Grace K. Houpt

**Missives** Alicia Wirt-Fox,2010-08-31 The etymology of the word missive according to Merriam-Webster's Dictionary comes from Middle French: lettre missive, literally translated as a letter intended to be sent. Missives is a book composed of small, concise poetic writing and images each intended to be sent. They are notes from the author to herself and to others who wish to listen, see, and discover meaning in between.

**Missives** D. K. Barnes,2022-02-23 A sixteen-year-old girl struggles with a desire for acceptance by peers in another school. She makes poor choices in the effort to belong, to chase the loneliness resulting from a split home and frequent moves. Progress to achieve acceptance is fraught with despairing circumstances and events. An angel and a demon exchange missives on efforts to garner her soul along with others around her.

*Nightcrawler's Missives* Dwight Carlson,2016-11-23 Nightcrawlers Missives follows the model of C. S. Lewis The Screwtape Letters, where an understudy demon, Nightcrawler, gets advice, occasionally praise, but more often criticism from his superior, Beelzebub. However, in this century we are hacking into the underworlds Internet. These missives address the nitty-gritty difficult issues both inside the church and in the world at large. Following each communication are questions for your individual or group consideration.

**The Arrival of Missives** Aliya Whiteley,2018-11-06 From the award-winning author of The Beauty, Aliya Whiteley, comes a genre-defying story of fate, free-will and the choices we make in life. One of the most original and haunting stories I have read in recent years. Nina Allan, author of The Rift In the aftermath of the Great War, Shirley Fearn dreams of challenging the conventions of rural England, where life is as predictable as the changing of the seasons. The scarred veteran Mr. Tiller, left disfigured by an impossible accident on the battlefields of France, brings with him a message: part prophecy, part warning. Will it prevent her mastering her own destiny? As the village prepares for the annual May Day celebrations, where a new queen will be crowned and the future will be reborn again, Shirley must choose: change or renewal?

*Musings Or Missives?* Sythell Thompson,1998-12-01

Missives of a Maddened Monk W.D. Phillips,2023-08-10 After numerous adventures with the dark elf sorcerer and observing the darkening presence stirring within him, the monk returned to Hryn, the coastal city. Within the tower that overlooked the sea, he ruminates over what could have gone wrong. What misstep led this ambitious youth toward heinous acts of violence and murder after his first taste of the magic? Did its allure pull him ever toward shadowed reaches of his soul? Did it promise greater possibilities that his mind did not yet understand? His disappearance provided much anxiety for the monk. Did he overcome its invading negative presence or succumb to its empty promises?

**Gender, Authenticity, and the Missive Letter in Eighteenth-century France**

Mary McAlpin, 2006 This study will particularly appeal to scholars of gender studies, but will also interest eighteenth-century specialists, reader-response critics, and any critic interested in the epistolary genre. Dr. McAlpin compares the evidence of de La Tour's authorial consciousness with that of far better known letter writers, both women (Sevigne, Graffigny, Lespinasse, Roland, Suzanne Necker) and men (Boswell, in particular). The book also introduces the exchange of letters to the English-speaking community of eighteenth-century scholars. While the de La Tour-Rousseau exchange was republished in French in 1998, it is not yet available in English. This book provides translations of the first, most significant letters in its appendix.--BOOK JACKET.

Excerpt from *Missives From Flower-Land* The roses send a greeting line, With wishes warm for Auld Lang Syne. May the year to you be like a Rose, All beautiful from dawn to close. The little white rose, so pure and true, I send with a message of love to you. Since first it bloomed in Eden's bowers. The Rose is termed the Queen of flowers. *The Missing Missives: A Light-hearted Regency Fantasy* Marissa

Doyle, 2022-09-06 Young widow Annabel Chalfont, Countess of Fellbridge, has two small sons to raise, a mountain of her late husband's debts to pay off, and a secret: she's a shadow-shaper, able to manipulate shadow as anyone else might clay. She and six other high-born ladies with equally extraordinary abilities defend England against supernatural crime—but the world knows them only as the Lady Patronesses of Almack's, Regency London's most exclusive social venue. Annabel is part of the Ladies' investigation of an extremely sensitive matter: the attempted blackmail of a member of the royal family. Meanwhile, she's trying to help a lovelorn pigeon and discover why Lord Quinceton is suddenly shunning her and devoting himself instead to her fellow Lady Patroness, Frances Dalrymple. When the Ladies begin to suspect that one of their number might be leading a double life, Annabel wonders if all these circumstances might not be related...

*Missives* Angela Doll Carlson, 2012-04-01 Can you remember the last letter you received? Can you recall the feel of the paper against your fingertips, the sound of the pages turning, the slant of the cursive? The book you hold in your hands is a series of letters. They were written for you. They were

written for desperate times and secret celebrations. They were written for days when the deep dark circled your head, for moments ripe for encouragement. They were written when you did not know how to feel, when you were too tired to dream, when you were in need. *Missives: Letters to a friend* is a compilation of compliments, a word of encouragement, a moment upon which to meditate. Taken from the popular postings at MrsMetaphor.com each missive harbors its own particular wisdom and endeavors to meet you on the long, dusty road with a glass of water.

**Missives to My Son from Prison** Kevin Burno, 2019-01-23 *Missives to My Son from Prison* offers the reader an emotional story of one father seeking to connect with his son, despite the isolating nature of mass incarceration. This short memoir is made up of ten letters Kevin Burno wrote to his son. Burno puts these letters in context, showing what events, thoughts, and personal struggles led to each message. Burno's writing portrays the difficulties of communicating across the barriers of incarceration and of maintaining relationships with family. Despite these challenges, Burno strives to be a part of his son's life, instilling in him strong principles and spiritual guidance. Burno, arrested in 2013 for a crime he didn't commit, grew up seeing the men in his life imprisoned, and he knows what it means to grow up without a father. His words express urgency, injustice, and wisdom, but most of all, they convey a father's love.

**I Just Lately Started Buying Wings** Kim Dana Kupperman, 2010-08-03 *I Just Lately Started Buying Wings* is a finely crafted debut, winner of the 2009 Bakeless Nonfiction Prize Kim Dana Kupperman's essays plumb the emotional and spiritual depths of a transitory life. Her episodic missives cover territory from the chaos of a frenetic childhood to love affairs, failed and otherwise, to the Chernobyl nuclear accident, to an ocean-crossing search for her Eastern European roots. In confident, lyrical prose, Kupperman leads the reader through a winding gallery—a collection of still lifes and portraits, landscapes of loneliness and love.

**Hits and Missives** Carol H. Jewell, 2021-05-10 This chapbook calls the reader to consider the ordinary as extraordinary. Her words capture the reader with poetic surprises which remind us of what we may know but miss as we travel through our daily lives.
