The Mongolia Travel Journal Younghusband World Travel Journals Staff, 2013-04-02 I don't always design travel journals, but when I do they are the kind of travel journals that people throw parades for. - Cormac Younghusband, The World's Most Legendary Nomad

THE MONGOLIA TRAVEL JOURNAL has been carefully crafted by the legendary nomad Cormac Younghusband to help make your trip unforgettable, fun and organized—with plenty of room to help spur spontaneity and document new discoveries. This journal can help you plan, live out and record every stage of your journey to Mongolia—from pre-trip, to getting there, to being there, to getting home, and afterwards. Mongolia food is among the world's finest. They do this thing with the thing! - Cormac Younghusband, The World's Most Legendary Nomad

The first part of the journal is for PRE-TRIP PLANNING and contains sections for important information, a page to write about what inspired you to make the trip, a page to write about the who, where, what, when, how of the journey, a page to make note of your travel companions, a number of pages to organize your travel research.* Plus, you will find sections for drafting an itinerary and keeping a journey to-do checklist. The second part of the journal deals with GETTING THERE, containing sections to describe getting there and arriving. The third part of the journal is all about BEING THERE. There are sections for: tracking the stuff you buy and for your daily adventures there are 50 two-page daily records to keep notes on: day #, date, weather, places visited, what happened today + thoughts on what happened, the highlight of the day and extensive notes (with a handy reminder list of things to write about). Because there are about 3,179,997 people in Mongolia, there's also a section to record the names and contact info

of the people you meet along the way. The fourth part of the journal is for GETTING HOME, that fateful day you depart and the days that follow. There are sections for describing your departure, for making your own top 10 highlights lists, a country radar to help you create a signature review of the country, and an afterwards where you can sum up the meaning of your trip. When a trip is over, Cormac Younghusband recommends you start planning your NEXT TRIP. To help, there is a section where you can make a travel wish list. Also included is a COUNTRY BRIEF to give you important info on the destination and a MAP to give you an idea of the lay of the land. Plus, at the back of the book there are sections for: generic packing ideas, measures and conversions, and pages for notes, sketches, maps and such Find a place in the world you haven't been, and go there. Keep on trucking, my friends - Cormac Younghusband, The World's Most Legendary Nomad - - - - - *

Research Such As: places to go / explore, places to stay, places to shop / must have souvenirs, cultural / sporting events to attend, historical / religious sites of interest, pubs-bars-places-to-party, beaches / forests / natural wonders to see, parks & gardens to wander through, things to eat and drink / dining experiences, festivals & events to attend, stuff for kids - seniors - and such, experiences to experience, important local customs, etiquette, laws, and such. - - - - - Why visit Mongolia?

Because, it's there. - Cormac Younghusband, The World's Most Legendary Nomad - - - - -

places on earth where travelers can still explore with a true sense of adventure.

Lost in Mongolia Colin Angus, Ian

Mulgrew, 2003-09-09 From the Yenisey's headwaters in the wild heart of central Asia to its mouth on the Arctic Ocean, Colin Angus and his fellow adventurers travel 5,500 kilometres of one of the world's most dangerous rivers through remotest Mongolia and Siberia, and live to tell about it. Exploration is Colin Angus' calling. It is not only the tug of excitement and challenge that keeps sending him on death-defying journeys down some of the world's most powerful waterways, it is a desire to know a place more intimately than you could from the window of a train, to feel the soul of a place. Angus emphasizes that rivers have always been key to the development of complex societies and the rise of civilizations, offering as they do irrigation, transportation, hydroelectric power, and food. But, as *Lost in Mongolia* captures with breathtaking detail, while they giveth plenty, the great rivers also taketh away in an instant. In *Lost in Mongolia*, Colin Angus takes readers through never-before-seen territory and his wonderful sense of adventure and humour come through on every page.

Wild East Jill Lawless, 2012-08 For most of us, the name
Mongolia conjures up exotic images of wild horsemen,
endless grasslands, and nomads - a timeless and
mysterious land that is also, in many ways, one that time
forgot. Under Genghis Khan, the Mongols' empire
stretched across Asia and into the heart of Europe. But
over the centuries Mongolia disappeared from the world's
consciousness, overshadowed and dominated by its huge
neighbours - first China, which ruled Mongolia for
centuries, then Russia, which transformed the feudal
nation into the world's second communist state. Jill
Lawless arrived in Mongolia in the late 1990s to find a
country waking from centuries of isolation, at once
rediscovering its heritage as a nomadic and Buddhist
society and simultaneously discovering the western world.
The result is a land of fascinating, bewildering contrasts: a
vast country where nomadic herders graze their sheep and
yaks on the steppe, it also has one of the world's highest
literacy levels and a burgeoning high - tech scene. While
trendy teenagers rollerblade amid the Soviet apartment
blocks of Ulaanbaatar and dance to the latest pop music in
nightclubs, and the rich drive Mercedes and surf the
Internet, more than half the population still lives in felt
tents, scratching out a living in one of the world's harshest
landscapes. Mongolia, it can be argued, is the archetypal
21st - century nation, a country waking from a tumultuous
20th century in which it was wrenched from feudalism to
communism to capitalism, searching for its place in the

new millennium. This is a funny and revealing portrait of a beautiful, troubled country whose fate holds lessons for all of us.

Mongolia - Wink Travel Guide Wink Travel Wink Travel Guide,2019-05-09 Mongolia is a landlocked country located between China and Russia. It is a vast emptiness that links land and sky, and is one of the last few places on the planet where nomadic life is still a living tradition. There is little architecture in Mongolia, but Amarbaysgalant monastery, Selenge province, in the middle of nowhere, is worth seeing. Erdenet's open copper mine, the biggest copper mine in Asia, is in Orhon province. Today the Choijin Lama Monastery and the Bogd Khan Winter Palace are preserved as museums for the art of the Lamas and the toys of the former king. The most memorable part of any trip to Mongolia, regardless of what drew you here, will certainly be the people. Wink Travel Guides introduce you to the best world travel destinations, in a clear and concise way, illustrated by photos.

Hearing Birds Fly Louisa Waugh, 2008-09-04 HEARING BIRDS FLY is Louisa Waugh's passionately written account of her time in a remote Mongolian village. Frustrated by the increasingly bland character of the capital city of Ulan Bator, she yearned for the real

Mongolia and got the chance when she was summoned by the village head to go to Tsengel far away in the west, near the Kazakh border. Her story completely transports the reader to feel the glacial cold and to see the wonders of the Seven Kings as they steadily emerge from the horizon. Through her we sense their trials as well as their joys, rivalries and even hostilities, many of which the author shared or knew about. Her time in the village was marked by coming to terms with the harshness of climate and also by how she faced up to new feelings towards the treatment of animals, death, solitude and real loneliness, and the constant struggle to censor her reactions as an outsider. Above all, Louisa Waugh involves us with the locals' lives in such a way that we come to know them and care for their fates.
