Don't Let the Lottery Ruin Your Life Tracy Barton,2021-02-01 Ever wonder why there is a TV show called The Lottery Ruined My Life? How can winning the lottery ruin your life? Why are there people trying to sue the lottery commission because not only are they broke, but deeper in debt after winning a lottery jackpot? Why do many people who win the lottery go broke within the first year? Watching that show, and reading about these frivolous law suits got me curious about that very topic. I have done several years of research, and I have found several reasons—some very obvious and some not so obvious. The goal of this book is to prevent you from falling into the bankruptcy traps that have caught several people and allow you to truly enjoy the benefits of winning a lottery jackpot and not let it ruin your life.

Lotto John Gilmore,2013-08-09 Did biblical characters gamble in casting lots? Did reliance on casting lots encourage gambling? Do all risk-taking decisions have a gambling element? Are Stock Exchange investments a form of gambling? As more and more Christians are buying lottery tickets, *Lotto: Is the Lottery Fun or Folly?* examines and argues cogently the biblical, theological, historical, and ethical dimensions of lotteries. It provides up-to-date information on many of the increasingly popular forms of gambling, including charity gambling, but with particular emphasis on lotteries. It explores theological issues and examines biblical and historical viewpoints often overlooked by other works. This book is highly readable style and nonjudgmental in its approach. It offers practical and pastorally sensitive advice on the control of gambling, and each chapter concludes with discussion questions to prompt further study.

I Love Jesus, But I Want to Die Sarah J. Robinson,2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

How Did God Do It? A Symphony of Science and Scripture Walt Huber,Rose Huber,2013-12 Have you ever wondered... How Did God Do It? How did God perform the many miracles and supernatural events described in the Holy Bible - without violating the laws of physics and chemistry that He Himself put into place? And without conflicting with the basic tenets of Judaism and Christianity? This book proposes a theory that marries faith and rationality in a symphony of science and scripture....

What Jesus Meant Garry Wills,2006-03-02 “Garry Wills brings his signature brand of erudite, unorthodox thinking to his latest book of revelations. . . . A tour de force and a profound show of faith.” (O, the Oprah Magazine) Look out for a new book from Garry Wills, *What The Qur'an Meant*, coming fall 2017. In what are billed “culture wars,” people on the political right and the political left cite Jesus as endorsing their views. But in this New York Times-bestselling masterpiece, Garry Wills argues that Jesus subscribed to no political program. He was far more radical than that. In a fresh reading of the gospels, Wills explores the meaning of the “reign of heaven” Jesus not only promised for the future but brought with him into this life. It is only by dodges and evasions that people misrepresent what Jesus plainly had to say against power, the wealthy, and religion itself. But Wills is just as critical of those who would make Jesus a mere ethical teacher, ignoring or playing down his divinity. An illuminating analysis for believers and nonbelievers alike, *What Jesus Meant* is a brilliant addition to our national conversation on religion.

Troy Maxson is a strong man, a hard man. He has had to be to survive. Lotto Master Book of Numbers Rob Sutton,2020-04-13 Lotto Master Book of NumbersWheeling lotto numbers is fun! The odds of actually winning the lottery range from one in 179 million, to one in 292 million, depending on the game you play. This element immediately moves playing the lottery from a way to make money into an entertainment or recreational activity. Yet I still find playing the lottery fascinating. And I still hold to the dream that someday I will play a winning ticket that will instantly turn me into a millionaire. In my book. *Lotto Master Book of Numbers*, I explain what lotto wheels are and how to use them. I also describe 26 strategies to pick potentially winning lotto numbers.
