Higher Education Challenges in South-East Asia Kahl, Christian,2020-10-23 Over the last decade, many local students have preferred to study overseas. This has caused governments to announce the creation of programs and developments in the higher education sector to upgrade South-East Asia to a leading education hub. Moreover, many governments declared that they would work on the insurance of learning to increase the quality of the degrees and the teaching itself. This has led many to question the results of these declarations. Higher Education Challenges in South-East Asia provides an overview of what has been happening over the last ten years in higher education in South-East Asia. It also works to solve the challenges in modern education such as the impacts of digitalization, globalization, and Generation Y and Z learning styles. Covering topics that include globalization, educational technologies, and comparative teaching, this book impacts academic institutions, policymakers, government officials, university and college administrators and leaders, academicians, researchers, and students.
