Catherine Kerrison

Thomas Jefferson's Feast Frank Murphy, 2013-02-12 Whether they're preparing for President's Day or whether they just like to eat, children will find much to devour in this leveled reader about Thomas Jefferson's role in America's culinary history! Did you know that every time you munch on a french fry or snack on ice cream, you have Thomas Jefferson to thank? It's true! This founding father was one of America's first foodies. After a visit to France, he introduced all sorts of yummy treats to America—including one that upset more than just tummies and created a culinary controversy! Get the scoop in this deliciously funny, true story—guaranteed to tempt even the most reluctant readers!

The Jeffersons at Shadwell Susan Kern, 2010-09-21 Merging archaeology, material culture, and social history, historian Susan Kern reveals the fascinating story of Shadwell, the birthplace of Thomas Jefferson and home to his parents, Jane and Peter Jefferson, their eight children, and over sixty slaves. Located in present-day Albemarle County, Virginia, Shadwell was at the time considered the frontier. However, Kern demonstrates that Shadwell was no crude log cabin; it was, in fact, a well-appointed gentry house full of fashionable goods, located at the center of a substantial plantation. Kern's scholarship offers new views of the family's role in settling Virginia as well as new perspectives on Thomas Jefferson himself. By examining a variety of sources, including account books, diaries, and letters, Kern re-creates in rich detail the daily lives of the Jeffersons at Shadwell—from Jane Jefferson's cultivation of a learned and cultured household to Peter Jefferson's extensive business network and oversight of a thriving plantation. Shadwell was Thomas Jefferson's patrimony, but Kern asserts that his real legacy there came from his parents, who cultivated the strong social connections that would later open doors for their children. At Shadwell, Jefferson learned the importance of fostering relationships with slaves, laborers, and powerful office holders, as well as the hierarchical structure of large plantations, which he later applied at Monticello. The story of Shadwell affects how we interpret much of what we know about Thomas Jefferson today, and Kern's fascinating book is sure to become the standard work on Jefferson's early years.

Thomas Jefferson's Scrapbooks Thomas Jefferson, 2006 While in office from 1801-1809, Thomas Jefferson created homemade scrapbooks of hundreds of poems about national pride, family, and romantic love. He gave the books as gifts to his granddaughters and for nearly 200 years it was believed the girls had compiled the collections themselves.

Jefferson's Children Shannon LaNier, Jane Feldman, 2020-12-15 Now available in ebook format—one of the important books that marked the beginning of the ongoing conversation about slavery and our nation's history. From the sixth great-grandson of Thomas Jefferson and enslaved woman Sally Hemmings comes an anthology of Jefferson's living descendants. Told in the style of a family photo album—with a combination of photographs and interviews—Jefferson's Children is the riveting story of Thomas Jefferson and Sally Hemming's sixth great-grandson, Shannon Lanier's, travels across the country to meet his relatives from both sides of the family. The profiles contained chart the multiple perspectives of Jefferson's and Hemming's descendants, from those who embrace their heritage to those who want nothing to do with Jefferson's legacy. A fascinating picture soon emerges, one that begins with a pairing of two individuals with vastly disparate levels of power—on the one side, the third president of the United States and the author of the Declaration of Independence; on the other, the woman who was his property—and that ultimately represents America's complicated history with issues of diversity and race and the unusual ways in which we define family. An ALA Best Book for Young Adults "The portraits that emerge are as generous and jumbled as America itself." —The New York Times "A book about American history, racial identity and the bonds of family that will help young people navigate these

difficult areas.” –Black Issues Book Review

Jefferson's Daughters Catherine Kerrison, 2018-01-30 The remarkable untold story of Thomas Jefferson's three daughters—two white and free, one black and enslaved—and the divergent paths they forged in a newly independent America FINALIST FOR THE GEORGE WASHINGTON PRIZE • “Beautifully written . . . To a nuanced study of Jefferson's two white daughters, Martha and Maria, [Kerrison] innovatively adds a discussion of his only enslaved daughter, Harriet Hemings.”—The New York Times Book Review Thomas Jefferson had three daughters: Martha and Maria by his wife, Martha Wayles Jefferson, and Harriet by his slave Sally Hemings. Although the three women shared a father, the similarities end there. Martha and Maria received a fine convent school education while they lived with their father during his diplomatic posting in Paris. Once they returned home, however, the sisters found their options limited by the laws and customs of early America. Harriet Hemings followed a different path. She escaped slavery—apparently with the assistance of Jefferson himself. Leaving Monticello behind, she boarded a coach and set off for a decidedly uncertain future. For this groundbreaking triple biography, history scholar Catherine Kerrison has uncovered never-before-published documents written by the Jefferson sisters, as well as letters written by members of the Jefferson and Hemings families. The richly interwoven stories of these strong women and their fight to shape their own destinies shed new light on issues of race and gender that are still relevant today—and on the legacy of one of our most controversial Founding Fathers. Praise for Jefferson's Daughters “A fascinating glimpse of where we have been as a nation . . . Catherine Kerrison tells us the stories of three of Thomas Jefferson's children, who, due to their gender and race, lived lives whose most intimate details are lost to time.”—USA Today “A valuable addition to the history of Revolutionary-era America.”—The Boston Globe “A thought-provoking nonfiction narrative that reads like a novel.”—BookPage

Jefferson's Legal Commonplace Book Thomas Jefferson, 2019-05-07 As a law student and young lawyer in the 1760s, Thomas Jefferson began writing abstracts of English common law reports. Even after abandoning his law practice, he continued to rely on his legal commonplace book to document the legal, historical, and philosophical reading that helped shape his new role as a statesman. Indeed, he made entries in the notebook in preparation for his mission to France, as president of the United States, and near the end of his life. This authoritative volume is the first to contain the complete text of Jefferson's notebook. With more than 900 entries on such thinkers as Beccaria, Montesquieu, and Lord Kames, Jefferson's Legal Commonplace Book is a fascinating chronicle of the evolution of Jefferson's searching mind. Jefferson's abstracts of common law reports, most published here for the first time, indicate his deepening commitment to whig principles and his incisive understanding of the political underpinnings of the law. As his intellectual interests and political aspirations evolved, so too did the content and composition of his notetaking. Unlike the only previous edition of Jefferson's notebook, published in 1926, this edition features a verified text of Jefferson's entries and full annotation, including essential information on the authors and books he documents. In addition, the volume includes a substantial introduction that places Jefferson's text in legal, historical, and biographical context.

The Writings of Thomas Jefferson Thomas Jefferson, 1854

The Essential Jefferson Thomas Jefferson, 2006-03-15 Through substantial selections from Jefferson's writings—including his earliest writings, Notes on Virginia, and key public papers and personal correspondence—this volume traces the development of his thinking on such fundamental issues as republicanism, constitutionalism, slavery, and the separation of religion from politics. Footnotes identify Jefferson's correspondents and provide useful context.

Jefferson's Notes on the State of Virginia; With the Appendixes ... To

which is Subjoined a Sublime and Argumentative Dissertation on Mr. Jefferson's Religious Principles Entitled: A Vindication of the Religion of Mr. Jefferson and a Statement of His Services in the Cause of Religious Liberty. By a Friend to Real Religion Thomas Jefferson, 1802

Mr. Jefferson's Women Jon Kukla, 2008-10-14 From the acclaimed author of *A Wilderness So Immense* comes a pioneering study of Thomas Jefferson's relationships with women, both personal and political. The author of the Declaration of Independence, who wrote the words "all men are created equal," was surprisingly uncomfortable with woman. In eight chapters, Kukla examines the evidence for the founding father's youthful misogyny, beginning with his awkward courtship of Rebecca Burwell, who declined Jefferson's marriage proposal, and his unwelcome advances toward the wife of a boyhood friend. Subsequent chapters describe his decade-long marriage to Martha Wayles Skelton, his flirtation with Maria Cosway, and the still controversial relationship with Sally Hemings. A riveting study of a complex man, Mr. Jefferson's Women is sure to spark debate.

The Jefferson Bible Peter Manseau, 2020-09-29 The life and times of a uniquely American testament In his retirement, Thomas Jefferson edited the New Testament with a penknife and glue, removing all mention of miracles and other supernatural events. Inspired by the ideals of the Enlightenment, Jefferson hoped to reconcile Christian tradition with reason by presenting Jesus of Nazareth as a great moral teacher—not a divine one. Peter Manseau tells the story of the Jefferson Bible, exploring how each new generation has reimagined the book in its own image as readers grapple with both the legacy of the man who made it and the place of religion in American life. Completed in 1820 and rediscovered by chance in the late nineteenth century after being lost for decades, Jefferson's cut-and-paste scripture has meant different things to different people. Some have held it up as evidence that America is a Christian nation founded on the lessons of the Gospels. Others see it as proof of the Founders' intent to root out the stubborn influence of faith. Manseau explains Jefferson's personal religion and philosophy, shedding light on the influences and ideas that inspired him to radically revise the Gospels. He situates the creation of the Jefferson Bible within the broader search for the historical Jesus, and examines the book's role in American religious disputes over the interpretation of scripture. Manseau describes the intrigue surrounding the loss and rediscovery of the Jefferson Bible, and traces its remarkable reception history from its first planned printing in 1904 for members of Congress to its persistent power to provoke and enlighten us today.

Jefferson against Madison's War, being an exhibition of the late President Jefferson's opinions of the impolicy ... of all wars, together with some remarks on the present war, and the propriety of choosing electors who will vote for a Peace President. By a True Republican Thomas Jefferson, 1812

Jefferson's White House James B. Conroy, 2019-10-23 As the first president to occupy the White House for an entire term, Thomas Jefferson shaped the president's residence, literally and figuratively, more than any of its other occupants. Remarkably enough, however, though many books have immortalized Jefferson's Monticello, none has been devoted to the vibrant look, feel, and energy of his still more famous and consequential home from 1801 to 1809. In *Monticello on the Potomac*, James B. Conroy, author of the award-winning *Lincoln's White House* offers a vivid, highly readable account of how life was lived in Jefferson's White House and the young nation's rustic capital.

In Search of Jefferson's Moose David G. Post, 2009-01-21 In 1787, Thomas Jefferson, then the American Minister to France, had the complete skeleton, skin & horns of an American moose shipped to him in Paris and mounted in the lobby of his residence as a symbol of the vast possibilities contained in the strange and largely unexplored New World. Taking a cue from Jefferson's efforts, David Post, one of the nation's leading Internet scholars, here presents a pithy, colorful exploration of the still mostly undiscovered

territory of cyberspace--what it is, how it works, and how it should be governed. What law should the Internet have, and who should make it? What are we to do, and how are we to think, about online filesharing and copyright law, about Internet pornography and free speech, about controlling spam, and online gambling, and cyberterrorism, and the use of anonymous remailers, or the practice of telemedicine, or the online collection and dissemination of personal information? How can they be controlled? Should they be controlled? And by whom? Post presents the Jeffersonian ideal--small self-governing units, loosely linked together as peers in groups of larger and larger size--as a model for the Internet and for cyberspace community self-governance. Deftly drawing on Jefferson's writings on the New World in Notes on the State of Virginia, Post draws out the many similarities (and differences) between the two terrains, vividly describing how the Internet actually functions from a technological, legal, and social perspective as he uniquely applies Jefferson's views on natural history, law, and governance in the New World to illuminate the complexities of cyberspace. In Search of Jefferson's Moose is a lively, accessible, and remarkably original overview of the Internet and what it holds for the future.

The Writings of Thomas Jefferson Thomas Jefferson, 2011-09-22 This nine-volume edition presents the writings of Thomas Jefferson (1743-1826), Enlightenment thinker and third President of the United States.

The Works of Thomas Jefferson Thomas Jefferson, 2010-01-01 Few men stand with as towering a stature in the annals of American legend as THOMAS JEFFERSON (1743-1826). Author of the Declaration of Independence and third president of the United States, he ranks as one of the most significant of the United States' Founding Fathers, his political philosophies continuing to impact the nation to this day. In the late 19th century American biographer PAUL LEICESTER FORD (1865-1902) assembled this collection of Jefferson's most important, most influential, and most revealing writings. This replica of the 12-volume Federal Edition of 1904 is considered a masterpiece of historical scholarship, praised for its attention to detail as well as its objective dispassion toward its subject. Here, in Volume III, discover: [correspondence and miscellaneous writings, 1779-1781 [the first part of Notes on Virginia, Jefferson's only book-length work.

The Jefferson Bible Thomas Jefferson, Wyatt North, 2014-01-05 The Jefferson Bible, or The Life and Morals of Jesus of Nazareth as it is formally titled, was a book constructed by Thomas Jefferson in the latter years of his life by cutting and pasting numerous sections from various Bibles as extractions of the doctrine of Jesus. Jefferson's composition excluded sections of the New Testament containing supernatural aspects as well as perceived misinterpretations he believed had been added by the Four Evangelists. In 1895, the Smithsonian Institution under the leadership of librarian Cyrus Adler purchased the original Jefferson Bible from Jefferson's great-granddaughter Carolina Randolph for \$400. A conservation effort commencing in 2009, in partnership with the museum's Political History department, allowed for a public unveiling in an exhibit open from November 11, 2011, through May 28, 2012, at the National Museum of American History.

Martha Jefferson William G. Hyland Jr., 2015-02-26 Martha Jefferson is the first and only biography of Thomas Jefferson's greatest love and true kindred spirit, who died an untimely death at the young age of thirty-three in 1782. Drawing on a wealth of newly probed sources--including family letters, documents, and the handwritten notes left by Jefferson's famed biographer, Dumas Malone--William G. Hyland Jr. captures the charm, sophistication, and grace, as well as a profound sense of history, of this little known and elusive figure who, until now, has been a mere footnote to the story of America's founding. Hyland brings us a conflicted and honest Martha Jefferson, who endured the Revolution as valiantly as some men--defending her very doorstep from raiding British troops--and presided over the domestic life of the Jeffersons' "little mountain," Monticello, during her husband's long

absences and historic rise to power. A revealing and insightful look at an often overlooked American woman, this book provides a unique and previously unexplored understanding of America's Revolutionary Era, and the men and women upon whose bravery, talent, and resolve our nation was founded.

Thomas Jefferson's Image of New England Arthur Scherr, 2016-10-07 Writers often depict Thomas Jefferson as a narrow-minded defender of states' rights and Virginia's interests, despite his authorship of the Declaration of Independence and vigorous defense of the young republic's sovereignty. Some historians claim he was particularly hostile to the New England states, whose Federalist electorate he regarded as enemies of his Democratic-Republican Party. This study of Jefferson's lifelong relationship with New England reveals him to be a consistent nationalist and friend of the region, from his first visit to Boston in 1784 to his recruiting of Massachusetts scholars to teach at the University of Virginia. His nationalist point of view is most evident where some historians claim to see it least: in his opinions of the people and politics of New England. He admired New Englanders' Revolutionary patriotism, especially that of his friend John Adams, and considered their direct democracy and town-meeting traditions a model for the rest of the Union.

The Papers of Thomas Jefferson: Retirement Series, Volume 10 Thomas Jefferson, 2004 The Retirement Series documents Jefferson's written legacy between his return to private life on 4 March 1809 and his death on 4 July 1826. During this period Jefferson founded the University of Virginia and sold his extraordinary library to the nation, but his greatest legacy from these years is the astonishing depth and breadth of his correspondence with statesmen, inventors, scientists, philosophers, and ordinary citizens on topics spanning virtually every field of human endeavor.--From publisher description.

Mojeffersonso Introduction

In today's digital age, the availability of Mojeffersonso books and manuals for download has

revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Mojeffersonso books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Mojeffersonso books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Mojeffersonso versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Mojeffersonso books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Mojeffersonso books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can

be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Mojeffersonso books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Mojeffersonso books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Mojeffersonso books and manuals for download and embark on your journey of knowledge?

FAQs About Mojeffersonso Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Mojeffersonso is one of the best book in our library for free trial. We provide copy of Mojeffersonso in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Mojeffersonso. Where to download Mojeffersonso online for free? Are you looking for Mojeffersonso PDF? This is definitely going to save you time and cash in something you should think about.
