**Money Secrets of the Rich** John Burley,2009-08-01 Burley found that the books on money either went one of two ways. Money Secrets Of The Rich strives to be a book that does both.

*The Money Manual* Mike Enemigo, 2018-05-19 Becoming a millionaire is equal parts what you make, and what you don't spend -- AKA save. All Millionaires and Billionaires have mastered the art of not only making money, but keeping the money they make (remember Donald Trump's tax maneuvers?), as well as establishing credit so that they are loaned money by banks and trusted with money from investors: AKA OPM -- other people's money. And did you know there are millionaires and billionaires just waiting to GIVE money away? It's true! These are all very-little known secrets they don't want YOU to know about, but that I'm exposing in my new book! Inside this book you will learn: How To Establish AAA Credit in JUST 45 days! How To Legally NOT Pay Your Debt! A Secret Insider's Method to Paying Off Credit Cards up to 900% FASTER! How to Make ANY Expense Tax Deductible! How To Use Bankruptcy for PROFIT! How To Get FREE Money from the Bank! How To Buy a Home Inexpensively! The Real Secrets to Getting Loans, Leases and Mortgages! All of this, and much, MUCH more! Be enlightened and change your financial future TODAY!

**Money Secrets 101** Janet Xuccoa, 2015-10-05

Credit Secrets Revealed Monica Main, 2019-02 You are only one secret away from becoming a multi-millionaire. Perhaps one of the biggest secrets in why the rich get richer is their access to something called OPM or Other People's Money. But what the Average Joe doesn't realize is that they too can have this same type of access to OPM as the rich do. They just need to understand the precise system behind exactly how to gain access to it. Of course, you must understand something critical before you get started in accessing this type of unsecured cash. This money needs to be used to build wealth whether you're using it for investing in real estate or building a business from scratch...or both! This money is NOT to be used for buying big screen TVs, expensive cars, or exotic vacation packages otherwise you'll end up in debt without a penny to your name and without a means for consistent cash flow in place for yourself which is the whole idea behind building unsecured business credit. So, exactly what should you use unsecured business credit for? As mentioned briefly above, you can start a cash flowing business from scratch by purchasing inventory, paying for marketing expenses, and getting your business off the ground to profitability as fast as possible. You can also use the unsecured credit for acquiring investing in the markets or for long-term cash flowing investment real estate deals. The sky's the limit on what you can use the unsecured business credit for to use as a method to build huge amounts of wealth for yourself and your family. The next question is: how will YOU use this unsecured business credit to get OBSCENELY RICH beyond your wildest dreams?
