The Mist Stephen King, 2017-05-23 #1 New York Times bestselling author Stephen King's terrifying novella about a town engulfed in a dense, mysterious mist as humanity makes its last stand against unholy destruction—originally published in the acclaimed short story collection *Skeleton Crew* and made into a TV series, as well as a feature film starring Thomas Jane and Marcia Gay Harden. In the wake of a summer storm, terror descends...David Drayton, his son Billy, and their neighbor Brent Norton join dozens of others and head to the local grocery store to replenish supplies following a freak storm. Once there, they become trapped by a strange mist that has enveloped the town. As the confinement takes its toll on their nerves, a religious zealot, Mrs. Carmody, begins to play on their fears to convince them that this is God's vengeance for their sins. She insists a sacrifice must be made and two groups—those for and those against—are aligned. Clearly, staying in the store may prove fatal, and the Draytons, along with store employee Ollie Weeks, Amanda Dumfries, Irene Reppler, and Dan Miller, attempt to make their escape. But what's out there may be worse than what they left behind. This exhilarating novella explores the horror in both the enemy you know—and the one you can only imagine.

The City of Mist Carlos Ruiz Zafón, 2021-11-23 "Ruiz Zafón's visionary storytelling prowess is a genre unto itself."—USA Today Return to the mythical Barcelona library known as the Cemetery of Forgotten Books in this posthumous collection of stories from the New York Times bestselling author of *The Shadow of the Wind* and *The Labyrinth of the Spirits*. Bestselling author Carlos Ruiz Zafón conceived of this collection of stories as an appreciation to the countless readers who joined him on the extraordinary journey that began with *The Shadow of the Wind*. Comprising eleven stories, most of them never before published in English, *The City of Mist* offers the reader compelling characters, unique situations, and a gothic atmosphere reminiscent of his beloved Cemetery of Forgotten Books quartet. A labyrinth maker flees Constantinople to a plague-ridden Barcelona, with plans for building a library impervious to the destruction of time. Into the Mist P. C. Cast, 2022-07-12 From #1 New York Times bestselling author P. C. Cast comes *INTO THE MIST*, the first book in a pulse-pounding dystopian duology for our times. Practical Magic meets Station Eleven in this gripping take on female power and the inevitable, destructive path of violent patriarchies. As men fall to the mist, the age of

womankind begins to rise. The world as we know it ends when an attack on the U.S. unleashes bombs that deliver fire and biological destruction. Along with sonic detonations and devastating earthquakes, the bombs have also brought the green mist. If breathed in, it is deadly to all men—but alters the body chemistry of many women, imbuing them with superhuman abilities. A group of high school teachers heading home from a conference experiences firsthand the strength of these new powers. Mercury Rhodes is the Warrior, possessing heightened physical powers. Stella Carver is the Seer, with a sixth sense about the future. Imani Andrews is the Watcher, with a rare connection to the earth. Karen Gay is the Priestess, demonstrating a special connection with Spirits. And Gemma Jenkins is the Healer, a sixteen-year-old student who joins the group after losing her parents. As they cross the Pacific Northwest, trying to find a safe place to ride out the apocalypse, the women soon learn they can't trust anyone, and with fresh danger around every corner, it will take all their powers to save themselves—and possibly the world. With timely commentary on power and community, *Into the Mist* delivers a thrilling and fantastical future that is equal parts a feminist commentary and an amazing, witty adventure filled with wine and women— as only P.C. Cast's brilliant storytelling can bring to life.
