**MLM Autoresponder Messages and Network Marketing Email Messages:  
Financial Woes Pack** David Williams, 2013-05-30 Warning! If you have been in Network Marketing for any length of time, you probably have accumulated a list of prospects and their email addresses. However, many of these prospects have entered the 'witness protection program'. In other words, they never call back or reply to your emails. Most people forget about this list, but there is GOLD in it! Now, you probably have an email system you pay for that is filled with 'canned' autoresponders about your company, or even some generic versions to send to your list. Sometimes this is part of your 'backoffice'. But, have you read these autoresponders being sent in your name? They suck. Here's why: You have a prospect who is looking to solve THEIR problem, which is lack of money. They need money, income, some light at the end of the tunnel, cash, maybe some dough to save their home... BUT they are NOT shopping for an MLM company, an INDUSTRY, or how long your company has been in business, or even what your product does...NO... they are desperate for a SOLUTION to their problems! But if all the emails you send out are about 'the company, the timing, the industry...or how someone else is making money - no wonder they don't bother responding to you! Can you imagine sending emails to starving children with stories about the kids in your family that have so much food... that they're fat? Of course not. So why send emails to financially struggling people about how others are rich? Your prospect doesn't care about other people's wealth when THEY are broke and in financial pain. In fact, it works the other way. Resentment, suspicion, distrust. Their mind is on their lack of money and they are worried. They are awake all night worrying about their

debt because they are in financial trouble. And what? You send them an email about how old your company is? Really? Come on. It's basic marketing folks; offer your prospect a solution to their problem, and relate to them on their terms. At this point, all your prospect is interested in is finding 'a way to earn money'. NOTE \*\*\* If you are new and have not earned a respectable income, chances are your upline will tell you to borrow someone else's story, but doing that only begs the question from your prospect- 'well, if everyone else is making money in your company, why aren't you?' Forget that. So, what is in this book? Do I teach you how to write emails? NO...NO...NO!!!! Is this some lesson on basic copy writing for MLM? Heck NO!!! But let's face it. Most people can't write a note to save their lives, let alone a well-crafted email campaign. Forget learning a skill that will take you years to master - just use expert messages instead! That's where this book of powerful 'financial woes' autoresponder messages will come to your aid. Inside are 30 rock solid emails that focus on your prospects' financial situation - with engaging humor and playfulness - showing how YOU and your program can help him out of his or her financial mess. FULL DISCLOSURE - this is a small book - 30 powerful emails. You are not paying for the quantity of words, you are paying for the quality of the message and for getting your phone to ring. This book contains 30 well-crafted powerfully written emails that are fun and engaging and will suggest and reinforce to your prospect that YOU are the answer to their financial problems using proven psychological and persuasion techniques. Take these email autoresponder messages and enter them into your backoffice or your email program. Mlm Autoresponder Network Marketing Email Messages David Williams,2013-10-24 This book contains a professionally written email drip campaign of 30 powerful, engaging and entertaining persuasive email/autoresponder messages focused on the wellness industry. If your products include wellness, nutritional or related products, this drip list campaign will engage your prospect and have them calling you. These autoresponder messages contain humor, personality, and are wellness/health/nutritional related. They are perfect for the person who appreciates wellness or nutrition as a cause AND a vehicle for profit. It assumes that your prospect likes to 'help' people and has an interest in seeing the level of health improved. These are tamer emails than those found in my Financial Woes autoresponder book. They don't focus on money making as such, but on building a networking business in the wellness arena and earning a good income doing so. If you have leads interested in wellness, or have some kind of prospecting campaign that relates to wellness, these emails are perfect for you. The emails do contain references to the size of the wellness industry and some discussion of its huge growth in the coming years, but in a personal and friendly manner. No dry statistics or hiding the fact that this is a MLM or networking opportunity. Each email ends with asking the prospect to call you now as the call to action.

*How to Prospect and Recruit Using Postcards for a MLM Or Network Marketing Business* David Williams,2013-08-31 Fed up not having quality leads?Are you in a MLM company you love, but just can't find REAL prospects to talk to?Tried 'online' leads but found you just wasted your time and money?Many networkers are well past the 'warm market' stage, and

are struggling to find success. It seems the entire world has gone online and the problem that networkers face is sticking out in an ever increasing ocean of websites, mobile apps, opt-in forms, blog posts, Facebook Likes, Youtube movies and Tweets. It never ends. There is alternative. Because the world HAS gone online, good old fashioned Direct Mail works! Why? Because no one gets 'real' mail anymore. You have zero competition! And what's more real than a picture postcard? NOTE: What This Book is NOT about: this book in no way teaches you to send those ugly, tacky, pre-printed, glossy pictures of fast expensive cars or mansions, or YELLOW 'print your own' postcards. NO, NO, NO! If you are engaged in postcard marketing, buying glossy tacky 'in your face' MLM style postcards and mailing them out - or worse - paying to have them mailed out - I'll show you a method that will increase your success by a massive amount - because I guarantee your message will be read if you use the method I teach. Or, if you are prospecting with one of those 'print your own' cards at the local Office Max, mailing out thousands until you're broke by sending ugly cards - you will be so happy switching to my method because it will save you time, money, you'll mail out less cards and get massive more results. Again, because I guarantee your prospect will read your message. I will show you a method that combines two of the most important recruiting factors for success in MLM: Mass Recruiting and Personalization. And NO - this is not about using computer 'hand writing fonts'!!! No, I'll show you a method to recruit massively with postcards, in a very personalized way for your prospect to find it impossible to not read your message and make a call. This works. This book is based on my famous postcard seminars that were part of a \$10,000 MLM insider's weekend training. You will get this same information for less than \$20. Full Disclosure: This is a short, to the point book.

It's not full of padding or fluff, (however, I do trace for you how I discovered my introduction into Direct Mail for MLM Recruiting by a presidential fundraiser). It's a 'How To' book. You are paying for the system, the magic, and the fact that you won't need any other information to get started. I have included low or no budget methods as well. Please NOTE: This book is for MLM or Network Marketing recruiting. The information here is for network marketers who want to build downlines and offer a system to their team that does not rely on 'buying leads' from the internet and telemarketing 'survey leads', 'real time leads', 'fresh leads', or any of the other scammy descriptions of absolutely terrible leads for sale by lead companies. Looking for a Low cost, but highly efficient network marketing tool way to get REAL leads? This is it. Forget Internet leads – recruit real people not virtual names. How to Prospect and Recruit using Postcards for your MLM or Network Marketing Business - The Low cost Prospecting and Recruiting Tool that Out Performs Online Methods is a complete method. Includes the way to personalize the cards, where to buy them at the best prices, how to produce them, where to get the lists to mail your cards to, as well as how to do this on a low or no budget. You will also get a '24 hour' message to load up on your voice mail system to take all the calls you'll get from your prospects. How to create the personalized card Where to get your cards wholesale What to say on the card Where to get lists and how to deal with list brokers Low and no budget tricks and strategies Text for your 24 hour message your prospects calls after reading your card This system works in USA, Canada and Europe.

A man by the name of CARL REHNBORG who first introduced the beautiful concept of network marketing to this beautiful world.

*Marketing Adventure* Maurice Winkelman,2021-08-10 What Is Multilevel Marketing (MLM)? Multi Level marketing (MLM) is a strategy some direct sales companies use to encourage existing distributors to recruit new distributors who are paid a percentage of their recruits' sales. The recruits are the distributor's downline. Distributors also make money through direct sales of products to customers. Amway, which sells health, beauty, and home care products, is an example of a well-known direct sales company that uses multi level marketing. Multilevel marketing is a legitimate business strategy, though it is controversial. They said MLM is Easy Peasy, Lemon Squeezy! (Woohoo!) They said you can have uncapped residual income (Oooh, I'll have some of that, please!) They said it is location-independent (..and a large slice of that...) They said all you need is 15 minutes a day (Include me in, sister!) They said the products sell themselves (Hallelujah!) They said it is low risk - high reward (Praise the Lord!) They never said what it actually means to be an MLM consultant (Sigh) In this memoir, the author shines a forensic light into the shadowy corners of the MLM experience in search of what it truly means to 'Work from your phone.' Hold your breath as the author chases after the white rabbit of Multi-Level-Marketing, to an entrepreneurial Wonderland where the new 'normal' features 3-way calls with strangers,

freely divulging your credit card details as if cyber-scamming didn't exist, never understanding what you're supposed to do, mastering the non-culinary art of peeling the MLM onion, spending your life on social media, and becoming an absent wife and mother.
