Never Give Up: Jack Ma In His Own Words Suk Lee, Bob Song, 2016-07-12 Ever since the Alibaba Group went public on September 19, 2014—with an initial public offering of a record-breaking \$25 billion—Jack Ma, the founder and charismatic spiritual leader of the e-commerce behemoth, has been making headlines around the world. In 2014, the company's online transactions totaled \$248 billion—more than those of Amazon and eBay combined. The first Chinese entrepreneur to appear on the cover of Forbes, Ma is the now the second-richest man in China, with a net worth that is estimated to be north of \$29 billion. Despite Ma's massive influence in China and in the global tech world, his inspirational rags-to-riches story is relatively unknown to the general American public. *Never Give Up: Jack Ma In His Own Words* is a comprehensive guide to the inner workings of arguably the most prominent figure in the global tech world in the past 20 years—comprised entirely of Ma's own thought-provoking and candid quotes. When Ma decided to start his first Internet company in 1999, few Chinese people knew what the Internet was. Ma, a former English teacher, knew nothing about coding, and his \$20,000 in startup funds were not made up of investments from venture capitalists but loans from his family. He channeled his startup experience into Alibaba, a group of websites that allows businesses and people to connect in order to buy and sell products (similar to eBay and Amazon) while also collecting advertising revenue (similar to Google). By some measures, Alibaba is now the largest e-commerce site in the world. In this book, more than 200 quotes on business values, innovation, entrepreneurship, competition, management, teamwork, life, and more provide an intimate and direct look into the mind of this modern business icon and philanthropist. Many of these quotes are translated directly from the Chinese press and interviews. For readers who do not read Chinese and have no other access to these materials, this book provides invaluable insight into the mind of one of the world's most successful business magnates.

Commander (Jack Lark, Book 10) Paul Fraser Collard, 2021-10-28 'A gripping adventure... Jack Lark might not be the hero anyone wants, but he's most definitely the hero you need!' R. S. FORD 'A tour de force' SIMON TURNEY 'Historical adventure with nuance and a flawed, melancholy hero' THE TIMES A true leader serves his men. The Jack Lark series is historical military fiction at its finest, for fans of Bernard Cornwell's Sharpe series, Matthew Harff and Patrick O'Brian. This is the tenth adventure featuring Jack Lark: soldier, leader, imposter. Egypt, 1869. Jack Lark has reinvented himself once more. Working as an unofficial agent for the Consul-General, he moves among the most powerful men in Cairo. But when the opportunity arises to join legendary explorer Sir Samuel White Baker on his expedition into the Sudan, Jack can't resist a new adventure. Jack assumes command of an elite cadre to protect the fleet of vessels. But, as they move down the Nile, Jack and his men soon find themselves in a land where the rule of law means nothing, and those who wield power will do anything to keep it. And when a new friend seeks Jack's help, Jack must decide where his loyalties truly lie . . . Praise for the Jack Lark series: 'Brilliant' Bernard Cornwell 'Enthralling' The Times 'Bullets fly, emotions run high and treachery abounds... exceptionally entertaining historical action adventure' Matthew Harff 'Expect ferocious, bloody action from the first page' Ben Kane 'You feel and experience all the emotions and the blood, sweat and tears that Jack does... I devoured it in one sitting' Parmenion Books

Year 10 Simon Vinnicombe, 2015-01-04 Gripping drama of teenage struggle by talented new writer 'I walk to parks and stare into space...just stand there and sometimes I cry, so much that I feel I might not ever stop . . . I stand in the parks with all the fruit bowls, drinking Special Brew and talking to themselves, I'm like a disappointed old man and I'm fifteen years old...' In the suburbs of south London, Jack moves to a new school where he is confronted by aggression, violence and anger. He dreams that time would speed up and hurry by, but then he meets Jamie. And suddenly she makes him wish time could just slow down and stop. An emotionally-charged, bruising yet tender story of the journey of a year in the life of a fifteen year old boy. 'captures all the frustration, anger and fear of the introspective, put-upon teenager, and the helplessness of parents and teachers . . . I believed every word. Which is truly terrifying' Lyn Gardner, Guardian

Jack London Alex Kershaw, 2013-08-20 Raised in poverty as an illegitimate child, Jack London dropped out of school to support his mother, working in mind-deadening jobs that would foster a lifelong interest in socialism. Brilliant and self-taught, he haunted California's waterside bars, brawling with drunken sailors and learning about love from prostitutes. His lust for adventure took him from the beaches of Hawaii to the gold fields of Alaska, where he experienced firsthand the struggles for survival he would later immortalize in classics like *White Fang* and *The Call of the Wild*. A hard-drinking womanizer with children to support, Jack London was no stranger to passion when he met and married Charmian Kittredge, the love of his life. Despite his adventurous past, London had never before met a woman like Charmian; she adored fornication and boxing, and willingly risked life and limb to sail and explore. She typed his manuscripts while he churned out novels, serving as his inspiration and his critic. Lover, fighter, and onetime hobo, Jack London lived large and died before he was forty. This is a rare biography, from bestselling historian Alex Kershaw, that proves the truth can be more fascinating--and a far greater adventure--than a fiction.

Blood Money James Grippando, 2013-01-08 New York Times bestselling author James Grippando delivers a powerful, nonstop thrill ride ripped from the headlines. Miami criminal defense attorney Jack Swyteck is back in his most frightening case yet, and this time the price of victory is measured in blood. It is the most sensational murder trial since O. J. Simpson's. The nation is obsessed with Sydney Bennett, a sexy nightclub waitress and good-time girl accused of murdering her two-year-old daughter for cramping her party life. When he had agreed to defend Sydney, Jack Swyteck knew he'd be taking on the toughest and most controversial case of his career. Millions of TV jurors have convicted Sydney in the court of public opinion. When the shocking verdict of not guilty is announced, citizens across the country are outraged, and Jack is bombarded by the fallout: angry, profanity-laced phone calls and even outright threats. Media-fed rumors of blood money—purported seven-figure book and movie deals—ratchet up the hysteria, putting Jack's client and everyone around her at risk. On the night of Sydney's release, an angry mob outside the jail has gathered to serve its own justice. In the frenzy, an innocent young woman bearing a striking resemblance to the reviled Sydney Bennett ends up in a coma. While the media blame Jack and his defense team, the victim's parents reach out to him, requesting his help. They don't believe the attack was the tragic result of random mob violence. Searching for the truth about what happened that night, Jack makes a frightening discovery. Larger and much more powerful forces are working in the shadows, and what happened outside the jail is a symptom of an evil that infected the show-stopping trial and media-spun phenomenon of Sydney Bennett.

Miracle Boy Ha Le,2003-09 Miracle Boy was a science fiction novel with interesting characters and well-woven plots. It involved the Dow Jones Stock Market averages and the life of a day trader, medical dramas caused by the shortcomings of medical technology, human relationships, philosophical concepts of life and death, and adventure with romantic sub-plots and interesting twists. The over all theme of the novel was that a beautiful, happy and healthy boy brought joy to his adopted father, his babysitters and their friends. The boy possessed a power to foresee the movement of the Dow Jones Stock Market to create a fortune for his adopted father. He possessed a powerful light source, and an advanced intelligent radiation therapy that aimed to destroy only cancerous cells in the human body. He restored humans' minds from coma and insanity by rebooting the human operating system using the copy of the person's health profile when they once were healthy. He was a sex therapist, and brought back his favorite lady's joy of sex. He was the medical god of the Peruvian villagers, and the angel who granted his adopted father's wishes.
