Move Over, Girl Brian Peterson,2008-11-26 Tony Norris is a twenty-year-old college junior, a good-looking young man with a strong rap who puts as much time into studying women as he does into his courses. Freshman year, Tony was on top of his game-star athlete, steady girlfriend, living in the moment and loving every second. But when bottom falls out on his hoops career, Tony's playing field shifts from the hard wood of the basketball court to the soft, supple curves of the opposite sex. His relationships with women last as long as a Popsicle in the summer sun, and they're just as sticky. With each ensuing predicament, Tony's faced with more questions than satisfaction, and as the story unfolds, we find that Tony, and what he wants, is much more complex than his player image would lead us to believe. Tony's amorous adventures play out against the free-flowing backdrop of college and his friendships with his boys-from Derrick, a football star who's figured out the whole relationship thing and doesn't understand why Tony hasn't, to Kwam, the loud-mouthed life of every party. Tony's musings will have you laughing as author Brian Peterson takes you on an inner tour of a young man's mind in this fun debut novel by an exciting new voice in black male fiction. It's the next best thing to being in there.

Twerp Mark Goldblatt,2014-05-13 It's not like I meant for him to get hurt. . . . Julian Twerski isn't a bully. He's just made a big mistake. So when he returns to school after a weeklong suspension, his English teacher offers him a deal: if he keeps a journal and writes about the terrible incident that got him and his friends suspended, he can get out of writing a report on Shakespeare. Julian jumps at the chance. And so begins his account of life in sixth grade--blowing up homemade fireworks, writing a love letter for his best friend (with disastrous results), and worrying whether he's still the fastest kid in school. Lurking in the background, though, is the one story he can't bring himself to tell, the one story his teacher most wants to hear. Inspired by Mark Goldblatt's own childhood growing up in 1960s Queens, Twerp shines with humor and heart. This remarkably powerful story will have readers laughing and crying right along with these flawed but unforgettable characters. Praise for Twerp: A Bankstreet Best Book of the Year A Junior Library Guild Selection A Summer Top Ten Kids' Indie Next List Pick A Sunshine State Award Finalist "Reminiscent of The Perks of Being a Wallflower. . . . Move Over Darling Christine Stovell,2012 When is it time to stop running? Coralie Casey is haunted by her past. Deciding it's time for a fresh start, she sets up 'Sweet Cleans', a range of natural beauty and cleaning products, and escapes to Penmorfa, a quiet coastal village in west Wales. Gethin Lewis thinks he's about to put his home village Penmorfa behind him for good. Now an internationally-acclaimed artist living in New York, he just has to return one last time to wind up his father's estate. But the village soon disrupts their carefully laid plans. As truths are uncovered which threaten to split the community apart, Gethin is forced to question his real reasons for abandoning Penmorfa, and Coralie is made to face the fact that some stains just won't go away. AUTHOR: Winning a tin of chocolate in a national essay competition at primary school inspired Christine Stovell to become a writer! After graduating from UEA, she took various jobs in the public sector writing research papers and policy notes by day and filling up her spare drawers with embryonic novels by night. Losing her dad to cancer made her realise that if she was ever going to get a novel published she had to put her writing first. Setting off, with her husband, from a sleepy seaside resort on the east coast in a vintage wooden boat to sail halfway round Britain provided the inspiration for her debut novel Turning the Tide. Turning The Tide was a top 100 Bestseller with Amazon Kindle and spent months in the Top 10 Chart for Adult Contemporary Romance. Christine has also published numerous short stories and articles.

Anne's personal transformation from sufferer to empowered and confident woman gives new hope to fellow sufferers. Anne's bravery is an example to us all, this book is an inspiration to sufferers, carers and professionals alike. About the Author Anne Brocklesby was born in 1951 in Epsom, Surrey. She was educated in Wimbledon and Scotland before studying social sciences at Edinburgh University. She has now returned to live in Wimbledon where she has worked for many years in the voluntary sector. She is involved in the Make Poverty History campaign and takes an active interest in mental health issues, trying to promote a more positive image and challenging discrimination and stigma. Book Extract I think I developed a separation anxiety at a very early age, and had the enduring feeling that in fact I was an orphan. My mother told me that I was sent for 3 weeks to my aunt and uncle's house, with two of their children, to spend time being looked after by them when my mother was giving birth to my sister Kay, her second child. Of course I do not remember any of this, but I am conscious of a feeling of separation, which I can only trace to this time. My mother said that when I returned, I looked like a neglected orphan, because my hair seemed a tangled mass, as though it had not been brushed or combed.

Move Over, Mountain John Ehle,2007-08-01 When first published in 1957, Move Over, Mountain was considered to be the first book written by a white novelist that portrayed African-Americans without stereotype. It received positive reviews from several major publications, but was shunned by segregated bookstores and libraries. There was only one US printing of Move Over, Mountain. The following year it was published by Hodder and Stoughton of London, England. A story of personal and social struggle, the New York Times said of John Ehle in 1957, It is quite obvious that he writes from a deep knowledge of his subject, and an understanding of technique rare in a first novelist.

Move Over, Victoria--I Know the Real Secret Nancy Kennedy,2010-04-07 Which Everyday Idols Are Holding You Captive? FOOD. BUSYNESS. IMAGE. POSSESSIONS. ACHIEVEMENT. APPROVAL. CONTROL. PERFECTIONISM. ATTENTION. HAPPINESS. BEING RIGHT. PERFECT RELATIONSHIPS. INDEPENDENCE. REVENGE. SELF-PITY. LOVE. SELF-RIGHTEOUSNESS. Like most women, you probably have a life filled with modern-day idols that attempt to steal your attention and affection from God. Innocent-seeming idols like chocolate, thighs of iron, and a home that rivals Martha Stewart's. Things you turn to first, before turning to God, when you long for comfort, affirmation, self-worth, or love. You know that God is the answer to all your needs. But then you have a fight with your husband, and that cheesecake in the fridge starts calling your name. You stay home from a women's retreat because your wardrobe is (literally) from the last century. You desperately wish that your house or hair or kids were as nice as your friend's (or anybody else's).
