This fourth edition has been fully revised and expanded to include even more acts than ever before, with additional sections to cover Band Aid-style charity congregations and compilation albums from the early '80s K-Tel efforts through to the Now That's What I Call Music series and its competitors. Compiled by Steve Binnie, editor of the '80s music website Sound of the Crowd and writer, producer and co-host of the unconventional '80s chart show Off The Chart, broadcast weekly on Mad Wasp Radio.

Masterpiece Mix Roxie Munro,2019-11-12 37 masterpieces inspire an artist in this introduction to art history that includes a search-and-find game. Today I will make a new painting, declares an artist, but first she must build a stretcher to stretch the canvas; select which paints, brushes, and palette knives to use; and, most importantly, decide what to paint. Will she paint a still life in the style of Robert S. Duncanson or a portrait in the manner of Mary Cassatt? Using reproductions of art from the National Gallery of Art by Vincent van Gogh, Judith Leyster, Claude Monet and others pivotal figures in art history, Roxie Munroe introduces readers to a variety of iconic artists, art styles, and time periods.

The sweeping painting she creates by the book's end cleverly incorporates all 37 pieces she has considered. Eagle-eyed readers will love finding the works of art in her painting and learning more about the artists in the notes in the back matter. You'll want to start building canvases and mixing colors for a masterpiece of your very own!
