Mother Kathleen Thompson Norris,1911 *Mother* is the fictional tale of a young woman who leaves home and repudiates family life in the hope of finding personal fulfillment through independence and a career. Though she has benefitted greatly from the love of her own mother, she decides that raising children and keeping home is a wasted life in comparison to the opportunities of the business world. But God dramatically changes her heart. She discovers that wealth and position are illusory and that independence can enslave a young woman. She discovers that the greatest woman she has ever known was her mother. Now she longs for home and for motherhood.

My Mother's Graceful Inspiration Pamela Jo Roller,2008-04 Review by Gloria Bellas, Librarian: In the final book of the trilogy, *Pennsylvania Voices Appaloosa Dreams*, we view the beauty and the wonders of nature through the eyes of the main character, Allison Grey. Come journey with her to feel the spirit of the Appaloosa and experience the natural beauty of Pennsylvania. The authors once again display a unique ability to tell the story as they instruct the reader in the writing process.

A Mother's Tears Marcella Pitts,2021-08-30 It took me thirty years to write my book. This is my first book to be published. I wanted to share with the world the injustice that my family and many other families had to endure. The justice system is not always right. It tore our families apart. Not even love could fix what had been broken. I pray that something in my book might help the people that have been affected by our case or one like it. Thank you Dana Nachman and Don Hardy for doing the documentary *The Witch Hunt*. It gave me the incentive to finish my book. Thank you, my children, for loving me, Carol, Johnnie, Tommie, Lisa, and Bryan. Thank you, Rick, for always being there to catch this mother's tears. Yvonne, Pam, and Misty, thank you for holding me together.

Mother Wit Malaika B. Horne, PhD,2018-01-04 *Mother Wit* By: Malaika B. Horne, PhD "This book describes in a vivid and poignant manner the remarkable ability of a mid-twentieth century Black woman—living under conditions of Apartheid as practiced in the United States—to overcome harsh and even grotesque societal obstacles, and succeed in rearing six children. That each of them went on to excel in their chosen fields is worthy of serious contemplation. In addition, the reader is provided insight and illumination on still taboo topics such as "colorism" and intra-group violence that engender and nourish self-hate among many in the African American Community. Moreover, the author's penchant for candor is coupled with a constructive theme of hope and faith in the future." ~~William M Harvey, PhD, psychologist "This is not just an evocative, at times heart-rending, portrait of an African-American mother but, as well, a colorful depiction of a Mississippi cum St. Louis family grappling with Jim Crow. In well written prose worthy of a cinema production, this book is an instant classic meriting a place on the top shelf alongside Toni Morrison, Alice Walker and Richard Wright." ~~Gerald Charles Horne, PhD, University of Houston "A moving tribute to a devoted mother whose determination, dedication and strong character

allowed her family to breach barriers of race, class and economic want to achieve measurable success. Dr. Horne's story of a loving mother with a keen intelligence who sacrificed all for her children is touching, inspiring and above all, instructive." ~~Gwen Moore, curator, Missouri History Museum "Mother Wit is a love letter, first to Horne's visionary mother Flora and then to the story of imperfect people making their way, together, in an even more horribly imperfect world. This is a story of color, of cruelty, of family and of coming to understand. Horne has written the kind of family history that tells the reader much more than the surface of the story. The lives of her characters, family members across several generations, are built upon the context of racism and all the byproducts thereof. Reading their stories and seeing the strength of Flora and the children she raised, is testament to tenacity and hope." ~~Faith Sandler, executive director, Scholarship Foundation of St. Louis "Blessed is the mother who inspires her children to have aspirations and shows them the necessary steps to take to make those aspirations a reality. Malaika B. Horne writes, with a captivating style about such a mother, detailing the complex journey to attain seemingly simple goals, with clarity and forthrightness." ~~Blanche M. Touhill, PhD, chancellor emerita, University of Missouri-St. Louis

Circling My Mother Mary Gordon, 2008-10-14 Bringing her exceptional talent for detail, character, and scene to bear on the life of her hard-working single mother, a bestselling author gives us a deeply felt and powerfully moving book about their relationship. "A daring and perceptive work of memory, catharsis and literary grace." —Los Angeles Times Anna Gagliano Gordon, who died in 2002 at the age of 94, was the personification of the culture of the mid-century American Catholic working class. A hard-working single mother—Mary Gordon's father died when she was still a girl—she managed to hold down a job, dress smartly, raise her daughter on her own, and worship the beauty in life with a surprising joie de vivre. Toward the end of Anna's life, we watch the author care for her mother in old age, beginning to reclaim from memory the vivid woman who helped her sail forth into her own life.

Ribbons of Highway Lori Hein, 2003-12-01 After September 11, a globetrotting mom and her two kids set off on a 12,000-mile American road trip, discovering their country's majesty and humanity, its unwavering pride and resilience, and the quiet love that binds a family together.

Pieces of My Mother Melissa Cistaro, 2015-05-05 A story that lingers in the heart long after the last page is turned. —HOPE EDELMAN, bestselling author of *Motherless Daughters* and *The Possibility of Everything* This provocative, poignant memoir of a daughter whose mother left her behind by choice begs the question: Are we destined to make the same mistakes as our parents? One summer, Melissa Cistaro's mother drove off without explanation Devastated, Melissa and her brothers were left to pick up the pieces, always tormented by the thought: Why did their mother abandon them? Thirty-five years later, with children of her own, Melissa finds herself in Olympia, Washington, as her mother is dying. After decades of hiding her painful memories, she has just days to find out what happened that summer and confront the fear she could do the same to her kids. A Mother's Story Maryann B. Lawrence, 2010-03 This touchingly honest memoir, *A Mother's Story: Memories from the Turtle Creek Valley*, follows the life of author Maryann B. Lawrence from early childhood through the Great Depression, into the uncertain years of World War II, followed by the fabulous 1950s and beyond. Her story offers a slice of small town life from bygone days on the hill known as Electric Plan, in the small town of Turtle Creek in beautiful, southwestern Pennsylvania. This captivating story also provides a historic glimpse into the lives of her parents and immigrant grandparents as they assimilated into American culture and society. We witness their challenges and their joys. By providing a detailed and fascinating look at her entire family, we gain a greater understanding and appreciation of the contribution that was made by each family member. This delightful, true-to-life account follows Maryann into marriage, motherhood, and maturity, in a conversational style that warms your heart!

The Bus Driver's Mother Beverly Pridgen , 2022-01-25 The footpath of a special child becoming a special man, and the challenges met and surmounted by his mother, form the core of this captivating narrative. As we shift between the perspectives of Ella, the mother, and Andrew, the son, we touch down in different time frames, capturing unfettered glimpses into his simple outlook and guileless character, in contrast to Ella's complicated and multifaceted emotions. Ella juggles poverty, divorce, health crises, remarriage, and tragedy while raising six young children and struggling to navigate Andrew's special needs. Through her journey, she discovers that life is as much about opposition and extremity as it is about smooth sailing. The story underscores common challenges of raising special-needs children, such as confusing medical diagnoses, problematic glitches in the educational system, and unsolicited opinions and judgments offered liberally by well-meaning outsiders. Far from clinical, the story is poignant and emotional, with some surprising twists and turns. Throughout, we become acquainted with the sincere and unassuming man that is Andrew as he embarks upon a surprisingly fortuitous career as a tour bus driver, one who genuinely cares about each passenger. *The Bus Driver's Mother* portrays the pain, challenges, and

disappointments integral to life. It also depicts the wonder, surprises, and blessings which come, when least expected, along the way. It proposes that every level of intellect should be esteemed, and that indeed, every child ought to be cherished.

Mom 3MD Rose A. Hunt, 2015-04-14 A quiet six-year-old girl, brought to America in 1955, was welcomed into the loving home of family members who adopted her as their own cherished daughter. Raised by a gentle, strong father and beautiful, elegant mother, Rose learned through discipline, guidance, and unconditional love what it meant to seek God, strive for excellence in all things, and respect others without compromising oneself. Upon this foundation would she build the rest of her life in spite of the storms that would soon test her. As a young woman, Rose was no stranger to grief: at the age of nine, she lost her beloved father to illness. And so it was that when she met and married her soul mate, Gabriel, she rejoiced in the profound and abundant blessing that was marriage and family, only to face devastating loss once again a few years later when the love of her life was diagnosed with leukemia. Upon becoming a widow before she was thirty years old, the young mother was charged with raising her three children alone. Though she was stricken with grief, she set her mind and spirit upon the task she had promised her husband to see through: to raise and equip their children with the love, integrity, and education that he himself so valued and had dreamed of imparting. This is the memoir of the young woman who exemplified values by which she would raise her children—values that are as relevant today as they were forty years ago. In spite of loss, grief, loneliness, frustration, and discrimination, her convictions and steadfast faith would reap great rewards, leading her to rejoice in the fruit of her labor while building a legacy that will continue for generations.

22 and the Mother of 11 Betty Epps Arnett, 2022-06-29 Immediately after college, the author (then Betty Jane Epps) moved from Tennessee to Seward, Alaska, to become a housemother for eleven boys at the Jesse Lee Home for children. This memoir, based on events from 1952 to 1954, tells how she was sent by the Methodist Church, endured a challenging trip to Alaska, and learned to become a mother to a dormitory full of little boys along with her fellow housemother Dolores Morey from Quilcene, Washington.

The Mother Knot Jane Lazarre, 1997 A feminist classic and a valuable testimonial to the experience of mothering. Originally published in 1976 but still relevant today, this is a fierce, often funny, often painful description of Lazarre's first few years of motherhood.
