Cricket Today – Weekly 2017 CT Team, 2017-10-27 Men in Blue are surging ahead from their competitors in one day internationals with no sign of slowing down. From taming big fishes to achieving numerous records, the team led by Virat Kohli is enjoying success. Kiwis, who are captained by Kane Williamson, have caused a dent in the astonishing record of Team India. In the first ODI against the home team, the visitor crafted a perfect plan and implemented it with sheer will, resulting in one of the most comfortable wins. However, there is a lot to play with two more ODIs to go. Pretty much like his cricket performance, Virat Kohli is committed in the field of romance as well. Virat Kohli and his lady love Anushka Sharma are giving major relationship goals to couples, who are facing troublesome time in their respective unions. It is no more a hidden fact that Virat and Anushka have grown in their relationship, often praising each other for their role in each other's life. If Anushka has brought peace and calmness in the life of Indian skipper, Virat has added colors of love in the life of Bollywood star. There is more to read from cricket in this issue.
