Abby's Magic Mirror Doris Asche,2011-01-12 After her mother buys her a very special mirror at a garage sale, Abby Benton is anxious to hang it in her room. She loves to dream about whom it used to belong to and what kind of life they lived. Then one day, something very strange happens: Abby begins to see into the past! Abby watches as the lives of the Allen family unfold in a small, suburban house during the 1940s. The family fixes up the modest home, and the two girls, six-year-old Nancy and four-year-old Darla, make friends in the neighborhood. When World War II begins, Abby sees the family put up blackout curtains, listen to air-raid sirens, and plant victory gardens. As the years pass, Abby continues to watch the Allen family grow and change, learning exciting and interesting details of life during the 1940s and 1950s. From the introduction of television to seeing the girls go on double-dates at the drive-in movie theater, Abby's interest in history increases. Abby asks her grandmother questions about her childhood during the same time period, and develops a deeper relationship with the past. Abby's Magic Mirror offers an intriguing, detailed glimpse into days gone by. Come gaze into the mirror with Abby and discover what life was like!

Mirror Mirror Francis Booth,2019-04-02 We met in the mirror. When we walked into our room for the first time we saw ourselves in the mirror. I mean, that's what you see in a mirror, isn't it? Your self. We looked identical. Almost identical, anyway. We both wore a shapeless white dress. But our dresses weren't exactly the same. We were both carrying the bags that contained everything we had of our old lives. Everything we had in the world was in those bags. We had the same bags. But not quite the same bags. We both dropped the bags at the same time. Though not at

precisely the same time.I looked at my reflection.It was me.
But it wasn't completely me.

How teenage girls can combat the world's definition of self-image through a biblical understanding of who they are If there is a teenage girl who feels comfortable with her body and appearance, the authors have yet to meet her. This book helps explain where that dissatisfaction comes from, from media like MTV, magazines, and advertisements. It then gives girls a healthy biblical perspective on physical appearance, concluding that the only real way for girls to experience lasting acceptance of their bodies is to look at how God has created them and how he intends for them to love others and themselves. Through their own vulnerability and personal stories, the authors help girls realize they are not the only ones who feel so poorly about themselves. This revolutionary book is written more like a conversation than a lecture and presents the topics and the biblical passages about self-image in new and fresh ways.

Mirror, Mirror Elaine Hatfield,Susan
Sprecher,1986-01-01 Mirror, Mirror... examines the hidden truth about good looks. Through extensive research of scholarly studies and popular culture, the authors provide a lively and comprehensive view of what behavioral scientists

have learned about the effects of personal appearance. A wealth of illustrations and photographs give visual support to the evidence presented. The book explores the view that people believe good-looking individuals possess almost all the virtues known to humankind; consequently, they treat the good-looking and ugly very differently. *Mirror, Mirror* reviews the stereotypes held about people with specific characteristics and it explains the impact of height, weight, and attributes such as hair color, eye color and facial hair on the course of social encounters. The authors show that through time these reaction patterns have their effect and that good-looking and unattractive persons come to be different types of people. To show the relative nature of concepts of beauty, the authors also present examples of what other cultures consider attractive.

Mirror, Mirror Laurel Handfield, 2012-11-20 From the acclaimed author of *My Diet Starts Tomorrow* -- a sexy and suspenseful novel about love, work, weight, relationships

(and murder), that reflects the passionate and empowered woman inside all of us. Ever thought about quitting your job? Murdering your boss? Getting rid of those extra pounds and keeping them off? In her captivating second novel, Laurel Handfield takes readers into the not-very-fulfilling life of twenty-eight-year-old Jordan. When we meet her, Jordan is working as a secretary for an insensitive employer who constantly mistreats her. Lacking in self-confidence, she passively accepts the daily humiliation and degradation. That is, until his partner Trent Prescott engages her in candlelit dinners and sizzling nights of passion. In spite of her insecurities about her self-worth (and weight), Trent makes Jordan feel alive again. Then as sudden violence spirals out of control and suspicion falls on Jordan, Trent reaches out to help her. Can she trust him? Faced with a crisis that will determine the rest of her life, Jordan knows she has to change in order to survive. The only problem is that she may not recognize the woman staring back at her from the mirror. Can love change a woman? Is there such a thing as an ideal soul mate? Filled with rich emotional drama and romantic suspense and featuring an engaging heroine with whom readers will instantly identify, *Mirror, Mirror* is another winning gem from a wonderful new voice in African-American literature.
