Wings of Night Sky, Wings of Morning Light Joy Harjo, Priscilla Page, 2019-04-16 Joy Harjo's play *Wings of Night Sky, Wings of Morning Light* is the centerpiece of this collection that includes essays and interviews concerning the roots and the reaches of contemporary Native Theater. Harjo blends storytelling, music, movement, and poetic language in *Wings of Night Sky, Wings of Morning Light*—a healing ceremony that chronicles the challenges young protagonist Redbird faces on her path to healing and self-determination. This text is accompanied by interviews with Native theater artists Rolland Meinholtz and Randy Reinholz, as well as an interview with Harjo, conducted by Page. The interviews highlight the lives and contributions of Meinholtz, a theater artist and educator who served as the drama instructor at the Institute of American Indian Arts from 1964–70 and a close mentor and friend to Harjo; and Reinholz, producing artistic director of Native Voices at

the Autry, the nation's only Equity theater company dedicated exclusively to the development and production of new plays by Native American, First Nations, and Alaska Native playwrights. The new interview with Harjo focuses on her experiences working in theater. Essays on Harjo's work are provided by Mary Kathryn Nagle—an enrolled citizen of the Cherokee nation, playwright, and attorney who shares her insights on the legal and historical frameworks through which we can better understand the significance of Harjo's play; and Priscilla Page—writer, performer, and educator (of Wiyot heritage), who looks at indigenous feminism, jazz, and performance as influences on Harjo's theatrical work.

Leonora in the Morning Light Michaela Carter, 2022-04-05 *One of Oprah Daily's Most Anticipated Historical Fiction Novels That Will Sweep You Away* "Michaela Carter's training as a poet and painter shines through from the first page of this vivid, gorgeous novel based on the lives of Leonora Carrington and Max Ernst. Told with all the wild magic and mystery of the Surrealists themselves, *Leonora in the Morning Light* fearlessly illuminates the life and work of a formidable female artist." —Whitney Scharer, bestselling author of *The Age of Light* For fans of Amy Bloom's *White Houses* and Colm Tóibín's *The Master*, a "gorgeously written, meticulously researched" (Jillian Cantor, bestselling author of *Half Life*) novel about Surrealist artist Leonora Carrington and the art, drama, and romance that defined her coming-of-age during World War II.

1940. A train carrying exiled German prisoners from a labor camp arrives in southern France. Within moments, word spreads that Nazi capture is imminent, and the men flee for the woods, desperate to disappear across the Spanish border. One stays behind, determined to ride the train until he reaches home, to find a woman he refers to simply as "her." 1937. Leonora Carrington is a twenty-year-old British socialite and painter when she meets Max Ernst, an older, married artist whose work has captivated Europe. She follows him to Paris, into the vibrant world of studios and cafes where rising visionaries of the Surrealist movement like Andre Breton, Pablo Picasso, Lee Miller, Man Ray, and Salvador Dali are challenging conventional approaches to art and life. Inspired by their freedom, Leonora begins to experiment with her own work, translating vivid stories of her youth onto canvas and gaining recognition under her own name. It is a bright and glorious age of enlightenment—until war looms over Europe and headlines emerge denouncing Max and his circle as "degenerates," leading to his arrest and imprisonment. Left along as occupation spreads throughout the countryside, Leonora battles terrifying circumstances to survive, reawakening past demons that threaten to consume her. As Leonora and Max embark on remarkable journeys together and apart, the full story of their tumultuous and passionate love affair unfolds, spanning time and borders as they seek to reunite and reclaim their creative power in a world shattered by war. When their paths cross with Peggy Guggenheim, an art collector and socialite

working to help artists escape to America, nothing will be the same. Based on true events and historical figures, *Leonora in the Morning Light* is “a deeply involving historical tale of tragic lost love, determined survival, the sanctuary of art, and the evolution of a muse into an artist of powerfully provocative feminist expression” (Booklist, starred review).

Night Light James C. Dobson, Shirley Dobson, 2010-12-20 Whether you’re just married or are celebrating your golden anniversary, you need regular, quiet moments with your mate—times to renew love and intimacy with each other and with the Lord. *Night Light*, by Dr. James Dobson and his wife, Shirley, will help you do just that. Thank You for the Morning Light Robert S. Flowers, 2014-11-25 Dr. Bob Flowers has created a wonderful children's book of rhyming prayers, filled with heartwarming illustrations he created to emphasize their poetic messages. *Thank You For The Morning Light* is for the entire family to share and enjoy, bringing them closer together while strengthening both their faith and their spiritual relationships. As you pray together, often memorizing the poems, and alternating the reading (or saying) of its lines, you grow closer to each other; and you grow closer to our Father in Heaven. There is little in life that children

enjoy more than reading out loud, memorizing, reciting and making rhyme - like that in the book. May it be a blessing for you and those you love!

Violet Swan Deborah Reed, 2020 The story of a famous abstract painter at the end of her life-- her family, her art, and the long-buried secrets that won't stay hidden for much longer. Ninety-three-year-old Violet Swan has spent a lifetime translating tragedy and hardship into art, becoming famous for her abstract paintings, which evoke tranquility, innocence, and joy. For nearly a century Violet has lived a peaceful, private life of painting on the coast of Oregon. The business of Violet is run by her only child, Francisco, and his wife, Penny. But shortly before Violet's death, an earthquake sets a series of events in motion, and her deeply hidden past begins to resurface. When her beloved grandson returns home with a family secret in tow, Violet is forced to come to terms with the life she left behind so long ago--a life her family knows nothing about. A generational saga set against the backdrop of twentieth-century America and into the present day, *Pale Morning Light* with Violet Swan is the story of a girl who escaped rural Georgia at fourteen during World War II, crossing the country alone and broke. It is the story of how that girl met the man who would become her devoted husband, how she became a celebrated artist, and above all, how her life, inspired by nothing more than the way she imagined it to be, would turn out to be her greatest masterpiece.

'Til Morning Light Ann Moore, 2014-09-30 An Irish mother faces her destiny in California as the acclaimed trilogy comes to an end--"a vibrant

picture of American history in the mid-19th century" (Historical Novel Society). With her two children, Gracelin O'Malley travels to post-Gold Rush San Francisco to meet the sea captain who has proposed marriage to her. But when she arrives, he is nowhere to be found. Destitute in a city filled with gangs, disillusioned soldiers, and professional gamblers, Grace takes a position as a cook for one of the city's most prominent doctors—only to become caught up in a tangled web of blackmail and betrayal. Determined to make a secure life for her children and find her brother, Sean, Gracelin sets in motion a series of events that change the future of everyone around her, never dreaming that the man she thought she'd lost forever is still alive and determined to find his way back to her. Dickensian in scope, with a full cast of riveting characters, Ann Moore's 'Til Morning Light is the stunning conclusion to the enthralling story of Gracelin O'Malley, a heroine for the ages.

WINGATE, 2021-01-28 Increasingly confrontational political protest is building up to a deadly climax in the humid night of the city, while Jack Wilson is drowning his sorrows in drink. His idealistic brother, meanwhile, gets caught up in the passion of the movement. A restless dreamer and newly married, Jack has moved to a bustling Asian metropolis in search of life's purpose. The marriage doesn't survive, and Jack soon finds himself with a job he hates and an alcohol-fuelled lifestyle. His brother, Doug, conscientious and with a clear sense of direction, follows to teach

English at a local university. Deeply engaged in politics and social justice, he gets involved in the students' fight for democracy - except he doesn't expect things to take the turn they do. In the background the brothers' family back home has been gradually disintegrating, as tragedy, infidelity and ageing take their toll. Now the brothers have to make decisions that will determine their futures.

The Journal of Midshipman Chaplin Tatiana S. Fedorova, Viktor G. Sedov, Peter Ulf Moller, Carol L. Urness, 2010-09-13 The First Kamchatka Expedition is a classic among the voyages of discovery, being famous for the discovery of the Bering Strait between Asia and North America. Chaplin's journal holds a special place among the documents of the expedition. It is the only official document that preserves its history in detail, day by day, from the author's departure from St. Petersburg on 24 January 1725 until his return to the Russian capital on 1 March 1730. The publication includes introductory articles and commentary by leading specialists, a glossary, indexes, and maps.

Ella's Night Lights Lucy Fleming, 2021-11 If you look very carefully at the night sky, you might spot a teeny-tiny sparkle out of the corner of your eye, a whisper of a tinkling trail. That's Ella. Ella has always dreamed of seeing the sunrise. But with her delicate gossamer wings, she can only come out at night. So, when the moon is high, she collects as many shimmering beams of light she can find - a twinkle from a star, the glow from a lamp post. With her light, she guides lost and lonely animals and finds friendship in

Fox and Owl. And, together, Ella's animal friends know just how to return her kindness.

Night Light Amy E Dean, 2010-09-08 Night Light's quotations, reflections, and simple prayers ease the loneliness, fear, and anxiety that can burden our nights so we can wake up and meet each new day refreshed and inspired. Remember how comforting it felt, as a child, to fall asleep with a night-light glowing in the dark? Our Night Light is a collection of meditations that helps us remember how our Higher Power is like a comforting, ever-present light in our lives. These nightly readings can help us learn to trust the spiritual light within us for strength, comfort, and guidance.

The Morning Light Brian Lisus, 2018-05-07 The explosion ringing in my ears echoed through the narrow lane leading towards this holy place, eradicating the tranquility of what a few moments before was a pleasant summer gathering of worshipers; some drawn by curiosity, others by obligation, and a few by an unquenchable yearning for truth - or if not truth, then at least a moment of communion. It was midday. So begins The Morning Light, a violin maker's story of music, craftsmanship and the seeking of serenity set against homelessness, twists of fate, journeying in a holy land and a never ending desire to reproduce the sweet and soulful sound of a grandfather's violin, fine-tuned to play with a resonance that connects the heart. Poetic, engaging and original, The Morning Light is a beautiful story of discovering the ancient and shared voice within each of us.

The Difference Marina Endicott,2019-09-03 A major new novel by the award-winning author of *Good to a Fault* and *The Little Shadows*, about two sisters who live aboard a merchant ship on a fateful voyage through the South Pacific. Up from underneath comes a blue-black swell, a whale rising in a long arc. Kay waits, hovering in the difference between herself and the creature. What is the difference between ourselves and other humans? Between human and animal? Where does that difference persist in our minds? These are the questions Marina Endicott, one of our most beloved storytellers, explores in this sweeping, intoxicating novel set on the *Morning Light*, a ship from Nova Scotia sailing the South Pacific in 1912. Thea and Kay are half-sisters, separated in age by more than a decade. After the death of their stern father, head of a residential school in western Canada, the elder sister, Thea, returns east for her long-awaited marriage to the captain of the ship. She cannot abandon her younger sister, so Kay joins her, and together they embark on a life-changing voyage around the world. At the heart of *The Difference* is one crystallizing

moment in Micronesia: Thea forms a bond with a young boy from one of the islands, and takes him as her own. The repercussions of this act reverberate through the novel--forcing Kay to examine her own assumptions about what is forgivable, and what is right. Taking inspiration from the true story of a small boy who was brought on board a Canadian sailing ship in the South Seas, Marina Endicott shows us a vanished world in all its wildness and wonder, and its darkness, prejudice, and difficulty too. She also brilliantly illuminates our own times through Kay's preoccupation with the idea of difference--between people, classes, continents, cultures, customs, and species. A breathtaking tour-de-force by one of our most celebrated authors, a writer with the astonishing ability to bring a past world to vivid life while revealing the moral complexity of our own.

Interior Lighting Wout van Bommel, 2019-08-13
This book outlines the underlying principles on which interior lighting should be based, provides detailed information on the lighting hardware available today and gives guidance for the design of interior lighting installations resulting in good visual performance and comfort, alertness and health. The book is divided into three parts. Part One discusses the fundamentals of the visual and non-visual mechanisms and the practical consequences for visual performance and comfort, for sleep, daytime alertness and performance, and includes chapters on age effects, therapeutic effects and hazardous effects of lighting. Part Two deals with the lighting hardware: lamps (with

emphasis on LEDs), gear, drivers and luminaires including chapters about lighting controls and LEDs beyond lighting. Part Three is the application part, providing the link between theory and practice and supplying the reader with the knowledge needed for lighting design. It describes the relevant lighting criteria for good and efficient interior lighting and discusses the International, European and North American standards and recommendations for interior lighting. A particular focus is on solid state light sources (LEDs) and the possibility to design innovative, truly-sustainable lighting installations that are adaptable to changing circumstances. The design of such installations is difficult and the book offers details of the typical characteristics of the many different solid state light sources, and of the aspects determining the final quality of interior lighting. Essential reading for interior lighting designers, lighting engineers and architects, the book will also be a useful reference for researchers and students. Reviews of Road Lighting by the same author: If you are going to design streetlighting, you must read this book....a solid, comprehensive textbook written by an acknowledged expert in the field – if you have a query about any aspect of streetlighting design, you will find the answer here.” – LUX, August 2015 “...a really comprehensive book dealing with every aspect of the subject well...essential text for reference on this subject” – Lighting Journal, March 2015
