A Course in Miracles Foundation for Inner Peace, 1996 Inner voice of Helen Schucman, recorded by William Thetford.

The Age of Miracles Marianne Williamson, 2008-01-01 As seen on OWN's Super Soul Sunday! The need for change as we get older—an emotional pressure for one phase of our lives to transition into another—is a human phenomenon, neither male nor female. There simply comes a time in our lives—not fundamentally different from the way puberty separates childhood from adulthood—when it's time for one part of ourselves to die and for something new to be born. The purpose of this book by best-selling author and lecturer Marianne Williamson is to psychologically and spiritually reframe this transition so that it leads to a wonderful sense of joy and awakening. In our ability to rethink our lives lies our greatest power to change them. What we have called middle age need not be seen as a turning point toward death. It can be viewed as a magical turning point toward life as we've never known it, if we allow ourselves the power of an independent imagination, utilizing thought-forms that don't simply flow in a perfunctory manner from ancient assumptions handed down to us, but rather flower into new archetypal images of a humanity just getting started at 45 or 50. What we've learned by that time, from both our failures as well as our successes, tends to have humbled us into purity. When we were young, we had energy but were clueless about what to do with it. Today, we have less energy, perhaps, but we have far more understanding of what each breath of life is for. And now at last, we have a destiny to fulfill—not a destiny of a life that's simply over, but rather a destiny of a life that is finally truly lived. Midlife is not a crisis; it's a time of rebirth. It's not a time to accept your death; it's a time to accept your life—and to finally, truly live it, as you and you alone know deep in your heart it was meant to be lived.

Illuminata Marianne Williamson, 2013-01-30 Marianne Williamson's bestselling *A Return to Love* ended with a prayer in which she asked God to help us find our way home, from the pain to peace, from fear to love, from hell to Heaven. Now, in this stunning new collection of thoughts, prayers, and rites of passage, Marianne Williamson returns to prayer. Prayer is practical, Williamson tells us. To look to God is to look to the realm of consciousness that can deliver us from the pain of living. *Illuminata* brings prayer into our daily lives, with prayers on topics from releasing anger to finding forgiveness, from finding great love to achieving intimacy. There are prayers for couples, for parents, and for children; prayers to mend broken relationships and prayers to overcome obsessive and compulsive love. There are prayers to heal the soul, prayers to heal the body, and prayers for work and creativity. Williamson also gives us prayers for the healing of America, including two prayers that have had powerful effects on audiences at her lectures: a prayer of amends on behalf of European Americans to African-Americans and one to Native Americans. How, Williamson asks, can we expect anyone to forgive when we have made no formal apology? Another section includes rites of passage, ceremonies of light for the signal events in our lives: blessing of the newborn, coming of age, marriage, and death. There is also a ceremony of the elder, for moving into midlife, and a ceremony of divorce, in which a gentle transition is provided for both the couple and their children. Read my prayers or someone else's, Williamson says. By all means, create your own. *Illuminata* is a way to bring prayer into practical use, creating a sweeter, more abundant life for yourself and the people you care for. No conventional therapy, she says, can release us from a deep and abiding psychic pain. Through prayer we find what we cannot find elsewhere: a peace that is not of this world.

A Course In Weight Loss Marianne Williamson, 2010 For so many people, whether your addiction is to a substance or merely to a certain way of thinking or acting, a profound humbling occurs when you realize that your problem is

At that point, you go in one of two directions: either way, way down, or way, way up. . . . This book is for you if you know in your heart that you are an addict, and that you are powerless before your addictive behavior. As the title promises, Marianne Williamson looks at weight loss from a spiritual perspective, bringing you 30 lessons that can be done separately or in conjunction with any other serious spiritual path. These 30 lessons are completely separate from anything related to diet or exercise they will retrain your consciousness in the area of weight in order to break the cycle of overeating, dieting, and shame that rules so many lives. Finally, Marianne has brought you what you've been waiting for: help to heal your addiction once and for all!

The Gift of Change Marianne Williamson, 2009-03-17 Bestselling author of *Return to Love* and *Law of Divine Compensation*, Marianne Williamson shows people how to live without fear or worry in *The Gift of Change*. The time in which we now live is more difficult and stressful than people are willing to admit. We live with an abiding sense of collective anxiety. Williamson shows how we are paralyzed in our current state of fear and anger because we are not facing and dealing with the true causes of our anxieties and fears. Williamson reveals that fear and worry do not need to be the only tools in our tool box for dealing with problems in the world. As we learn to trust God and the love that surrounds us and guides us, we will see that what causes us pain is an opportunity for growth, healing, and miracles that can transform us and our world. Williamson delivers hope and healing as she illuminates ten basic changes that each of us can make as we learn to view the world through the eyes of love instead of fear.

The Age of Miracles Karen Thompson Walker, 2012-06-26 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY People • O: The Oprah Magazine • Financial Times • Kansas City Star • BookPage • Kirkus Reviews • Publishers Weekly • Booklist NEW YORK TIMES BESTSELLER "A stunner."—Justin Cronin "It's never the disasters you see coming that finally come to pass—it's the ones you don't expect at all," says Julia, in this spellbinding novel of catastrophe and survival by a superb new writer. Luminous, suspenseful, unforgettable, *The Age of Miracles* tells the haunting and beautiful story of Julia and her family as they struggle to live in a time of extraordinary change. On an ordinary Saturday

in a California suburb, Julia awakes to discover that something has happened to the rotation of the earth. The days and nights are growing longer and longer; gravity is affected; the birds, the tides, human behavior, and cosmic rhythms are thrown into disarray. In a world that seems filled with danger and loss, Julia also must face surprising developments in herself, and in her personal world—divisions widening between her parents, strange behavior by her friends, the pain and vulnerability of first love, a growing sense of isolation, and a surprising, rebellious new strength. With crystalline prose and the indelible magic of a born storyteller, Karen Thompson Walker gives us a breathtaking portrait of people finding ways to go on in an ever-evolving world. “Gripping drama . . . flawlessly written; it could be the most assured debut by an American writer since Jennifer Egan’s *Emerald City*.”—The Denver Post “Pure magnificence.”—Nathan Englander “Provides solace with its wisdom, compassion, and elegance.”—Curtis Sittenfeld “Riveting, heartbreaking, profoundly moving.”—Kirkus Reviews (starred review) Look for special features inside. Thank & Grow Rich Pam Grout,2016-08-30 There are a lot of gratitude books out there, but none quite like this, which comes with actual gifts: a sign, a totem, an answer, and a present from the natural world! Most of us believe we can think our way out of problems. We believe that if we just exert enough mental effort, we will pull up a solution to whatever ails us. And that has gotten us nowhere. So in this book, we're going to forget thinking . . . and start thanking. This playful but easy practice has the power to reconnect us with our true nature. When we observe the world from a place of gratitude, when we use our attention to spot beauty and gaze at wonder, we tune in to a frequency of magic. This joy channel is the most powerful on the planet and has the capability to radically change our lives. Brazen gratitude provides a portal—an entry point—straight into the heart of the field of infinite possibilities described in Pam Grout's bestseller E-Squared. It enables you to align with the spaciousness of the cosmic energy field, the spaciousness that makes your life a love-shining prism. Thanking puts you on an energetic frequency—a vibration—that calls in miracles and will make you rich (in spirit), happy, and madly in love (with life). This book also offers a different perspective on abundance, which is not just financial capital.
