Mocha and Her Book of Opposites Christina Crosby,2022-11-03 Mocha and Her Book of Opposites is a fun book, taking you on a journey through Mocha's day full of opposites. As you go through your day, how many opposites can you find?

Mocha Linda Rowe Thomas,2007-06 From the moment she was born to the gritty south side of Chicago, Mocha and her saucy attitude had always found a way to survive. But, when a summer trip to the south leaves her abandoned and alone, she's forced to encounter the true hardships of life-hardships that even the rough streets of Chicago couldn't prepare her for. As her life spirals out of control, Mocha hopelessly withdraws. That is, until she crosses paths with Tommy Girl, an untamable loner with drama pumping through her veins. The two quickly form an inseparable bond. However, Mocha soon finds herself on a destructive path that will put her to the ultimate test-a test of her values and even her faith in God-leaving her struggling to deal with the outcome of her decisions. Years later, thousands of miles from a world of dark secrets and selfish actions that she'd dared not speak of, Mocha's convinced herself that time would heal all things; if she buried the past, it'd all go away-but would it? When an early morning call awakens Mocha with dreadful news, she's forced to revisit the tumultuous past that unfortunately still lies in wait for her return.

His Mocha Princess C. A. G. E. Thompson,2018-05-02 JUST BUSINESS...She wanted more but he claimed that she had nothing to offer to his kingdom and what they had was just a business arrangement. Plus, she was barely an adult and he would never consider her for his throne...Eight years later, he had to meet with the Head Engineer that was building his billion-dollar, innovative hotel in the hills of Monte Carlo. His right-hand man was unable to come to an agreement on a portion of the project and required his presence. But he hadn't expected it to be the woman he'd kicked out of his penthouse suite eight years prior when he arrived.So he accused her of being difficult with the project because he was the owner but he didn't expect her to throw his words back at him. This was all just business. JUST PLEASURE...After the luscious, dark-skinned beauty marched from his office with a loud proclamation that she was here for business and not to sleep with him that was all André could think about. He wanted her more than he'd ever wanted her before and he wasn't going to stop until he could cleanse her from his system. He had to before he settled with the woman of his mother's choosing.He had six months and he sure as hell was going to make the most of it! JUST LOVE...But what will an unknown husband, lies, secrets and a wrong turn in the middle of the night do for these two? Maybe love if they just listened to their hearts?

Ross O'Carroll-Kelly: The Orange Mocha-Chip Frappuccino Years Ross O'Carroll-Kelly,2012-09-12 So there I was, roysh, enjoying college life, college birds and, like, a major amount of socialising. I hadn't, like, changed or treated them any differently, but the next thing I know, roysh, I'm out on the streets. Another focking day in paradise for me! If it hadn't been for Oisinn's apartment in Killiney, the old man paying for my Golf GTI, JP's old man's job offer and all the goys wanting to buy me drink, it would have been, like, a complete mare. Totally. But naturally, roysh, you can never be sure what life plans to do to you next. At least, it came as a complete focking surprise to me ... The life and times of Ross O'Carroll-Kelly, the cult hero with a weekly column in The Sunday Tribune.

Cuffed By A Gangsta Teshera C,2019-04-27 When are you going to learn that it never ends? You take one of theirs, they take one of yours and the mess just keeps going. When two people from the opposite sides of the track come together, is it fate or would you call it just a chance encounter that should've been left at just that, an encounter? Philly is known for its infamous gangs, but no gang is as deadly or lethal as the Notorious Hitta' gang. With the untimely death of NHG leader Sco, LA, next in line is forced into a position that he at one point wanted nothing to do with. LA is a hot head who graduated from the school of hard knocks and bleeds NHG. Now with LA leading the crew, he vows to avenge his brother's death, but his tunnel vision is thrown off when Mocha Hart comes into his life. Mocha, a promising Pediatric nurse, and a boss chick wants nothing more than to put her heart ache from previous relationships aside to focus on her career. Mocha and LA couldn't be more different and while Mocha has a M.S. at the end of her name, LA has NHG before his and in his eyes, nothing comes before the gang. A chance encounter connects the two, but Mocha soon learns that she is connected to NHG's rival gang, The Natural Born Killers, more than she knows. When Mocha's loyalty is tested, she must decide if it's worth being a banger's girl or if fate made a mistake. Ashlyn is just trying to piece her life back together after losing her child's father and having to ultimately raise her child alone. After licking her wounds and being over men who toy with her heart, Ashlyn sets her sights on an old friend, who runs with NHG. When Ashlyn's new found relationship ends more quickly than it began, she questions her worth and if she even deserves to be loved. Peaches and Pisces both want things that they cannot have, but they can't see past their own selfish wants to realize that we seldomly win when playing dirty. The women both long after NHG's infamous LA but must rethink their thirst trap plans when Mocha comes into the picture. Both envious of Mocha and willing to stop at nothing to get to LA, someone will win, and someone could end up getting burned. In this tale of feuding rivals, love burns, and scandals, what will be more important; protecting the ones you love or claiming king of the streets?
