**The Manchurian Candidate** Richard Condon,2013-11-25 The classic thriller about a hostile foreign power infiltrating American politics: "Brilliant . . . wild and exhilarating." —The New Yorker A war hero and the recipient of the Congressional Medal of Honor, Sgt. Raymond Shaw is keeping a deadly secret—even from himself. During his time as a prisoner of war in North Korea, he was brainwashed by his Communist captors and transformed into a deadly weapon—a sleeper assassin, programmed to kill without question or mercy at his captors' signal. Now he's been returned to the United States with a covert mission: to kill a candidate running for US president . . . This "shocking, tense" and sharply satirical novel has become a modern classic, and was the basis for two film adaptations (San Francisco Chronicle). "Crammed with suspense." —Chicago Tribune "Condon is wickedly skillful." —Time

*Spearhead of Logistics* Benjamin King,Richard C. Biggs,2016-02-25 *Spearhead of Logistics* is a narrative branch history of the U.S. Army's Transportation Corps, first published in 1994 for transportation personnel and reprinted in 2001 for the larger Army community. The Quartermaster Department coordinated transportation support for the Army until World War I revealed the need for a dedicated corps of specialists. The newly established Transportation Corps, however, lasted for only a few years. Its significant utility for coordinating military transportation became again transparent during World War II, and it was resurrected in mid-1942 to meet the unparalleled logistical demands of fighting in distant theaters. Finally becoming a permanent branch in 1950, the Transportation Corps continued to demonstrate its capability of rapidly supporting U.S. Army operations in global theaters over the next fifty years. With useful lessons of high-quality support that validate the necessity of adequate transportation in a viable national defense posture, it is an important resource for those now involved in military transportation and movement for ongoing expeditionary operations. This text should be useful to both officers and noncommissioned officers who can take examples from the past and apply the successful principles to future operations, thus ensuring a continuing legacy of Transportation excellence within Army operations. Additionally, military science students and military historians may be interested in this volume.

lawyer Tom Dunleavy's client list is woefully small-occasional real estate closings barely keep him in paper clips. So when he is hired to defend a local man accused in a triple murder in East Hampton, he knows that he has found the case of his lifetime. The crime turns the glittering playground for the super-rich into a blazing inferno. Dunleavy's client is a local hero, but he knows the case rests on money, deception, and forbidden desires. His client will be framed-unless he can find the key to the case. When Dunleavy is joined by his former flame, the savvy and well-connected attorney, Kate Costello, he believes he has a chance. But payback is a bitch, especially from the rich. The violent retaliations of billionaires threatened by his investigation exceed anything Dunleavy has ever seen. With the entire nation's eyes on him in a new Trial of the Century, Dunleavy orchestrates a series of revelations that lead to a stunning outcome-and the truth is wilder than anything he ever imagined.

The Princess Trap Talia Hibbert, 2018-02-03 From bestselling author Talia Hibbert comes a story of wicked royals, fake engagements, and the fed-up office worker trapped in the midst of it all... Cherry Neita is thirty, flirty, and done with men. As far as she can tell, they're overrated, overpaid, and underperforming – in every area of life. But a girl has needs, and the smoking-hot stranger she just met at the office seems like the perfect one-night stand... Prince Ruben of Helgmøre is reckless, dominant, and famously filthy. The outcast royal is rebuilding his reputation – all for a good cause – but he can't resist a pretty face. And bossy whirlwind Cherry's got the face, the body, and the attitude to make Ruben's convictions crumble. Even better, when she propositions him, she has no idea who he really is. But when paparazzi catch the pair, erm, kissing in an alleyway, Ruben's anonymity disappears faster than Cherry's knickers. Now the press is in uproar, the palace is outraged, and Ruben's reputation is back in the gutter. There's only one way to turn this disaster around – and it involves Cherry, some big fat lies, and a flashy diamond ring. On her left hand. Unfortunately, Cherry isn't pleased with Ruben's 'fake engagement' scheme... and neither is the king. The Princess Trap is a steamy, diverse royal romance featuring a take-no-sh\*t heroine and a misunderstood hero fighting to survive life at the palace. There's fake relationship fluff, a healthy dose of angst, and a guaranteed happily-ever-after. Please be aware: this story contains scenes of abuse that could trigger certain audiences.
