Tears of Rage John Walsh,2009-12-01 As the host of the immensely popular America's Most Wanted, John Walsh has been instrumental in the capture of nearly four hundred and fifty of this country's most dangerous fugitives. However, few know the full story of the personal tragedy behind his public crusade: the 1981 abduction and murder of his six-year-old son, Adam. Here, for the first time, Walsh, his wife Revé, and their closest friends tell the wrenching tale of Adam's death -- and the infuriating conspiracy of events that have kept America's No. 1 crime fighter from obtaining justice and closure for himself and his family. I've never really spoken about these things to anyone before, but I want to talk about Adam before he died. I want people to know just exactly how horrible it is to lose your child, how painful it is. But I also want to talk about how people can help you, and how you can help yourself. About how to come to terms with life when you think you're dying of a broken heart. -- John Walsh I remember thinking, 'our son's been murdered, and now we've got to be the ones to do something about it' It was a sad thing for this country that the fight had to be led by two broken-down parents of a murdered child. But we had to, because no one else was going to do it. -- Revé Walsh

*111 Places in Miami and the Keys that you must not miss* Gordon Streisand,2017 Miami and the Keys are the cultural and geographical gateways to the United States; where Latin American culture gracefully blends into North America, and land embraces the sea. This unusual guide leads you along the fulcrum that is Miami and the Keys, laden with world-class architecture, sandy beaches, pristine waters, nightclubs, and trendy hotels. Beneath the well polished surface lies a history and culture that strays far from the conventional, bubbling up through unexpected places like a coral fortress built for a spurned lover, a divey laundromat that serves the sweetest café con leche you've ever had, or an enclave of houses built on stilts in the midst of the ocean. Lose yourself in a glass rainforest. Glide over the mysterious waters of the Everglades. Visit your own desert island. Drink the sweet nectar of the Cuban coffee gods. Venture into the 'other' Miami, beyond the glitz and glamour, steeped in natural beauty and deep-seeded tradition. See why Ernest Hemingway called the Keys his home. Though teeming with tourists, there are still plenty of hidden gems to be unearthed, you just have to know where to look... Gordon Streisand is a third-generation Miami native whose family has called Miami and the Keys home since the now-dwarfed courthouse was the tallest building in the city. A graduate of the University of Florida in Gainesville, Gordon has been a sportswriter and columnist and enjoys sharing the the lesser-known wonders of his hometown with visitors of all types and ages.
