Mogul Terrance Dean,2011-06-14 From the Essence bestselling author of Hiding in Hip Hop and an entertainment insider—a juicy debut novel about the “down-low” life of one of New York's most beloved Hip Hop producers. After the sudden death of his father, a renowned jazz musician, Aaron “Big A.T.” Tremble clings to music as an escape. Making hip hop beats becomes his life. His love for music lands him at the estate of Larry “Pop” Singleton, a retired and respected Hip Hop music mogul who sees something special in Big A.T., and he also knows the truth about his sexuality. With Pop's blessings and nurturing, Big A.T. is on the path to becoming the next great Hip Hop producer in New York. With the help of Pop and “the family,” a network of secretly gay men in the Hip Hop world, Big A.T. finds success and starts his own music label. He's signed and worked with some of the biggest Hip Hop artists in the country. One of them is Brooklyn native lyricist, “Tickman.” Together they are making sweet music together. Tickman and Big A.T.'s relationship goes beyond producer and rapper – they become secret lovers. Nothing can stop Big A.T. All of the radio stations play his music. He has money, fame, and Jasmine, his girlfriend who doesn't know about his secret love for men. However, at the pinnacle of his career, compromising photos of Big A.T. land on the desk of a national news program—and in the hands of his girlfriend. Big A.T., for the first time is at a crossroad in his career: come out publicly with his secret or watch his music empire crumble.

One Up Joost van Dreunen,2020-10-06 What explains the massive worldwide success of video games such as Fortnite, Minecraft, and Pokémon Go? Game companies and their popularity are poorly understood and often ignored from the standpoint of traditional business strategy. Yet this industry generates billions in revenue by thinking creatively about digital distribution, free-to-play content, and phenomena like e-sports and live streaming. What lessons can we draw from its major successes and failures about the future of entertainment? One Up offers a pioneering empirical analysis of innovation and strategy in the video game industry to explain how it has evolved from a fringe activity to become a mainstream form of entertainment. Joost van Dreunen, a widely recognized industry expert with over twenty years of experience, analyzes how game makers, publishers, and platform holders have tackled strategic challenges to make the video game industry what it is today. Using more than three decades of rigorously compiled industry data, he demonstrates that video game companies flourish when they bring the same level of creativity to business strategy that they bring to game design. Filled with case studies of companies such as Activision Blizzard, Apple, Electronic Arts, Epic Games, Microsoft, Nexon, Sony, Take-Two Interactive, Tencent, and Valve, this book forces us to rethink common misconceptions around the emergence of digital and mobile gaming. One Up is required reading for investors, creatives, managers, and anyone looking to learn about the major drivers of change and growth in contemporary entertainment.

Kim Kardashian Dennis Abrams,2018-07-15 With more than 50 million followers on Twitter and an additional 92 million on Instagram, Kim Kardashian is an American phenomenon. Through ambition, drive, and a masterful use of social media, Kardashian has become a television star, successful businesswoman, and tech entrepreneur with a net worth estimated at close to 150 million dollars. Readers who think they know everything about this pop-culture giant may be surprised to learn how Kardashian turned infamy into fame to become one of the most photographed, talked about, and richest women in the world.

You Are a Mogul Tiffany Pham,2018-09-04 National Bestseller Ranked in Top 10 Bestselling Business Books in the US by The Wall Street Journal Named Audible Editors' Pick in Best New Releases As the founder of Mogul—praised by Sheryl Sandberg as the #1 millennial platform—Tiffany Pham created a global technology and media empire by the age of 27. As living proof that the old rules of success no longer apply, Tiffany writes the new rules for following your passions and forging your own path in an age of disruption. Traditionally, the word “mogul” has been attributed to men. But Tiffany Pham has redefined it—now, when you Google the word, the top search result is the company she founded: Mogul. The platform enables millions of women, across 196 countries, to connect, share information, and access knowledge. So how did a young woman—who arrived in the United States without speaking a word of English—turn a dream of connecting women into a fulfilling career and highly profitable company that has changed so many lives? Tiffany chronicles her path to becoming one of the most successful entrepreneurs of her generation, and offers specific, actionable advice that covers everything from overcoming self-doubt, to pursuing side-hustles, to crushing it at life and work by over-delivering, all while remaining your authentic self. You will learn how to negotiate job promotions, secure and balance multiple career roles, hire and manage teams, and become a mogul yourself. The book also features strategies and insights from ten of the most powerful moguls worldwide, including Nina Garcia, Star Jones, and Rebecca Minkoff. You Are A Mogul addresses the new reality that few of us will work for one company for our entire career and that there is no one straightforward formula for a “good life”—personally or professionally. To succeed, we have to be agile, flexible, and strategic. You Are A Mogul is an indispensable road map to the kind of life and career that is demanding and challenging—but also exciting and full of opportunities, if you know where to look.

Free-to-Play Christopher A. Paul,2020-10-13 An examination of free-to-play and mobile games that traces what is valued and what is marginalized in discussions of games. Free-to-play and mobile video games are an important and growing part of the video game industry, and yet they are often disparaged by journalists, designers, and players and pronounced inferior to to games with more traditional payment models. In this book, Christopher Paul shows that underlying the criticism is a bias against these games that stems more from who is making and playing them than how they are monetized. Free-to-play and mobile games appeal to a different kind of player, many of whom are women and many of whom prefer different genres of games than multi-level action-oriented killing fests. It's not a coincidence that some of the few free-to-play games that have been praised by games journalists are League of Legends and World of Tanks.

Letting Go of the Glitz Julia Stephenson,2009-06-18 Help! I'm Married Alive!Julia Stephenson, struggling to cope with life as a Surrey housewife, grimly welded to her electric floor polisher and fed up with her golf-addicted, BMW-driving husband, bolts to the fleshpots of London. Here she forges a new life as single girl about town in her Chelsea eyrie, a short walk from Peter Jones. Bemused to find herself an 'It-girl' life soon becomes a ritzy blur of parties, popping corks and flashbulbs, while handsome aristocratic boyfriends come and go. Realising she isn't cut out for this she reinvents herself as a femme serieuse representing the Green Party at the general election and begins to convert her fl at into the first carbon-neutral dwelling in Sloane Square.Giving up her usual dating fodder of Old Etonians and bankers she embarks on a tempestuous love affair with her builder. Who wants to be driven around in a Porsche when you can be ferried about in a spacious white van that runs on waste cooking oil? Life is so much better in every way when you let go of the glitz ...

Cell Tower Steven E. Jones,2020-03-19 Object Lessons is a series of short, beautifully designed books about the hidden lives of ordinary things. Cropping up everywhere, whether steel latticework or tapered monopoles, encrusted with fiberglass antennas, cell towers raise up high into the air the communications equipment that channels our calls, texts, and downloads. For security reasons, their locations are never advertised. But it's our romantic notions of connectivity that hide them in plain sight. We want the network to be invisible, ethereal, and ubiquitous. The cell tower stands as a challenge to these desires. Object Lessons is published in partnership with an essay series in The Atlantic.

All the World is a Stage Sunil Kant Munjal,SK Rai,2016-06-22 This beautifully produced pictorial volume traces the journey of Ludhiana's evolution in the field of performing arts – a journey that's intrinsically woven into the weft and weave of the Ludhiana Sanskritik Samagam or the LSS.'To create a world of art. A world of creative expressions.'This was the objective of the LSS when it began as a membership club. But what the LSS did to Ludhiana's art and culture scene was something that even the founders did not envisage.Taking us behind the scenes, the authors Sunil Kant Munjal and S K Rai, reveal a gamut of experiences – some funny, some serious, some exceptional – but all human... as performers from various walks of life make the stage come alive in Ludhiana at the LSS.Read about how Jaya Bachchan brought drama to real life; Anupam Kher's untold story; the dedication of the Shah family; the humility and warmth of Pandit Jasraj...This book is a must-read for art connoisseurs looking for insights into their favorite icons.

In Your Dreams Kristan Higgins,2014-10-01 Everyone loves Jack Holland, but Emmaline Neal needs him. Her ex-fiancé is getting married in Malibu and, obviously, she can't go to the wedding alone. In Manningsport, New York, tall, blond and gorgeous Jack Holland is practically a cottage industry when it comes to rescuing desperate women. He knows the drill, Em figures, so he won't get the wrong idea. What Jack needs is an excuse to leave town. Ever since rescuing four teenagers from a car wreck, he's been hailed as a hero and the attention is making him itchy, especially since his too-pretty ex-wife is back, angling for a reunion. He's always liked Emmaline. She needs a weekend date? No problem. So when they wind up in bed together, Em chucks it up to red wine and chocolate cake, just one impulsive night not to be repeated. But Jack's pushing for more, and if she lets down her guard, either she'll get her heart crushed again, or discover that Jack's worth more than just dreaming about.

Mobile Mogul Introduction

In the digital age, access to information has become easier than ever before. The ability to download Mobile Mogul has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Mobile Mogul has opened up a world of possibilities. Downloading Mobile Mogul provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Mobile Mogul has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Mobile Mogul. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Mobile Mogul. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates

copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Mobile Mogul, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Mobile Mogul has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
