*Bible Lessons for Kids* Mary Warner,2015-04-29 Our Bible Fun Factory Lesson Plans are the essentials. The lessons that every single Christian child between 4-12 needs to be taught. In this series of five lessons, we focus on Moses as he grows into a man of God. We first meet Moses as a young man, who like many of us, lacks confidence to do the things God tells him to do. We learn through his early years how to follow God's voice. When God uses Moses to part the Red Sea, we see that God is capable of anything. Finally, as God gives Moses the Ten Commandments, we see that God has established right from wrong, and we should keep his commandments in our hearts.These lessons bring students closer to God by watching Him create miracles and show us His nature. Lesson 1: Moses and the Burning Bush Lesson 2: Following God's Voice Lesson 3: Moses and the Red Sea Lesson 4: Bread from Heaven Lesson 5: Moses Gets the Ten Commandments We have 3 core beliefs when we create Bible Lesson Plans: 1) They should be EASY for the teacher to teach. 2) They should be FUN for the child. 3) They should actually TEACH the child bedrock principles of the Christian Faith and the Bible. ----- Each of the Lessons Include: -Materials List (Don't worry, nearly everything can be gathered up at a moments notice from your own house. For example, you might need to grab a big spoon) -Complete Lesson (Including our much loved teaching script that tells you exactly what to say!) -Scripture Reading (we put the scripture reading in the lesson, to make it easy!) -2 Games (Kids LOVE games, each game teaches an important element of the overall lesson and lets the kids get up out of their seat and move around. Typically one game is geared to young children 4-7 and another for the 8-12 year olds) -2 Intro Activities (These activities get the kids engaged in the lesson and help to fill the time as kids trickle in.) -2 Lesson Activities (These activities vary from object lessons, crafts, treasure hunts, and more) -Closing Prayer (Our closing prayers are each designed to leave the kids with a positive message and reminder of the lesson). ----- Class Length: The lessons are designed to run for one hour, but can easily be expanded to cover more time if needed. Age Level: The lessons include age-appropriate activities, discussion, and questions for children ages 4-12. Equally effective with mixed age groups or single age classes. Prep Time: Each lesson was designed to be taught after only 5-10 minutes of prep time. You don't need to go around collecting craft materials or spending an hour before class getting organized. You can literally glance & go. Denomination: Our lessons can be used by churches of all denominations, as the topics covered are truly the foundation of Christian faith. In addition, any Bible translation can be used.
