedom. The 1/5/10 Strategy: How this one simple exercise will unearth your ultimate dream life while establishing a decision framework for its reality. The Honeypot Principle: Why the financial media's invest a \$100/mo for 40 years in indexed-funds narrative is part of the same rat-race scheme, just a different side of the same rigged coin. The Dual Change Strategy: The two divergent sides of change and how it can make you a fortune. The Value Skew Strategy: How to find literally 1000s of business ideas and why you never need to disrupt or invent anything new or novel. The Millionaire Payday Strategy: How to spot opportunities to hire yourself and earn an instant millionaire-making income. The Cinderella Principle: Why starting a business based on a cultural trend or a fad is a horrible idea. The Perseverance Strategy: Never struggle with motivation again; the four necessary ingredients to tap into unlimited motivation and determination, regardless of the obstacles in your way. The Triangulated Value Strategy: Learn how to never quit three-feet from gold: The 3-pronged strategy in maximizing marketing yields while also illuminating the quit or continue decision. and over 110+ more! Don't let the rat-race and its co-conspirators proclaim your life as non-essential. Don't let the rat-race entice you to save your life away for the promise of an elderly retirement. Don't let the rat-race lull you into a tedious existence medicated by television, video games, and trivial sporting events. Go Unscripted, escape the rat-race, and win your happily-ever-after.
