Property Management in California Joseph W. DeCarlo, 2003

Property Management For Dummies Griswold, 2011-03-16 You'll need to wear many hats in the business of property management: advertiser/promoter (in seeking tenants), host (in showing your property), handyman (in keeping up with and arranging repairs), bookkeeper (in maintaining records), and even counselor (in dealing with tenants and their problems). But Property Management For Dummies will help you maintain your sense of humor – and your sanity – as you deal with these challenges and more. You may become an unintentional property owner – someone who inherited a house from a relative and didn't want it to sit idle, or someone who transferred to a job in another city and decided to rent your home rather than sell it – or you may have entered the world of property ownership intentionally. Either way, real estate offers one of the best opportunities to develop a steady stream of residual income. Property Management For Dummies is organized by specific topic areas, so you can easily and quickly scan a topic that interests you, or you can troubleshoot the source of your latest major headache. You'll discover how to Evaluate your skills and personality to see whether you have what it takes to be a landlord Keep your units occupied with paying tenants who don't destroy your property Move in your new tenants and move them out – and everything in between Assemble the right team of professionals to help you, from employees to contractors Insure your property and understand the taxes that go with it Look for additional sources of income beyond rent, including the opportunities and pitfalls of lease options While many of life's lessons can be uncovered by trial and error, property management shouldn't be

one of them – the mistakes are too costly and the legal ramifications too severe. In this book, you'll find proven strategies to make rental property ownership and management not only profitable but pleasant as well.

No Fluff Rental Property Management Derek Simmons,2020-06-27 You can agree with Forbes when they call Real Estate a superior investment to almost any other you can find. If you want a Rental Property Business that runs like a well-oiled machine, then read on... You don't have to lose sleep being a landlord. Spinning a thousand plates with legal issues, house repairs, and furious tenants is what rental property investing looks like for some people. This does not have to be you. Whether you just purchased your first property or have a sizeable portfolio already, this book can give you the keys to stress-free Rental Property Management. Only 29% of small businesses make it to 10 years, according to the Bureau of Labor Statistics, so don't let your freedom business become a statistic. All the tools you need to succeed with Rental Property Management are right here. Do you think you can't succeed in the current financial climate? Read Chapter 11 of this book for successful strategies in any economic climate and my bullet-proof recommendation to succeed in the current market, in detail! Here's just a small fraction of what you'll discover

inside: Who you should and shouldn't hire to scale your rental property business Where to find and how to screen the best tenants Tips on ad creation to attract only the best tenants How to maintain your properties with practical tips on common problems and repairs All of the key components to scaling your business to skyrocket your wealth How to squeeze every drop of cash out of your rentals, even in a crisis (see Chapter 12) How to add value to your properties effectively for higher rents and higher sale price How to time the sale, should you choose to do so Step by step instructions to conduct the sale 3 pricing strategies to make your sale irresistible How to make your rental property business profitable in any economic climate ...and much, much more! Any type of investing carries risk. But at 2.2 times better risk-adjusted returns than stocks, any savvy investor will make real estate part of the portfolio. Even if you are a brand-new landlord, you can save yourself months of heartache by applying the techniques outlined in this book. SPECIAL BONUS FOR READERS! With this rental property investing book, you'll also get a FREE one-page worksheet & calculator that you can use during your walkthrough. With it, you can be an effective negotiator with the numbers at your fingertips and spot a bad deal in seconds. The bottom line is first-time landlords, like you, are scaling the profits on their rental property businesses, without huge risks or lots of money to invest, stress-free. This book shows you how you can too. Scroll up and click Add to Cart P.S. You could be just one property away from complete financial freedom, will you seize this once in a lifetime opportunity, or be left behind?
