Michael Ende

Momo Michael Ende,1984 Momo is very intelligent and not easily fooled by the two men who come to town telling people to save time by depositing it in the bank. With the help of her friend, Professor Hora, and a turtle, she is determined to find out what they are doing with the time.

Momo Albert Kim,2017-01-04 Whatever you do, do it honorably. This was the parting words that Momo got from his parents. From the town of Kaneyama, a little boy of 15, Momo goes on an adventure. He knew he would do something great, but he didn't know he would befriend a dog, a monkey, and a pheasant. And then fight a giant ogre, and rescue children and return home a hero. As a true hero, he doesn't fight the villain because he hates the villain. He simply fights the chaos, and attempts to rescue the villain to return to his more nobler self by bringing in light and order.
