

Missing People

Clare O'Donohue

Where Are the Missing People? Jimmy Evans, Julie Evans Albracht, 2022-01-18 In this unique, practical book—written to be read by those remaining on earth after the Rapture—Jimmy Evans reveals the truth of the Bible about the end times. With compassion and deep insight into the prophecies of Scripture, he explains the disappearance of millions of believers around the world and gives future readers a glimpse into the events of the Tribulation. From the rise of the Antichrist to the ultimate redemption provided by Jesus, this hopeful book is a must-read for anyone navigating the future. Buy it for family members or friends. Leave it on your desk or coffee table. Put it in a place where a future reader can find it. The truths in this book will literally transform their lives. And it may be necessary sooner than you think.

Missing Person Sarah Lotz, 2019-09-03 From acclaimed thriller writer Sarah Lotz, hailed by Stephen King as vastly entertaining, a new novel about a group of amateur detectives infiltrated by the sadistic killer whose crimes they're investigating. Reclusive bookseller Shaun Ryan has always believed that his uncle Teddy died in a car accident twenty years ago. Then he learns the truth: Teddy fled his home in Catholic, deeply conservative County Wicklow, Ireland, for New York and hasn't been heard from since. None of Shaun's relatives will reveal why they lied about his uncle's death or why they want Shaun to leave the whole affair alone. But Shaun has a burning need to find out the truth. His search is unsuccessful until he's contacted by Chris Guzman, a woman who runs a website dedicated to matching missing-persons cases with unidentified bodies. Chris and her team of cold-case obsessives suspect that Shaun is looking for the Boy in the Dress, one victim in a series of gay men murdered by the same killer. But who are these internet fanatics really, and how do they know so much about a case that has stumped police for decades? Soon armchair sleuths and professional investigators are on a collision course with a sadistic serial killer who's gotten away with his crimes for far too long - and now they're in his sights.

Missing Persons Karen Shalev Greene, Llian Alys, 2016-10-14 A missing person is an individual whose whereabouts are unknown and where there is some concern for his or her wellbeing. In the UK, around 250,000 people are reported missing every year, with the majority being children under the age of 18. Despite the fact that missing persons are a social phenomenon which encompasses vast areas of interest, relatively little is known about those who go missing, what happens to them while they are missing, and what can be done to prevent these incidents from occurring. This groundbreaking book brings together for the first time ideas and expertise across this vast subject area into one interconnected publication. It explores the subjects of missing children, missing adults, the investigative process of missing person cases, and the families of missing persons. Those with no prior knowledge or professionals with focused knowledge in some areas will be able to expand their understanding of a variety of topics relevant to this field through detailed chapters which advance our understanding of this complex phenomenon, discuss what is unknown, and suggest the best and most important steps forward to further advance our knowledge.

Missing Persons Gayle Greene, 2017-10-18 *Missing Persons* is a memoir about dealing with death in a culture that

gives no help. As the last of her family, Greene's losses are stark, first her aunt, then her mother, in quick succession. She is as ill-equipped for the challenges of caring for a dying person at home as she is for the other losses, long repressed, that rise to confront her at this time: the suicide of her younger brother, the death of her father. As the professional identity on which she's based her selfhood comes to feel brittle and trivial, she is catapulted into questions of "who am I?" and "what have I done with my life?" The memoir is structured as an account of her mother's and aunt's final days and the year that follows, a year in which she reconstructs her life. This is a powerful story about family, what it means to have one, to lose one, never to have made one, and what, if anything, might take its place. It's the story of a vexed mother-daughter relationship that mellows with age. It is also a search for home, as the very landscape shifts around her and the vast orchards are dug up and paved over for tract housing, strip malls, freeways, and the Santa Clara Valley, once known as the Valley of Heart's Delight, is transformed to "Silicon."

Weird Disappearances Tom McCarthy, 2017-05-22 When Virginia Dare was born in Roanoke Colony in 1587, her birth was probably heralded as a new beginning, not just for the tiny baby but for the entire colony. She was the first child of English parents to be born in what English settlers called the "New World." But three years later, Virginia, her parents, and all other members of the Roanoke colony had disappeared. History is silent about their fate. The story of Virginia Dare and her fellow settlers is a famous one that is still studied and wondered about to this day. *Weird Disappearances: Real Tales of Missing People*, for readers ages 9 to 12, is a collection of five true tales that examine five moments in history when someone vanished without a trace. Chapters include Virginia Dare, Amelia Earhart, Solomon Northrop, Percy Fawcett, and Anastasia Romanov. These mysterious figures are discussed against the backdrop of historical circumstances, whether it be the carving out of a new world in an ancient culture, the upheaval of the Russian Revolution, or the blazing of a new trail high in the skies. *Weird Disappearances* is the fourth book in a new series called *Mystery & Mayhem*, which features true tales that whet kids' appetites for history by engaging them in genres with proven track records—mystery and adventure. History is made of near misses, unexplained disappearances, unsolved mysteries, and bizarre events that are almost too weird to be true—almost! The *Mystery & Mayhem* series delves into these tidbits of history to provide kids with a jumping off point into a lifelong habit of appreciating history. Each of the five true tales told within *Weird Disappearances* is paired with a map, as well as fun facts about the setting, industry, and time period. A glossary and resources page provide the opportunity to practice using essential academic tools. These nonfiction narratives use clear, concise language with compelling plots that both avid and reluctant readers will be drawn to.

Missing Persons Amanda Vink, 2017-12-15 Many crime shows and movies deal with the topic of a mysterious disappearance, but fictional stories often sensationalize the topic in order to catch the viewer's interest. In reality, finding a missing person can be hard work for detectives, as there are sometimes few clues left behind. Readers discover how police use math and science to solve this puzzle. Full-color photographs, informative sidebars, and by-the-numbers fact boxes augment the compelling text, giving readers a more accurate understanding

of the process of searching for missing persons than they will find on television or at the movies.

Missing People Brandon Graham, 2017 From a “perceptive writer whose work makes us painfully aware of our human follies and acknowledges our lovely humanity” (Audrey Niffenegger, bestselling author of *The Time Traveler’s Wife*) comes suspenseful novel about a missing girl whose disappearance rocks her community. Six years after the traumatic disappearance of Etta Messenger, it's clear that none of the members of her middle-class family have finished mourning. Gaping emotional wounds have been poorly addressed. Etta's mother, Meg, anxious to find closure and make what she can of the rest of her life, has organized a memorial service to mark the painful anniversary. Newton, Etta's erstwhile high school sweetheart, a disabled Afghanistan veteran with anger issues, uses the impending anniversary as a convenient excuse to spin out of control. Charlie, Etta's earnest blue-collar father, takes stock of his life and is reminded how he failed to protect his daughter. Her younger brother, Townes, who was the last of them to see Etta and is convinced his emotional outburst drove his sister away, has his fragile hermetic cocoon threatened by the heightened emotions of the day. On the day of the memorial, a snowstorm threatens the city, and a chance observation on a commuter train entangles Townes in a dangerous situation that recall the events surrounding Etta's loss. The characters are shaken from their mournful routines by an unrelenting chain of events, including Newton's arrest, Townes' dangerous heroics, Charlie's recognition of his own shortcomings, and Meg's shocking discovery. The action moves from the seemingly serene suburbs to the heart of a dangerous Chicago neighborhood. Will this ensemble of damaged characters pull themselves together in time, or will new stresses rip their tattered lives to shreds...

Missing Persons League Frank Bonham, 1983-06-01

Finder Gary Provost, 2015-12-17 In the last two decades, Private Investigator Marilyn Greene has found more than two hundred people – sometimes discovering in hours or minutes a person missing for years. In *FINDER*, Greene shares her news-making triumphs, the joyous family reunions she's made possible, and the chilling cases of dead ends. Often called in when all efforts by law enforcement officials have failed, she has traveled the country to locate runaways, children abducted by parents and strangers, and suicide and homicide victims. Hailed by *Esquire* as one of the men and women under forty who are changing the face of America, Marilyn Greene's story is riveting true adventure. Here is the compelling account of how she uses her instincts and her experience to find hopelessly lost individuals; surprising techniques about how and where to look for missing persons; and the tools of her trade, from specially trained dogs to publicly available directories and maps. *FINDER* is an invaluable resource on missing-person cases – and spellbinding reading.

Handbook of Missing Persons Stephen J. Morewitz, Caroline Sturdy Colls, 2016-12-19 This ambitious multidisciplinary volume surveys the science, forensics, politics, and ethics involved in responding to missing persons cases. International experts across the physical and social sciences offer data, case examples, and insights on best practices, new methods, and emerging specialties that may be employed in investigations. Topics such as secondary victimization, privacy issues, DNA identification, and the challenges of finding victims of war

and genocide highlight the uncertainties and complexities surrounding these cases as well as possibilities for location and recovery. This diverse presentation will assist professionals in accessing new ideas, collaborating with colleagues, and handling missing persons cases with greater efficiency—and potentially greater certainty. Among the Handbook's topics: ·A profile of missing persons: some key findings for police officers. ·Missing persons investigations and identification: issues of scale, infrastructure, and political will. ·Pregnancy and parenting among runaway and homeless young women. ·Estimating the appearance of the missing: forensic age progression in the search for missing persons. ·The use of trace evidence in missing persons investigations. ·The Investigation of historic missing persons cases: genocide and "conflict time" human rights abuses. The depth and scope of its expertise make the Handbook of Missing Persons useful for criminal justice and forensic professionals, health care and mental health professionals, social scientists, legal professionals, policy leaders, community leaders, and military personnel, as well as for the general public.

The Missing Persons List Susan Troutt,2018-05-19 The Missing Persons List is a gripping story of survival, unforgettable in its content, and compelling in the moral decisions it presents. When thirteen-year-old Devon is dropped off at the wrong bus stop, he finds himself on a strange, lonely road. Call your father, says the driver, but Devons cell phone is dead. He hopes his father will come looking for him, but even if he knew where to look, theres been an accident, and he cant rescue Devon. In the face of hardships and danger, Devon struggles to survive and realizes he must rely upon courage and ingenuity to find his own way home.

Missing Persons Clare O'Donohue,2011-05-31 The debut of an exciting new mystery series featuring a cynical, crafty television producer turned amateur sleuth. The cause of death is undetermined, but the cops peg Chicago television producer Kate Conway as the main suspect when her soon-to-be ex-husband, Frank, is found dead. To make matters worse-and weirder- Frank's new girlfriend suddenly wants to be friends. Happy for the distraction, Kate throws herself into a new work assignment for the television program Missing Persons: the story of Theresa Moretti, a seemingly angelic young woman who disappeared a year earlier. All Kate wants is a cliché story and twenty-two minutes of footage, but when the two cases appear to overlap, Kate needs to work fast before another body turns up-her own.

Missing Persons Stephen White,2005-03-03 Psychologist Alan Gregory's friend and fellow therapist Hannah Grant has died suddenly and mysteriously. The police are baffled, leaving another unsolved homicide in Boulder, Colorado. Only Alan can decipher Hannah's clues—a quest that will take him to Las Vegas and lead him to question the integrity of those closest to him. But while Alan tracks a missing patient of Hannah's, the answers to both cases may be locked inside the mind of a client he has been treating for schizoid personality disorder. Running a maze of dilemmas, Alan takes a bold risk that will cost him his career—or his life.

Tracking Humans David Diaz,V. L. Mccann,2013-06-04 Tracker. The very word evokes images of buckskin-clad braves crouching over the ground, carefully studying the signs before them—a part of history. But the modern world has not put behind it the need for the earthy business of tracking. Such skills are still routinely used by the

military, rescue personnel, and law enforcement, as well as by hunters and people living at subsistence level throughout the world. Tracking Humans is the ultimate authoritative guide to this most complex pursuit. A great resource for military, law enforcement, and rescue professionals, Tracking Humans is also useful for outdoor enthusiasts. Users will find it invaluable as an on-site manual to assist in any ongoing search. Unlike many tracking manuals, this guide focuses on tracking humans, whether they're enemy combatants or lost children. Author David Diaz explains what it takes to be an expert tracker, from the physical stamina to the focus and perception necessary to do the job correctly. He explains the tools of the tracker and presents essential safety tips every tracker should know. Tracking Humans is an important tool for anyone dealing with missing persons—it could be an essential lifesaver.

Missing Persons Fay Faron,1997 With Missing Persons in hand you'll find the types that commonly become PIs - ex-cops, macho criminal wannabes, reporters; the easiest people to find (men, property owners and professionals) and the hardest (women, scoundrels and those with common names); profiles of the missing and profiles of those searching; how and why people hide; what can be gleaned from public record; secret and not-so-secret databases; and the lowdown on interviewing, surveillance and the benefits of a good scam. Missing Persons goes beyond the basic search, and details the process of looking for someone, typical clients and the reaction once the missing is found. There's more than a presentation of facts here. Faron backs up her clues with anecdotes from Rat Dog case files. As with any good whodunit, Faron's engaging style and true-life adventures will have you turning pages. In short, every gumshoe's search should begin here.

911-Missing Person! Katie McPhail,2004-04-30 Katie McPhail's 911-Missing Person! is a straightforward book addressed to young people, and filled from cover to cover with the real life adventure of the search for a missing twelve year old. Individual chapters address the chronological order of a real search mission, from the call of the missing child to the rescue. Based on an actual search, this book is written in an easy-to-understand language for kids in junior high and up!

Investigator's Guide to Missing Child Cases for Law-enforcement Officers Locating Missing Children John C. Patterson,1987

Missing! Brenda Z. Guiberson,2019-02-12 In Missing!, a photo-illustrated middle-grade nonfiction book, Brenda Guiberson explores the stories of six individuals who have disappeared mysteriously throughout history.

Bodies of Evidence Paul Sant Cassia,2005 Over 2,000 people went missing in Cyprus between 1963 & 1974. This work examines how both communities face the need to mourn without a body, nor even any certain knowledge of what has happened to their loved ones.

The Missing Person Alix Ohlin,2005 Set in New Mexico over a long, hot summer, this powerful debut novel is a story of homecoming and coming of age, of unspeakable loss and hard-won reconciliation.

Missing People Introduction

In the digital age, access to information has become easier than ever before. The ability to download Missing People has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Missing People has opened up a world of possibilities. Downloading Missing People provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-

effective nature of downloading Missing People has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Missing People. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Missing People. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in

such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Missing People, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Missing People has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the

vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Missing People Books

What is a Missing People PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Missing People PDF?**

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Missing People PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like

PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Missing People PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Missing People PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files

without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
