Phantom Light R.L. Wilson,2022-08-01 Being a witch is a blessing. Learning how to use my gifts will take a miracle. My life is a train wreck. Between running from truant officers, stealing food to survive, and the stress of being one of the have-nots, it's a miracle I've made it this far. When an opportunity to attend an elite academy presents itself, I know it's a long shot, but so is surviving these streets alone. No one is more surprised than me when I'm accepted. Now, all I have to do is stay out of trouble, but within days, that proves more difficult than I expected. My roommate hates me. I piss off the headmaster. And worst of all, my best friend is found dead. That changes everything. Something dark and dangerous lurks on campus grounds. I can feel it to my core. Now, all that matters is I find the killer and try not to fall for three hot mages. They're a distraction I don't need. Welcome to my freshman year at the Witch Academy of Ash, where love, murder, and magic are unexpected parts of the curriculum!

Her twin brother, Lan, is the seventh son of a seventh son. This means he's supposed to possess amazing talent -- and she's supposed to bring only bad things to her family and her town. Undeterred, her family moves to the frontier, where her father will be a professor of magic at a school perilously close to the magical divide that separates settlers from the beasts of the wild.
