**Solve for Happy** Mo Gawdat, 2017-03-21 In this “powerful personal story woven with a rich analysis of what we all seek” (Sergey Brin, cofounder of Google), Mo Gawdat, Chief Business Officer at Google’s [X], applies his superior logic and problem solving skills to understand how the brain processes joy and sadness—and then he solves for happy. In 2001 Mo Gawdat realized that despite his incredible success, he was desperately unhappy. A lifelong learner, he attacked the problem as an engineer would: examining all the provable facts and scrupulously applying logic. Eventually, his countless hours of research and science proved successful, and he discovered the equation for permanent happiness. Thirteen years later, Mo’s algorithm would be put to the ultimate test. After the sudden death of his son, Ali, Mo and his family turned to his equation—and it saved them from despair. In dealing with the horrible loss, Mo found his mission: he would pull off the type of “moonshot” goal that he and his colleagues were always aiming for—he would share his equation with the world and help as many people as possible become happier. In *Solve for Happy* Mo questions some of the most fundamental aspects of our existence, shares the underlying reasons for suffering, and plots out a step-by-step process for achieving lifelong happiness and enduring contentment. He shows us how to view life through a clear lens, teaching us how to dispel the illusions that cloud our thinking; overcome the brain’s blind spots; and embrace five ultimate truths. No matter what obstacles we face, what burdens we bear, what trials we’ve experienced, we can all be content with our present situation and optimistic about the future.

**The Future of Capitalism** Paul Collier, 2018-12-04 Bill Gates's Five Books for Summer Reading 2019 From world-renowned economist Paul Collier, a candid diagnosis of the failures of capitalism and a pragmatic and realistic vision for how we can repair it. Deep new rifts are tearing apart the fabric of the United States and other Western societies: thriving cities versus rural counties, the highly skilled elite versus the less educated, wealthy versus developing countries. As these divides deepen, we have lost the sense of ethical obligation to others that was crucial to the rise of post-war social democracy. So far these rifts have been answered only by the revivalist ideologies of populism and socialism, leading to the seismic upheavals of Trump, Brexit, and the return of the far-right in Germany. We have heard many critiques of capitalism but no one has laid out a realistic way to fix it, until now. In a passionate and polemical book, celebrated economist Paul Collier outlines brilliantly original and ethical ways of healing these rifts—economic, social and cultural—with the cool head of pragmatism, rather than the fervor of ideological revivalism. He reveals how he has personally lived across these three divides, moving from working-class Sheffield to hyper-competitive Oxford, and working between Britain and Africa, and acknowledges some of the failings of his profession. Drawing on his own solutions as well as ideas from some of the world’s most distinguished social scientists, he shows us how to save capitalism from itself—and free ourselves from the intellectual baggage of the twentieth century.

**Mio, My Son** Astrid Lindgren, 2019-06-18 A delightful fantasy tale about family by the author of the internationally best-selling Pippi Longstocking books, now in paperback Nine-year-old Karl Anders Nilsson is the unwelcome foster child of an uncaring couple. Lonely and neglected, he yearns for simple things, things that many children already have: a warm and loving home of his own, someone to share his sorrows and joys with, and, most important, his real father. Then, on October 15, Karl simply disappears. Where has he gone? (Police are searching for him ) But Karl is far away from chilly Stockholm, in Farawayland, where he has found his father, who is none other than the king of that land. And now Karl faces a truly dangerous mission. Prophecies have foretold his coming for thousands of years. He, his new best friend Pompoo, and Miramis, his wonderful flying

horse with a golden mane, must travel together into the darkness of Outer Land to do battle with Sir Kato, the cruel abductor of the children of Farawayland. Only a child of the royal blood can stop him...

*The Hundred-Year Marathon* Michael Pillsbury,2015-02-03 One of the U.S. government's leading China experts reveals the hidden strategy fueling that country's rise – and how Americans have been seduced into helping China overtake us as the world's leading superpower. For more than forty years, the United States has played an indispensable role helping the Chinese government build a booming economy, develop its scientific and military capabilities, and take its place on the world stage, in the belief that China's rise will bring us cooperation, diplomacy, and free trade. But what if the China Dream is to replace us, just as America replaced the British Empire, without firing a shot? Based on interviews with Chinese defectors and newly declassified, previously undisclosed national security documents, *The Hundred-Year Marathon* reveals China's secret strategy to supplant the United States as the world's dominant power, and to do so by 2049, the one-hundredth anniversary of the founding of the People's Republic. Michael Pillsbury, a fluent Mandarin speaker who has served in senior national security positions in the U.S. government since the days of Richard Nixon and Henry Kissinger, draws on his decades of contact with the hawks in China's military and intelligence agencies and translates their documents, speeches, and books to show how the teachings of traditional Chinese statecraft underpin their actions. He offers an inside look at how the Chinese really view America and its leaders – as barbarians who will be the architects of their own demise. Pillsbury also explains how the U.S. government has helped – sometimes unwittingly and sometimes deliberately – to make this China Dream come true, and he calls for the United States to implement a new, more competitive strategy toward China as it really is, and not as we might wish it to be. *The Hundred-Year Marathon* is a wake-up call as we face the greatest national security challenge of the twenty-first century.

*12 Rules for Life* Jordan B. Peterson,2018-01-23 #1 NATIONAL BESTSELLER #1 INTERNATIONAL BESTSELLER What does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. *12 Rules for Life* shatters the modern commonplaces of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers.

**Cranes Among Chickens** James J. Ong,2012-05-03 *Cranes Among Chickens* is a compelling memoir about a Taiwanese family, with tales of immigrants and pioneers, of ambition and rebellion, of three generations spanning one hundred years, two continents, five countries, and three wars. This family saga mirrors a tumultuous period in history as Taiwan transitioned from a 19th century backwater to a 21st century economic powerhouse. These collected stories drawn from diaries, letters, oral accounts, and the authors recollections of his own journey to American citizenship and professional acclaim provide a candid portrait of a remarkable family that has endured great change and overcome numerous challenges.

**Diva Nation** Laura Miller, Rebecca Copeland, 2018-06-08 Diva Nation explores the constructed nature of female iconicity in Japan. From ancient goddesses and queens to modern singers and writers, this edited volume critically reconsiders the female icon, tracing how she has been offered up for emulation, debate or censure. The research in this book culminates from curiosity over the insistent presence of Japanese female figures who have refused to sit quietly on the sidelines of history. The contributors move beyond archival portraits to consider historically and culturally informed diva imagery and diva lore. The diva is ripe for expansion, fantasy, eroticization, and playful reinvention, while simultaneously presenting a challenge to patriarchal culture. Diva Nation asks how the diva disrupts or bolsters ideas about nationhood, morality, and aesthetics.

**I Cannibali di Mao** Marco Lupis, 2019-07-16 T00:00:00+02:00 Come mai la Cina, fino a ieri produttore di mercanzia a basso costo, oggi domina il mercato high-tech mondiale, si impone come attore globale, assume il controllo economico e finanziario di intere nazioni ed è in grado di "richiamare all'ordine" persino gli Stati Uniti d'America? In questo libro Marco Lupis ci spiega l'origine del nuovo potere globale cinese, quali sono le sue radici e dove ci sta portando. Lo fa cominciando da quell'alba umida e rovente del 1995 quando - giovane reporter poco più che trentenne - atterrava per la prima volta nella sua vita nel vecchio aeroporto Kai Tak di Hong Kong, lembo di terra in Cina, allora ancora saldamente colonia di Sua Maestà la Regina d'Inghilterra, e aveva inizio così quella che lui stesso ha definito: "Una vera storia d'amore, vissuta non con un'altra persona, ma con un continente, l'Asia, e con un popolo in particolare: i cinesi". E in Cina, basato a Hong Kong, ci rimarrà - salvo brevi pause - fino a oggi, raccontandone ai lettori - da corrispondente delle maggiori testate italiane e della RAI - l'attualità più stringente, gli avvenimenti più imprevisti e curiosi, e quella diversità che la rende unica. Ricco di notizie e di avventure, di emozioni, testimonianze e anche ironia, questo libro è un ininterrotto reportage lungo venticinque anni e un irripetibile diario di viaggio, ma soprattutto è l'appassionante romanzo della storia umana di un giornalista, di un uomo, che ha attraversato le trasformazioni e gli sconvolgimenti degli ultimi decenni in Cina, e per questo è in grado, più di molti altri, di aiutarci a comprendere l'attualità e i pericoli rappresentati dalla Cina di oggi.

Three Sisters Bi Feiyu, 2010-08-09 In a small village in China, the Wang family has produced seven sisters in its quest to have a boy; three of the sisters emerge as the lead characters in this remarkable novel. From the small-town treachery of the village to the slogans of the Cultural Revolution to the harried pace of city life, Bi Feiyu follows the women as they strive to change the course of their destinies and battle against an “infinite ocean of people” in a China that does not truly belong to them. Yumi will use her dignity, Yuxiu her powers of seduction, and Yuyang her ambition—all in an effort to take control of their world, their bodies, and their lives. Like Dai Sijie's *Balzac and the Little Chinese Seamstress*, Arthur Golden's *Memoirs of a Geisha*, and J.G. Ballard's *Empire of the Sun*, *Three Sisters* transports us to and immerses us in a culture we think we know but will understand much more fully by the time we reach the end. Bi's *Moon Opera* was praised by the Los Angeles Times, the Minneapolis Star Tribune, and other publications. In one review Lisa See said: “I hope this is the first of many of Bi's works to come to us.” *Three Sisters* fulfills that wish, with its irreplaceable portrait of contemporary Chinese life and indelible story of three tragic and sometimes triumphant heroines.
