Mother Hunger Kelly McDaniel, 2021-07-20 An insatiable need for sex and

love. Periods of overeating or starving. A pattern of unstable and painful relationships. Does this sound painfully familiar? Trauma counselor Kelly McDaniel has seen these traits over and over in clients who feel trapped in cycles of harmful behaviors-and are unable to stop. Many of us find ourselves stuck in unhealthy habits simply because we don't see a better way. With *Mother Hunger*, McDaniel helps women break the cycle of destructive behavior by taking a fresh look at childhood trauma and its lasting impact. In doing so, she destigmatizes the shame that comes with being under-mothered and misdiagnosed. McDaniel offers a healing path with powerful tools that include therapeutic interventions and lifestyle changes in service to healthy relationships. The constant search for mother love can be a lifelong emotional burden, but healing begins with knowing and naming what we are missing. McDaniel is the first clinician to identify Mother Hunger, which demystifies the search for love and provides the compass that each woman needs to end the struggle with achy, lonely emptiness, and come home to herself.

The Better Mom Ruth Schwenk, 2018-04-24 Mothering is messy. Our joy and hope in raising children doesn't change the reality that being a mom can be frustrating, stressful, and tiring. But just as God is using us to shape our children, God is using our children and motherhood to shape us. In *The Better Mom*, author Ruth Schwenk, herself a mother of four children, encourages us with the good news that there is more to being a mom than the extremes of

striving for perfection or simply embracing the mess. We don't need to settle for surviving our kids' childhood. We can grow through it. With refreshing and heartfelt honesty Ruth emboldens moms to: Find freedom and walk confidently in purpose Create a God-honoring home environment Overcome unhealthy and destructive emotions such as anger, anxiety, and more Avoid glorifying the mess of mom-ing or idolizing perfection Cultivate life-giving friendships At the heart of *The Better Mom* is the message that Jesus calls us to live not a weary life, but a worthy life. We don't have to settle for either being apathetic or struggling to be perfect. Both visions of motherhood go too far. Ruth offers a better option. She says, "It's okay to come as we are, but what we're called to do and be is far too important to stay there! The way to becoming a better mom starts not with what we are doing, but with who God is inviting us to become.

**Mothers of the Village** C.J. Schneider, 2016-03-08 So many mothers feel like something is out of joint, something is missing—and maybe the truth is that we're all just missing each other. C. J. Schneider found herself in the middle of a perfect storm after giving birth to her third child and moving to a new neighborhood. Conditions for misery and postpartum depression were ideal: she was isolated, lonely, and exhausted with three young children at home. As she started talking with other mothers, she realized that she was

not alone in her experience of feeling alone. In her unique voice, Schneider intelligently and compassionately offers practical advice on how to create the essential community that mothers need. Given the many examples of communal mothering from the past and around the world, as well as modern examples of communities in which mothers are thriving, the research is clear: since the beginning of womankind, mothering has been a communal effort. Mothers of the Village affirms that as mothers connect with each other and learn to work with each other, despite the challenges, they may find a piece of themselves that they have felt missing all along.

*The Mommy Group* Elizabeth Isadora Gold, 2016-03-01 "Elizabeth Isadora Gold writes vividly and humorously about the trials and trip-outs of new-motherhood." –The New Yorker "If you only read one parenting book this year, make it *The Mommy Group*...This book is incisive, insightful, and downright delightful. I did not mean for that to rhyme" –Adam Mansbach, #1 New York Times bestselling author of *Go the F\*ck to Sleep* In 2010, seven women met in Brooklyn, New York, to form a Mommy Group. Over coffee, croissants, wine, and the occasional baby carrot, they commiserated about typical new-mother issues: difficult births, babies who slept in ten-minute increments, and breast pumps that talked back in the middle of the night. And then things got complicated. Elizabeth and Melissa suffered from postpartum depression and anxiety. Jane's daughter was diagnosed with developmental delays. Anna's husband left her when their baby was two weeks old. Through it all, the Mommy

Group laughed, supported, and learned lessons from one another that the myriad “experts” hadn’t delivered. The journalist of the bunch—author Elizabeth Isadora Gold—reached out to other Mommy Groups around the country and found that similar bonds were forming far beyond brownstone Brooklyn. In fact, mothers across all class, geographic, and racial boundaries appear to be searching for the same thing: a way to be strong, loving, engaged parents “while retaining—or remaking—our Selves.” A witty, relatable, and honest look at the realities of parenthood today, *The Mommy Group* is a companion that will help any mom feel understood and empowered, and keep her laughing all the way.

*For the Love of Mom* Maria Bailey, 2013-04-02 From teaching us to tie our shoes to parallel park, from outfitting us for our first dance or our first day in the dorm room, our moms have been our chief counselors, cheerleaders, critics, chauffeurs, and chefs. *For the Love of Mom* pays homage to the special women who rocked us, raised us, championed us, challenged us, and—at times—exasperated us. Whether a woman becomes a mom by giving birth, or through the blessings of adoption or step-parenting, she will be moved, inspired, and entertained by these true stories that share both the monumental milestones and everyday moments of motherhood. Some stories are humorous, some heartfelt; others will help moms through the trying times, yet all underscore the devotion and dedication we admire most about mothers. While the experience of motherhood is different for every woman, one thing is

universal: it's almost impossible to fathom the myriad of joys and triumphs encountered on the journey. For the Love of Mom celebrates moms and the uniquely important roles they play in our lives.

**The Mamas** Helena Andrews-Dyer, 2022-08-23 Can white moms and Black moms ever truly be friends? Not just mom friends, but like really real friends? And does it matter? “Utterly addictive . . . Through her sharp wit and dynamic anecdotal storytelling, Helena Andrews-Dyer shines a light on the cultural differences that separate Black and white mothers.”—Tia Williams, New York Times bestselling author of *Seven Days in June* Helena Andrews-Dyer lives in a “hot” Washington, D.C., neighborhood, which means picturesque row houses and plenty of gentrification. After having her first child, she joined the local mom group—“the Mamas”—and quickly realized that being one of the only Black mothers in the mix was a mixed bag. The racial, cultural, and socioeconomic differences were made clear almost immediately. But spending time in what she

calls “the Polly Pocket world of postracial parenting” was a welcome reprieve. Then George Floyd happened. A man was murdered, a man who called out for his mama. And suddenly, the Mamas hit different. Though they were alike in some ways—they want their kids to be safe; they think their husbands are lazy; they work too much and feel guilty about it—Andrews-Dyer realized she had an entirely different set of problems that her neighborhood mom friends could never truly understand. In *The Mamas*, Andrews-Dyer chronicles the particular challenges she faces in a group where systemic racism can be solved with an Excel spreadsheet and where she, a Black, professional, Ivy League-educated mom, is overcompensating with every move. Andrews-Dyer grapples with her own inner tensions, like “Why do I never leave the house with the baby and without my wedding ring?” and “Why did every name we considered for our kids have to pass the résumé test?” Throw in a global pandemic and a nationwide movement for social justice, and Andrews-Dyer ultimately tries to find out if moms from different backgrounds can truly understand one another. With sharp wit and refreshing honesty, *The Mamas* explores the contradictions and community of motherhood—white and Black and everything—against the backdrop of the rapidly changing world.

The Good Mother Myth Avital Norman Nathman, 2013-12-31 In an era of mommy blogs, Pinterest, and Facebook, *The Good Mother Myth* dismantles the social media-fed notion of what it means to be a “good mother.” This collection of essays takes a realistic look at motherhood and provides a platform for real

voices and raw stories, each adding to the narrative of motherhood we don't tend to see in the headlines or on the news. From tales of mind-bending, panic-inducing overwhelm to a reflection on using weed instead of wine to deal with the terrible twos, the honesty of the essays creates a community of mothers who refuse to feel like they're in competition with others, or with the notion of the ideal mom—they're just trying to find a way to make it work. With a foreword by Christy Turlington Burns and a contributor list that includes Jessica Valenti, Sharon Lerner, Soraya Chemaly, Amber Dusick, and many more, this remarkable collection seeks to debunk the myth and offer honest perspectives on what it means to be a mother.

**Cat and Nat's Mom Truths** Catherine Belknap,Natalie Telfer,2019-03-12 #1  
Globe and Mail Bestseller Hilarious best friends Cat and Nat created a massive online community of moms by sharing their ultra-real and just a bit R-rated dispatches from the mom trenches. From what not to eat a few days postpartum (chicken wings) to the most effective ways to dodge post-partum sex, Cat & Nat's Mom Truths shares everything no one will tell you about having kids. Mixing memoir, humor, and advice, Cat and Nat tell never-before-told stories about the stress, guilt, joy, and laundry (oh the laundry!) of being a mom in their first book. With seven kids between them and millions of fans on social media, they get real about the parts of parenting that somehow don't make the Instagram feed. Sharing their outrageous humor, fearless myth-

busting, and genuine comfort on every page, they walk you from pregnancy to the toddler years and beyond. And they dole out ridiculously honest advice, like what you think you need at the hospital when you have your first baby (lip gloss) versus what you actually need (hemorrhoid pillow), and how worried you should really be about germs (less than you are). Fearless crusaders against the perfection myth and all the gluten-free, sugar-free baking it entails, Cat and Nat assure you that you're already doing a great job, making this an essential companion for moms everywhere.

**Motherhood Realized** Power of Moms, 2014-04-08 We believe that family life is beautiful and that motherhood is a privilege. But we also believe it is often really hard to see all that beauty when we're in the midst of mothering. So often, we feel like we're spread too thin. We feel like we don't match up. Our hearts want to do more than our hands can manage. And every day, as we cycle through household duties, discipline, errands, conversations, teaching, and hundreds of unexpecteds, we're often left tired, worried, and in need of some extra inspiration and encouragement. Power of Moms is an online community of deliberate mothers. Since 2007, millions of mothers from all backgrounds who are striving to be the best they can be have gathered to our

website to learn and grow together. Time and again, our posts receive comments that say something like, I am going to print this out and put it on my nightstand so I can read it again and again. We've been concerned about those nightstands . . . getting all cluttered up with paper. So we've selected dozens of our most popular posts and compiled them neatly into this book just for you. This book isn't just a book. It's a tangible representation of a living, breathing community of mothers. Motherhood is the hardest job we'll ever love, and it's so much better when we're doing it together.
