Happy Mother's Day Ali Parnian,2019-05-04 The Mother's Day Forever Greeting Card(TM) is the perfect BookCard(TM) for that special mother in your life, and not just for this Mother's Day but all Mother's Days through the end of this century. You see, purchasing one BookCard(TM) can be used again and again because there is a page for you to add a new Mother's Day message each year through the year 2100. You can keep years of Mother's Day messages of love, gratitude and appreciation in one place to cherish for years and that is just the beginning. The author of this book learned the hard way that not taking the time to purchase a greeting card for his wife on Mother's Day resulted in a much more costly gesture in order to make amends for his

oversight. This would never have been an issue for him had he purchased a Forever Greeting Card(TM). Other benefits of purchasing a Forever Greeting Card(TM) for Mother's Day include:

- SAVE MONEY: Over the course of 50 years you would spend \$250 if you bought 50 cards that cost \$5 each.
- SAVE TIME: You can get a Forever Greeting Card(TM) delivered to most places within a few days.
- STAY RELEVANT: People typically don't throw books away so your ForeverGreetingCard(TM) will likely end up on a bookshelf or coffee table.
- ENVIRONMENTALLY FRIENDLY - Forever Greeting Cards(TM) are environmentally friendly. Cards purchased for Mother's Day over the course of 50 years produce much more paper waste and leave a larger carbon footprint due to driving to and from stores than having one book delivered to your door that can be used for years and recycled.
- GET CREATIVE - Adults and kids enjoy drawing and making creative images on these cards.
- SEE TRENDS - Recipients can see trends over time in how your love for them has grown, diminished or changed over the years.

There Is No Good Card for This Kelsey Crowe,Emily McDowell,2017-01-17 The creator of the viral hit Empathy Cards teams up with a compassion expert to produce a visually stunning

and groundbreaking illustrated guide to help you increase your emotional intelligence and learn how to offer comfort and support when someone you know is in pain. When someone you know is hurting, you want to let her know that you care. But many people don't know what words to use—or are afraid of saying or doing the wrong thing. This thoughtful, instructive guide, from empathy expert Dr. Kelsey Crowe and greeting card maverick Emily McDowell, blends well-researched, actionable advice with the no-nonsense humor and the signature illustration style of McDowell's immensely popular Empathy Cards, to help you feel confident in connecting with anyone experiencing grief, loss, illness, or any other difficult situation. Written in a how-to, relatable, we've-all-been-that-deer-in-the-headlights kind of way, *There Is No Good Card for This* isn't a spiritual treatise on how to make you a better person or a scientific argument about why compassion matters. It is a helpful illustrated guide to effective compassion that takes you, step by step by step, past the paralysis of thinking about someone in a difficult time to actually doing something (or nothing) with good judgment instead of fear. *There Is No Good Card for This* features workbook exercises, sample dialogs, and real-life examples from Dr. Crowe's research, including her popular Empathy Bootcamps that give

people tools for building relationships when it really counts. Whether it's a coworker whose mother has died, a neighbor whose husband has been in a car accident, or a friend who is seriously ill, There Is No Good Card for This teaches you how to be the best friend you can be to someone in need.

Messages from the Heart Sharon Halliday, 2017-06-21 We all seek the same things: financial security and freedom, meaningful work, harmonious relationships, and good health and wellbeing. But even more, we especially seek inner peace, fulfilment, and happiness. Yet whether these things are tangible or intangible, material or spiritual, attaining them can nevertheless be a challenge. Where can we find those aha moments that show us our possibilities and potentials and help us embrace that which we seek? In *Messages from the Heart*, author and angel intuitive Sharon Halliday answers thirty-nine of your life questions, and she

addresses all these topics and more. Originally appearing as Ask Sharon columns in her local newspaper, this collection of real-life questions from real people provides answers inspired by some of the best self-help principles and philosophies from around the globe which Sharon herself has tried and tested. Sharon also draws from her angel and oracle cards as well as from her Reiki expertise to channel meaningful, poignant, yet gentle advice with the potential to change lives. Whether you've never picked up a self-help book before or are an avid fan, and whether you live in country Australia or metropolitan New York City, Sharon Halliday's quirky little book of positivity might just hold the answers you're looking for. Sharon's writing is a giftwise, insightful, often funny, illuminating and transformative. Alex Kingsmill, as seen on The Today Show and Founder of Upstairs Coaching

New York Magazine ,1996-05-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself,

while celebrating New York as both a place and an idea.

The Trauma and Attachment-Aware Classroom Rebecca Brooks,2019-09-19 Trauma can have a significant impact on the

stability of a child's development and can put additional pressures on the education staff working with them. Showing you how you can best support children who have experienced adverse childhood experiences, this guide is full of practical guidance on how you can adapt your teaching with this group. Covering a range of issues a child may have, such as foetal alcohol spectrum disorder, pathological demand avoidance, attachment difficulties and many more, this book provides the trauma-informed tools you need to care for these children and to give the best possible opportunities from their education. It also addresses the difference children may experience in learning, how they behave, how teachers can ensure home--school cooperation, and how teachers can act in a trauma-informed manner.
